Teenage Chat

By Bettie Lavender

Last week was a busy one for many teens around the county. Epsom and Gold Sand returned from their trip to Washington, D. C. with many fond memories. Some of the school had track meets and others had baseball games.

Last Friday and Saturday nights the teens from Edward Best, Youngsville and Louisburg High entered into completely different worlds. The Seniors of these schools were entertained by the Junior classes of each school at the annual Junior-Senior prom. On May 12, Bunn and Gold Sand will have their fling.

After the Louisburg prom, the Senior class was honored at a breakfast given by the parents. While there they received their long awaited annuals. A salute goes to Tucker Meyer and her able staff for such an excellent piece of work! Also Patsy Murphy gave a breakfast for the Juniors. All in all it was a night to remember!

Saturday morning two groups of teens left for the beach and Bay View. Mark Warren, Howard Stallings, Billy Dement and Al Wilson left for Myrtle Beach while Frances Murphy, Blake York, Glenda Henley, Ann Avent, and Bettie Lavender spent the rest of the weekend at Bay View. Saturday night Mrs. David Dickerson and Mrs. Durwood Dement gave the Senior class of Louisburg High School a "Mascot Supper." Lots of food and fun were enjoyed by all.

Those home for the weekend were Emma Ruth Bartholomew, Phyllis Jeffreys, Donnie Southerland, Buddy Stewart, Pete Joyner and Wiley Brown. Nice to see all of you.

Also this past weekend twenty Cadet Girl Scouts went camping near Raleigh. Those who went were: Elizabeth McKinne, Pam Stone, Dawn Mullen, Jackie Smith, Debbie Mashburn, Mary Best, Deborah Boyd, Mary Riggan, Jackie Edwards, Bertha Fuller, Debbie Shearin, Martha Beasley, Stella Shelton, Nell Lee, Lynne Patterson, Lou Merritt, Ginger Kimball, Gwen Ball, Sallie Griffin, Patricia Freeman.

Pruette Speaks To WSCS

(Frk. B. W.) The Woman's Society of Christian Service of the Franklinton Methodist Church met on Tuesday evening at Wesley's Chapel.

Miss Edith Jackson presided over the meeting. Following an opening prayer, Miss Frances Wortham read the minutes. Mrs. George Cooke gave the financial report.

Mrs. Woodrow Haskins gave a report on the recent Sub-District meeting.

Mrs. Tommie Stephens presented the devotional thoughts.

Mrs. Arthur Evans, president of the Wesley Circle, introduced the guest speaker, Mr. C. Ray Pruette.

Mr. Pruette gave an informative talk about Science and Religion. At one time science was in the basement and religion was on the top floor. Now the sciences have moved above religion. The speaker emphasized that there was no rivalry between science and religion. If there is conflict, it is because science claims more than it should. Science cannot do all things.

Mr. Pruette pointed out that science does not answer the source of origin; does not serve ends that science should serve; does not minister to needs of life and can not give the dimensions of eternity. During the social hour, members of the Wesley Circle served sandwiches, cakes, nuts and a fruit drink.

You Proved It To Us!

You folks at Waccamaw proved to us that a loan on this car, the bank way, was cheaper by far. All we did was come in with the deal offered us by our dealer — and Waccamaw did the rest. We can't figure out how some folks still believe it's difficult to get an auto loan at a bank. Your way is just as fast, more dignified, and as we said before costs a whole lot less. We like Waccamaw Banks! We'll finance our next car with them, too.
