Everyone's hurrying about packing as much vacation as possible into these short weekends. Seen around Carolina Beach, (crying because they had to go home), were Donna Privette, Debbie Brown, Rhonda Strickland, Wade Holden, Nell Holden, and Gall Lindsey.

Topsall Beach is probably all shook up since Linda and Charles' invasion. Enjoying the pleasures of Atlantic Beach along with Otha was Darell Cooke. Vicky, Debra, and Kay seemed to enjoy themselves also.

How do you like camping out Rodney, especially at Hanging Rock.

Something tells me Mark is really enjoying biology.

What's this I hear about Jesse Preddy "flying". Not really! Just can't drive any more because you need "flyer's license," right Jesse! Was a yellow Mustang involved!

"Special" belated birthday wishes go to Lin Green and Ronnie Johnson, right Jo Ann?

Wonder how Linda Paschall likes playing the piano?

Couldn't get up this morning, don't know why! How about it Steve, Rhonda, Larry, Sandra, Janet, Linda and Harriet? I felt like a radiator.

Talk about cheerleaders looking good and sounding great, you wouldn't believe it, they're GREAT!

The '68 Phantom staff will soon start selling ads. Your patronage will be appreciated.
