Teenage Chat

Louisburg

Betty Sue Radford

The football season is really in the groove. Ask anyone from Franklinton or Louisburg. Although the victories have been few, the excitement and enthusiasm from the fans and participants has been unsurpassable! Franklinton meets Louisburg Friday night for its homecoming. This is expected to be a great game! There will be a dance afterwards, so everybody come!

Saturday night Donnie Poe, Nancy Grissom, Sue Coghill, and Calvin Grissom went to the Embers Club, Heard you had a great time, kids!

The Louisburg Annual Staff has been busy selling ads and taking orders for the 1968 CIRCLE. You'd better buy your annual now if you want to save money.

Sunday night there will be a great show over at Dorton Arena, featuring Dionne Warwick. Everybody plan to go! Betty Ann, Howard said to tell you "hi", so "hi"!

Shane, Miss Abby and Wanda Collins went to the beach last week-end. Heard the weather was great. Oh yeah, how about the ducking in the pool business, Wanda! Thought: No man is an island.

The influence of a parent upon a child is great but not to be compared with the influence of some children upon their parents.

Would you believe school is now in full swing? Adjustments are still being made but for the most part, it's fun! Remember to give me all the news you have!

Congratulations go to Patsy Alford on getting her driver's license.
Connie Woodard says for Larry Paschall to hurry back to E. C. U.

Seems as if Linda Cash and Brenda Sanders are having a few problems.
Happy Birthday Betty Height! Wonder why Darlyne Cash has been sick lately.

Congratulations go to Brenda Sanders and Morris Catlett for having been elected sophomore representatives to the Student Council, Senior representatives, Elaine Murphy and Curt Fuller; Junior representatives, Debra Rogers and Linda Cash.

Sorry about this being so short but "No News, No Chat"! Ha!
Thought: Humility is a strange thing. The minute you think you've got it, you've lost it.

Kenmore Circle Meets

The Kenmore Circle of the Louisburg Baptist Church met Monday night, September 18, with Mrs. George Dennis.

Mrs. N. C. Mullen called the meeting to order.
Mrs. Glenn Kennedy gave the call to prayer.

A very interesting program on Enveloping Secularism in the United States was given by Mrs. N. C. Mullen and Mrs. George Dennis.

After a short business meeting, Mrs. N. C. Mullen closed the meeting with prayer. The hostess served delicious refreshments to 7 members.

In Service

Fl. Monmouth, N. J. (AHTNC)--Army Private First Class Ronald M. Cheatham, 21, son of Mr. and Mrs. Clarence B. Cheatham, 212 Cheatham, Franklinton, N. C., completed a still picture photographer course September 8 at the Army Signal School, Ft. Monmouth, N. J.

During the 13-week course, Pvt. Cheatham was trained in the techniques required for taking black and white, and color photographs of both ground and aerial subjects.

Mr. and Mrs. J. T. Moss and family went to Richmond, Virginia for the day on Saturday. They were accompanied by Mrs. L. A. Woodlief and Mrs. H. H. Reddick.

Mrs. Mack DeMent who has been a patient at Wake Memorial Hospital is expecting to be able to come home this week.

Mrs. C. V. Timberlake has returned home after a visit in Washington, D. C. with her son and his family, Mr. and Mrs. Vernon Timberlake.

Mr. and Mrs. Terry Brown spent the weekend here with his parents, Mr. and Mrs. Wiley Brown. Terry is currently stationed at Fort Dix, N. J.

Mike Chesson is stationed

at Fort Dix, N. J. for his basic training. His wife, the former Kay Hall, is here with her parents and is teaching in Wake County.

Mrs. B. H. Patterson returned home during the weekend after a visit with relatives in Norfolk, Virginia.

Unknown Heros

New York--When a young mother found her apartment on fire, she ran to a window and screamed at a group of passing youths. The youths made a human net out of their arms and caught the woman's 13-month-old daughter. Mrs. Simmons would like to find the youths and thank them.

Some 2,000 officers and men were required to operate the Battleship U. S. S. North Carolina when she was in service, before becoming a state memorial at Wilmington.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new 250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety arm-rests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.
