

# Ruth Mercer Circles Meet

(FRK. B.W.) Ruth Mercer Circle No. 1 of the Woman's Society of Christian Service of the Franklinton Methodist Church met at the home of Mrs. B.N. Williamson, Jr. on Thursday evening.

The chairman, Mrs. Richard Whitfield, opened the meeting with a saying of Abraham Lincoln followed by a prayer. Miss Edith Jackson presented the program—"The Quest for Identity: Contemporary Literature."

The Church is concerned with Arts because it is concerned with actuality. The purposes of the program were: first, to help acquaint members with examples of contemporary poetry; second, to see that the quest for identity by the writer is an attempt to explore his space and place in the world; third, to realize the universality of the quest and fourth, to know that meaningful identity is found only in relationship to others, the world and God.

Miss Jackson read some poetry of Robert Lowell, Judith Wright and other contemporary poets and writers.

During the business session, Mrs. J.D. Mode read the minutes. A financial report was given by Mrs. Williamson.

The chairman reminded the members about flower assignments and also their responsibility with the nursery. Plans were made to remember two senior citizens on Valentine Day.

Miss Jackson announced that a Study would be held on February 18 and February 25 at the Louisburg Methodist Church to which the local Methodist women were invited.

A local Woman's Society meeting was announced for February 21 at the Educational Building.

The hostess served cake and coffee during the social hour.

Ruth Mercer Circle No. 2 met at the Educational Building on Thursday evening with Mrs. A.W. Holmes as hostess.

Mrs. George Best, chairman, opened the meeting with prayer.

Mrs. E.A. Harris, Jr. read the minutes. A financial report was given by Mrs. Phil Franklin Whitfield.

Flower assignments for the month of March were made. The group voted to contribute to the fund which covers a household appliance at the parsonage.

Plans were made to remember a shut-in who has been ill.

Mrs. Floyd Bell gave the program entitled "Voices for a World-Come-of-Age". The purposes were to explore the meaning of the phrase "world-

come-of-age", to examine new theological ideas on this subject and to measure one's growth in ideas about God. The new theology wants to greet the day with a shout and baptize it as a time of liberation from the idea of God as a tyrant who keeps man dependent and immature. But the church does not change its fundamental purpose; it has a story that tells about God as well as man.

During the social hour, the hostess served chocolate cake and coffee. Donna Holmes assisted in serving.

# Health And Beauty

Acne is a problem faced often by teen-agers, as if they didn't have enough emotional problems during that wonderful, but frequently trying, period of their lives.

Acne is a disease of the tiny oil glands of the skin. It is found most often on the face. When these glands don't get the proper amount of stimulation in the form of exercise and thorough cleanliness, tiny red pimples form. The result is an acne condition of the skin.

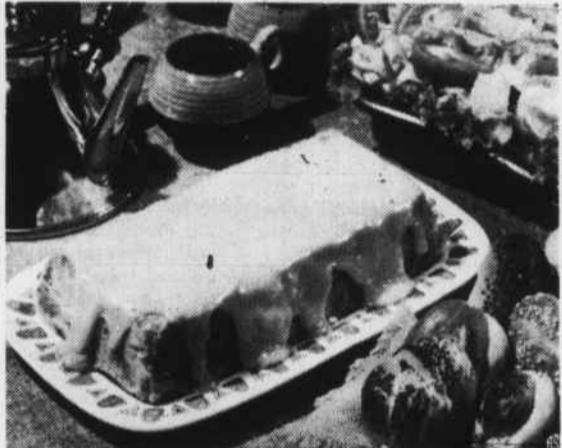

The sooner you begin work on a sluggish, acne-type skin, the better your chances are to prevent permanent scars.

Proper cleansing and exercise must be coupled with at least eight hours of sleep each night. Drink plenty of water each day and a certain amount of sunlight. Don't over-do the sun treatment, however.

Cleanliness is very important so bathe frequently, both your face and body. Shampoo your hair as often as it needs it. Keep away from oily or creamy type makeup.

Avoid eating rich or fried foods of any kind. Chocolate, nuts, soft drinks, creamy foods, sugar, cheese and any foods rich in fats and oils have no place in your diet.

## Tempting Topper

Distinctive cheese flavor characterizes luscious Velvet Sauce, the sophisticated topper for tasty Tuna Loaf. But, cooks take note, sophisticated simplicity is its keynote, for the sauce is easily prepared from process cheese spread and milk--that's all! And smooth, tasty results are assured every time. Velvet Sauce will do you in good stead for many tempting dishes, particularly during Lent. And it's the perfect trimming for this light, moist Tuna Loaf, setting off beautifully the delicate-flavored fish sparkled with celery, pimiento and a whisper of onion.

### Tuna Loaf With Velvet Sauce

- |                                   |  |
|-----------------------------------|--|
| 2 cups fresh bread crumbs         | 1 tablespoon chopped onion                                 |
| 1 7-oz. can tuna, drained, flaked | 1 teaspoon salt  |
| 1 1/2 cups hot milk               | 1/4 teaspoon pepper  |
| 1/2 cup chopped celery            | 1/2 lb. Velveeta Pasteurized Process Cheese Spread, sliced |
| 3 eggs beaten                     | 1/4 cup milk   |
| 2 tablespoons chopped pimiento    |  |

Combine all but last two ingredients; pour into greased loaf pan, 8x4-inches. Bake at 350 degrees, 1 hour. Heat cheese with milk in top of double boiler; stir until sauce is smooth. Pour Velvet Sauce over tuna loaf which has been turned out on platter. Makes 5 to 6 servings.

## About Your Home

Everyone would like to get the most of furnace consumption. The best way to do this is to reduce the demand for heat put upon your furnace. Much heat is lost through the

roof in an uninsulated house. Insulating the floor or unused attic space results in considerable fuel savings.

Doors and windows are also areas where losses of heat sometimes occur. In warm sections of the country a good weatherstripping job, easily done by the man of the house, will be sufficient.

Picture windows should be built with double-walled glass, or heavy drapes should be drawn over the large glass areas during the winter months, except at those times of the day when the sun is shining directly on the window.

Since heating equipment for a home is expensive, and because it is easy for inexperienced persons to waste money and cause themselves untold discomfort by choosing unsuitable equipment for their needs, it is wise to consult more than one heating authority.

## In Fashion

The shirtwaist type dress is very popular this season. It is not only used as a casual wear dress but many of the evening frocks are based on this style.

Culottes have a shirtwaist top and a garment, with a gathered skirt, may also have the same shirtwaist type shirt.

Leg make-up this season is most dramatic with colored designs painted on the skin. Toe nails are also painted in harmonizing or matching shades.
