## Girl Scouts Begin Cookie Sale

Girl Scouts throughout the 19-county Pines of Carolina Girl Scout Council will be ringing doorbells during the next two weeks offering Girl Scout Cookies in five popular flavors to their friends and neighbors.

Official sale date are February 15-26 and nearly 8,000 Girl Scouts in the 9-17 age bracket, encompassing Junior, Cadette and Senior levels in the Scouting program, will be offering them for sale.

During this two-week period the girls will be taking orders only. Deliveries and collections will be made March 19-30.

Last year's cookie sales in the Pines of Carolina Girl Scout Council set a record with 207,780 individual boxes of cookies sold to friends of Girl Scouts and Girl Scouting in the area. Troops retained 5¢ per box as their profit, and used these funds (which amounted to \$10,382.00 in the aggregate) to support such things as camping weekends, equipment purchases, trips, and such.

But most of the profits--last year \$52,824.77 in the 19-county council--were turned immediately into better camping facilities for Girl Scouts to enjoy through the summer and on weekend camping trips all spring and fall.

At Camp Graham, one of the two resident camps the council operates, new tent files, a canoe, sailboat, new dock, waterfront equipment, a truck, a new freezer and other improvements came directly from last year's cookie profits. It is located on Kerr Lake near Henderson, and has facilities for 104 girls.

Camp Mary Atkinson houses 88 girls and their staff and during the year cookie profits purchased for this camp new tents, poles and files, two unit shelters, furniture for the staff house, cook's cabin, refrigerator, beach improvement, and a truck.

Several other non-resident campsites owned and operated by the council were also im-

proved with cookie profits from last year's sales, and major additions or improvements to each site are proposed for this spring as the Girl Scouts produce profits through their annual cookie sale.

Major financial support of Girl Scouting in the council area is provided by United Funds, Community Chests and similar campaigns in the 19 counties. Summer campers' fees support the seasonal

camp operations. Funds to improve and develop camp sites and facilities come entirely from cookie sales, which the public supports generously each year.

As for the past several years the cookies are being manufactured by FFV in five fine flavors: Mint, Peanut Butter Sandwich, Butter Flavored Shorties, Ko Ko Kookies, and Assorted Sandwich.
