

Mr. Allen Speaks On Hospital Chaplaincy

(Frk. B. W.) The Woman's Society of Christian Service of the Franklin Methodist Church met at the Educational Building on Wednesday evening at 8 o'clock.

Miss Edith Jackson, president, opened the meeting with a devotional. Minutes of the previous meeting were read by Miss Frances Wortham.

Miss Jackson announced that the World Day of Prayer would be observed on March 1. The annual conference on March 26 and 27 at the Edenton Street Methodist Church, the Raleigh District meeting at the Fairmont Methodist Church on April 4 and the Tri-County Sub-District meeting of the Woman's Society on April 18 at the Louisburg Methodist Church were announced.

The following nominating committee was appointed: Mrs. D. O. Langston (chairman), Mrs. Walter W. Cooke, and Mrs. B. N. Williamson, Jr.

Mr. Snyder Speaks To Club

The Louisburg Woman's Club met Wednesday evening, at the Murphy House with twenty members present. Hostesses for the meeting, Mesdames Wayne Alston, R. G. Person and Jimmy Hill, used a St. Patrick's Day motif in decorating.

Mr. Grady Snyder of the Louisburg College Mathematics Department spoke to the club on the history and changes in modern math. He pointed out that at one point in history the methods used in teaching math were so uniform that one textbook was used for nearly one thousand years. Since that time reforms have taken place because of research, space achievements, automation, computing machines and lack of preparation of college students. Mr. Snyder illustrated, with the use of slides, the working of new math beginning with the level of work a first grader would be required to do and progressing through freshman college work.

The business meeting was presided over by the President, Mrs. Joe Myers. Two new members were welcomed into the club by Mrs. James Johnson. They were Mrs. Virginia Southernland and Mrs. Charles Tharrington. Mrs. Graham Burnette, Chairman, and Mrs. R.G. Person, Co-Chairman, discussed the Spring Dance to be held on

March 30, 1968. Tickets are now on sale and may be secured from any member of the club. The music will be by Jim Gregory's Combo.

The officers presented by the nominating committee and voted on to serve for the coming year are: President--Mrs. Joe Myers, First Vice President--Mrs. Wayne Alston, Second Vice President--Mrs. Wilson Clay, Corresponding Secretary--Mrs. Jerry Frazier, Recording Secretary--Mrs. John Garrett, and Treasurer--Mrs. Ned Loyd.

The club voted to visit Dorothea Dix Hospital and plans were made to remember the forgotten patients from Franklin County with gifts.

AN UPDATED YARN

If you're needled by do-it-yourself projects that just don't work out, or tied up in knots over what to do with what you've made—don't despair—help is here!

The new Needlework & Crafts Magazine is on the stands, and not only has McCall's dreamed up complete rooms a la Mod as well as traditional—they've worked them out too!

Editor Nan Comstock says, "While kits or complete instructions are available for all the handicrafts featured, we like to feel that our ideas will help others to think creatively and have fun with decorating. However, many of our readers write in to say that they copy our room settings exactly as featured, and that they appreciate the low cost in relation to the high-fashion look!"

In the Fall-Winter issue, the "crafts" section blossoms with embroidered pictures, big paper sunflowers, appliqued bedspreads, papier-mache and the artifacts of traditional, Mediterranean, and Mod room settings. There are touches of humor in the and sometimes startling off-beat effects

are used as ideas to update the traditional or augment existing rooms. In addition, there is the chic fashion section which usually makes women purr about knitting and purling.

Ask any group of women why they knit and you will get different answers. Some say it's "fun", a favorite hobby... others love the look of individual handicrafts and fashions... while still others consider it profitable "therapy". Whatever the reason, the results are rewarding and always cherished. For the beginner as well as the old pro, McCall's Needlework & Crafts lends a hand with handicrafts.

Unemployment

Republican leaders have recommended a program to reduce hard-core-unemployment. The program stressed training programs and tax incentives for employers.

A TIP-TOP WAY TO START THE DAY

Minutes are precious in the morning, so next time you hear, "I don't have time for breakfast," re-examine that busy schedule. Each day should and can start off with an adequate meal and still not rob us of any of those treasured morning minutes.

Nutrition and medical authorities tell us that the too-often-neglected breakfast is no less important than lunch or dinner and may be the most important of all three... and a good breakfast will help you feel tip-top all day.

A BREAKFAST SWITCH — A SANDWICH!
New and different ways of serving favorite breakfast foods add variety to this important morning meal. One-dish sandwiches double the appeal of breakfast favorites and are ideal for those who are pressed for time in the morning. For delicate taste and substantial fare try Scrambled Egg and Bacon Sandwiches.

SCRAMBLED EGG AND BACON SANDWICH
2 tablespoons butter or margarine
1/4 teaspoon salt
4 eggs, beaten
8 slices crisp bacon
8 slices buttered Tip-Top toast

Melt butter in skillet. Add salt to eggs and pour into skillet. Cook slowly, stirring the eggs from the bottom as they become firm and browned slightly. When eggs are fairly firm (but not dry) throughout, spoon them on slices of buttered toast. Garnish with two slices of crisp bacon crossed diagonally and top with second piece of buttered toast. Makes 4 servings.
