Teenage Chat Youngville

Well folks, summer has been here for a while and between going to camp and to the beach, we all seem to be doing as little work as possible.

This week the Flat Rock YWA's are spending a glorious week at Ridgecrest, doing nothing unusual we hope! Home from camp are the Flat Rock GA's. From all reports it sounds as if they had a wet and wild time. Everyone came back healthy except Elaine Holmes, seems as if she got water-logged at the beach. Beach? We thought this was a church camp.

Remember while at camp or just off visiting be sure to write home, even if it isn't to your parents.

At the beach last weekend were Ronnie Johnson and Jo Anne Frazier, wonder if they went together?

In case you have not heard, those hard to get Jr-Sr pictures can be obtained from Mr. Larry C. Lindsey for the small price of \$5.10. Small price? Man they must be crazy.

Thought for the week "Together we are victorious - Separate we are in agony." - Flintstone.

A man writes to ask who runs the average American home. Evidently the gentleman has no teen-age children.
