We Americans are entirely too careless and we pay for it with human lives.

## Teenage Chat Youngsville

### Awarded Citation

Corporal George C. Robinson, Jr. of the U. S. Marine Corps was awarded a citation by his Commanding Officer on June 6th, 1968, for his outstanding service.

Corporal Robinson is the son of Mr. and Mrs. George Clack Robinson, Sr. He received his basic training at Paris Island, S. C. From there he was sent to Camp Pendleton, Calif. and he is now in Vietnam.

He received the citation for demonstrating initiative, reliability and judgement far beyond that normally expected of a Marine of his grade and time in service.

Corporal Robinson is a member of the 2nd Force Service Regiment, Force Troops Fleet Marine Force, Atlantic.

Heat Wave!! You don't need a weatherman to tell you that. It seems that when the heat arrives the people flee to the coolest spot available. Some local teens were seen "cooling it" at the lake this past weekend. Among them were Jo Anne Frazier, Jerry Vaughn and Charles Jones. Others headed for the coast when the heat became too much. How are those blistered backs Janet and Kathy?

Seems as if Jesse was jealous of Ronnie getting to play the part of Chester. So he went out and broke some of his toes. The next time you see Jesse hopping around be sure and ask him how it happened.

The food at Franklinton's Taster Freez must be very good. Almost every time you're over there it's almost certain you'll see some Youngsville boys. That is the reason you are over there isn't it Graydon, Johnny, Jesse and Larry?

What is this I hear about a private tutor? Is it really true Charlie?

Just a little advice to those who might still be planning a vacation trip. Make sure everyone understands what is going on. It is no fun sitting in a strange bus station all
