A turkey is a turkey ... not really!

Take A&P's "Super-Right" Turkeys, for example. Because we understand how important the turkey is to your dinner, we do everything possible to be sure there are none finer than "Super-Right" Turkeys.

We start by carefully selecting the growers from whom we buy. To assure perfect turkeys, we buy only U.S. Inspected Grade "A" birds. To assure tenderness, we buy only young turkeys from this year's flock. Because we care this much about "Super-Right" Turkeys, we know you can't buy better... even at a premium price. So, we don't hesitate to offer you **DOUBLE YOUR MONEY BACK*** if our turkey isn't everything you think it should be.

Now that you know you can't lose on the turkey, here's something else that's important: If you make A&P your store for all holiday needs, you're sure to be satisfied, because we guarantee everything we sell, no matter who makes it. Isn't this the week to give A&P a try?

*Bring in the price label or register tape, of course.
