

Louisburg Hosts Annual Turkey Tournament

Louisburg College will be the scene of the sixth annual Thanksgiving Tournament on November 29 and 30. Teams competing, along with the host Hurricanes, are Wingate's Bulldogs, Sandhills' Trojans, and Brevard's Tornados. Wingate has been a participant in the tournament in each of the last three years. It will be the first appearance for Brevard and Sandhills.

Sandhills will bring a colorful character to the tournament in the person of Coach Bill Stainback who coached at Coopers High School and Wake Forest High School before he became coach of the Trojans. The Trojans are led by two sharp shooting guards, Marcus Rivers and Monty Beeson. Both are 5'11" operatives and are sophomores. Two other soph 6'6" Floyd Wilson and 6'3" Hal Chambers furnish good board strength for Sandhills. Coach Stainback states "The main strength of this team will depend on the strong back court duo of Beeson and Rivers - 1968-69 co-captains. Rivers was an outstanding scorer last year, compiling an average of 20 points per game and Beeson is an excellent defensive player and offensive quarterback of the team. Chambers is an outstanding defensive player and adequate rebounder."

Sandhills participated in the Mount Olive Invitational Tournament last weekend and won over Chowan 70-67 in the opening round only to host Mount Olive by a score of 96-91 in overtime. On Friday night they will tangle with Brevard at 7:00 p.m. to kick off the Louisburg Tournament.

Coach "Chic" Martin's Brevard team has three sophomores returning to attempt to better last year's record of 12-13. Co-captains Gary Cross, at guard, and Dale Faulk, at forward, lead a team that will have good overall height and good ball handling. Freshmen Greg Headen from Liberty, N. C., a 6'5" center, will have a lot to do with how strong the Tornados will be. Coach Martin commented "If Headen comes through for us we will have a good year." Joe Kagef 6'4" forward will team with the 6'4" Faulk to give the Tornados a tall front court.

Bill Connell expects his Wingate team to be weaker than last year's team due to inexperience. However, the Bulldogs have a 6'9" Boyce Spicer, another sophomore starter from the 1967-68 season will help give the Bulldog a tall front line. Coach Connell always has a well disciplined club and, although, he has the crying towel out, his team is always a tough one to beat.

The host Hurricanes of Coach Enid Drake have won two games thus far in the young season beating Southeastern 94-87 and Southwood 67-52. The 'Canes have good over-all height and excellent speed. Coach Drake expects his team to be quite strong defensively with defensive stars Larry Paschall from Youngsville; Bob Walker from West Edgecombe; George Bowden, Nash Central; and Sandy Frazier, from Northern Nash. In two games thus far Dick Driver, 6'7" center and Terry Davis, 6'4" forward, have led the 'Canes scoring and rebounding. Driver has scored 42 points and pulled

down 27 rebounds while Davis has scored 28 points and grabbed 29 rebounds. Paschall has scored 32 points and Walker 21 points in the two games.

Starting guards for the 'Canes are Walker and Paschall and they are backed up by the very capable play of Bowden. Driver, a much improved player over last year, starts at center and he is backed up by 6'7" Mike Lynch and 6'6" Louis Ripley. Davis and Frazier start at forward, backed up by 6'2" John Lewis; 6'5" John Kinlaw, and 6'3" Mark Wilson.

The Hurricanes have not won the tournament championship in previous years but Coach Drake stepped out on a limb this year and stated that he thinks this is the year. Tip-off time Friday night is 7:00 p.m. Sandhills plays Brevard in the opener and Wingate takes on Louisburg in the 8:45 second game. At 7:00 p.m. Saturday night the first round losers will play and the championship game will follow at approximately 8:45.

'Canes Win Homecoming Game

The Louisburg College Hurricanes triumphed over a stubborn Southwood five Saturday night by a score of 67-52. The game was played before a Homecoming crowd of 1,200 spectators, enlarged by a throng of people from Youngsville, who came to see two of their favorites, Larry Paschall of Louisburg and E. J. Wilder of Southwood, perform.

The game was close all the way. Louisburg led 26-25 at halftime. With 13 minutes to go in the game the 'Canes had stretched that lead to 44-31 only to see the Rams come back to within one point 48-47 with 7 minutes remaining. With 4 minutes to go it was 53-49 Louisburg when two foul shots by George Bowden, a field goal by Bob Walker, and a foul shot by Terry Davis and a field goal by Bowden put it out of reach for the Rams at 60-49 with 2:11 left to play.

The first half as marked by poor shooting and overall tense play by both teams. Wilder scored well for South-

wood ending the half with 15 points. The match between Paschall and Wilder materialized in the second half when Larry guarded E. J. until he fouled out with eight minutes to play. Wilder managed one field goal against his former teammate during that twelve minute period. In the last 8 minutes Wilder added two more foul goals to round out his 21 total.

Dick Driver had 17 points and 11 rebounds to lead the Hurricanes. Davis pumped in 16 points, 11 in the second half, and grabbed 19 rebounds. Bowden scored 10 points, all in the second half. In addition to Wilder's 21 points Mickey Hodges scored 10 points for the Rams. Hodges and Gary Van Camp each grabbed nine rebounds for the visitors.

Shooting percentages for the game were practically even with 37% for Southwood and 34% for Louisburg. From the foul line the Rams hit only 8 for 21 while the Hurricanes converted 17 of 24 chances. In team rebound-

ing Louisburg grabbed 46 to Southwoods' 27.

Defensively Coach Drake felt his team played better than their opponents with Sandy Frazier, Bowden, Driver, Walker, and Paschall all turning in good performances. When asked for a comment Drake said, "Our shooting was very poor but the players continued to hustle and play tough on defense and with Driver and Davis controlling the boards we were able to overcome our inability to score. When Paschall fouled out I felt that Walker and Bowden did a good job of directing our team."

The 'Canes play another game in Holton Gym tonight against the high scoring Cougars from Chesapeake Junior College. The Cougars are 3-1 for the season and have scored over 100 points in three winning efforts against College of the Albemarle, Chowan and Southwood. (They beat Southwood 108-84.) In their only loss, 85-88, to Mount Olive, they

Your first thought is that Chevy is a good looking pickup...

1/2-ton Fleetside pickup

Here are some second thoughts:

work truck

We could add hobby hauler to the list. Chevy trucks are great for rock hounding. Collecting antiques. Etcetera.

The point is: They're as versatile as anything on the road. Or off. Especially, four-wheel drive versions. They go anywhere.

playmate

Wherever you go, you go in style. Sleek front end features a new aluminum grille. In back, there's a new 8 1/2-ft. box on some models. Great for big campers.

Great under the hood, too. Six or V8. Standard on V8 models is a big 307 cubic-incher.

second car

Under the rugged chassis, coil springs take care of bumps. Inside, thick foam seats take care of you.

There's a lot more. And more you can order. Like: power steering and air conditioning. See your Chevrolet dealer for all the facts and the good word on low price.
