Pattersons Have New Year Party

Youngsville - To ring out the old and ring in the new, guests at the B. H. Patterson home on New Year's Eve were presented noisemakers by their host and hostess as they entertained friends at a holiday party.

At midnight, New Year's greetings were extended to the sound of horns and whistles. Holiday decorations of gold and green provided a festive setting for the occasion. Swags of gold beads draped the mantle which featured green and gold candles in gold candelabra enhanced with cherubs. The golden Christmas tree was trimmed with satin ornaments of matching shades. Complimentary arrangements were used in both living rooms.

The buffet menu included hot rolls with chicken salad, sausage twirls, meat balls in hot sauce, cheeses, fruit cake and other tempting foods. The serving table was covered with a sheer green cloth draped with gold bows. Perched atop an ornamental globe on the table was the traditional New year's Baby. Decorations in the dining room continued the chosen motif.

There were approximately fifty guests in attendance to see the new year in.
