

# 'Canes Down Wingate, Lose To Brevard, State Frosh

Louisburg downed a stubborn Wingate Bulldog five in the first game of the Brevard doubleheaders Friday night by a score of 69-59. The halftime score was 34-30 Louisburg.

The first half was close with the 'Canes leading most of the time by a margin of one to four points. The 'Canes hit 15 of 30 attempts from the floor for the half, but could not shake the Bulldogs

who dropped in 10 of 31 along with 10 of 12 from the foul line.

The 'Canes built their lead steadily in the second half and led by eleven with 10:40 to go. The lead went as much as 13 at 5:42 with 8:57 to play before a seven point spurt by Wingate made the score 55-49 with 7:10 to go. Dick Driver and John Lewis hit consecutive field goals for the 'Canes to push their lead to ten at 59-49. The two teams matched baskets the rest of the way.

Larry Paschall, hitting on 5 of 8 first half field goal attempts led the Hurricanes scoring with 15 points. Terry Davis had 13 and George Bowden 11. Driver and Bob Walker had 9 points each. Coach Drake made liberal use of his bench and ten players shared in the scoring.

Love is a great thing. If you don't think so look at some of the combinations that approach you on the streets.

For Wingate Rich Carpenter was high man with 23 points. Boyce Spicer had 14 and Jerry Thomas 11.

On Saturday night the Hurricanes rap into a Brevard team that was fired up, due to a previous one point loss to the 'Canes at Louisburg, and the result was an 82-64 defeat for the 'Canes. The 'Canes were plagued by turnovers, 32 for the game, as the fine Brevard team played very aggressively on defense.

Brevard roared to a 37-25 halftime lead as they blistered the nets at a 51 clip. Early in the second half Louisburg was able to keep the deficit from growing but could not keep up the pace and were down by twenty with ten minutes to go.

Bob Walker scored 10 points to top the 'Canes scorers. Paschall had nine points and John Lewis 8. Greg Headen and Joe Kagel shared honors for Brevard with 21 points each.

The win ran Brevard's record to 8-3 and Louisburg is now 9-3 for the season.

N. C. State Freshmen defeated Louisburg 89-59 last night in Holton Gym. The halftime score was 31-25 in favor of State but the shooting of Paul Coder, 18 points in the second half, and the rebounding of Coder and Rinaldo Louisa proved too much for the smaller Hurricanes.

Louisa 6'8" forward converted 6 offensive rebounds into baskets, two of them three point baskets in route to a 20 point production. Coder made an attempted, second half, comeback by the 'Canes insurmountable task by sinking 18 of his 27 points in the second half. He scored 14 points in the last 8 minutes after the 'Canes center Dick Driver left the game with fouls.

Larry Paschall led the 'Canes offensive with 22 points as he hit on 9 of 18 attempts from the floor and four of five from the foul line. Terry Davis chipped in with 10 points but the 'Canes had a cold hand as they could hit only 23 of 69 attempts

for 33% accuracy from the floor.

The 'Canes are now 9-4 for the season. They travel to Chesapeake, Va. for a game with the Cougars on Wednesday night. Next Monday the 'Canes will be at home for a conference game with the Dolphins from College of the Albemarle.

## Report On Bibby At UCLA

### Editor's Note:

The following article written by Caulton Tudor in Prep Scene, a regular sports feature of The Raleigh Times, was published last Saturday. It tells of Henry Bibby, outstanding basketball player at B. F. Person-Albion High School at Franklinton.

Henry Bibby finds himself at UCLA this winter averaging 26.2 frosh points per game rather than somewhere within the Atlantic Coast Conference.

Which is not all that surprising. While at Pearson High in Franklinton, Henry hit the books right hard and finished his prep academic work with

slightly over a B average. He also found time to participate in all campus athletics and various other school functions.

When Scholastic Aptitude Test time rolled around, Bibby came up with just under the magic ACC 800 requirement for an athletic grant-in-aid.

Bibby went west, old men, and immediately zipped out an A, B, and three Cs in his first quarter's work at UCLA - which isn't actually an academic pushover.

"Henry was a devoted kid in high school", starts the contribution of his high school coach, James Foster.

"He is the type of boy that only has to be shown something one or two times to completely catch on."

Maybe in small, probably over-crowded, and likely under-manned Pearson, Bibby didn't receive all the opportunities to be shown certain scholastic principals that would be in his favor while taking the SAT.

"I saw him at home over the Christmas holidays," continues Foster. "He spent the entire break either practicing basketball in his old gym or working on an English term paper."

"He told me that if hard work and studying had anything to do with success, then he'd make it."

"Teaching, coaching, and pro basketball all loom in his future plans, now. He'll be able to do either of three well."

It could be that the 800 rule is growing senile in its old-age.

The Bruins saw fit to give only two basketball scholarships last year. Which was a very, very intelligent move. Four-high school All-Americans.

### Old Story Revised

Prodigal Son (just back)-Father, aren't you going to kill the fatted calf?

Father (looking the fathead over)-No, I'll let you live, but I'm going to give you some work that'll take the fat off you.

### Where He Was

Motorist - It's not my fault. He was crossing in the middle of the block.

Policeman - Don't tell me that. He's lying right here at the street intersection.

Motorist - Well, he was in the middle of the block when I hit him.

## Defensive Specialists Spark Hurricanes

Louisburg College basketball during the first semester of the 1968-69 season has produced the best results seen on the college campus in the past five years. The record reads eight wins and one loss with a 3-0 conference record. Opponents have found the Hurricanes a stingy crew that gives up points begrudgingly as they use a variety of defensive measures to hold their opposition at bay. Only three times in nine games have the 'Canes allowed as many as 80 points in a game, one a 94-87 opening victory over Southeastern Community College; a second in a 113-83 romp over Chesapeake College; and the third in a 103-81 return engagement with Southeastern. Often they have held their opponents far below their scoring average for the season.

The 'Canes have several players who have shared in this defensive assault. George Bowden, Larry Paschall, and John Lewis put on a dazzling display of thievery and forced ball handling errors in a game at Chowan. The result, an 83-77 win over the Braves who are averaging 94 points

per game for the season. Paschall, Bowden, Bob Walker and Sandy Frazier made life miserable for Southwood's Rams holding them to 52 points, 22 under their season's average. Wingate's Bulldogs, averaging 79 points per game on the year, managed 59 against the 'Canes as John Kinlaw joined with Paschall, Walker and Lewis in a second half assault that sent the Bulldogs reeling.

Add to this Mt. Olive's 75 points as opposed to a season's average of 88 points per game; Chesapeake 83 as compared to their 98 point average per game; and Brevard 67, seven off their pace of 74 per game and its safe to conclude that the 'Canes are playing for keeps this year.

Dick Driver and Terry Davis have added cohesion to the 'Canes defensive play with their ability to grab the ball off the boards, clog up the middle and intercept errant passes. Davis has leaped to block numerous shot attempts and his quickness has led to many turnovers for opponents when he has been called upon to put the pressure on an opponent away

from the vital scoring area. Singling out individual efforts, Frazier held Southwood's Gary Van Camp - 17 point average - to seven points, and the 6'3" product from Northern Nash came off the bench to hold Dennis Pierce, Mt. Olive's ace with a 28 point per game average to only four points during the middle half of the game. Paschall held Billy Lee, another Mt. Olive bomber with a 22 point per game average, to 7 points until late in the game when the outcome was no longer in doubt.

Paschall, Bowden, Walker, Frazier and Lewis get as much enjoyment out of stealing the ball from an opponent as most players get out of stuffing it in the hoop and it all adds up to an exciting team to the partitions and a frustrating experience for the opponents.
