

**We care**

**still skeptical about A&P brand canned vegetables?**

Incredible!  
They're all Grade "A", you know, and labeled so.  
Bet you don't know another brand that is.  
Grade "A"... that's the best. You can't buy better.  
You're still not sure?  
Tell you what...  
this week, buy a can of A&P Whole Small Green Beans.  
Picked at a precise tender age, they are simply delicious.  
You think this is just advertising talk?  
Try them.  
You'll get your money back if you don't think they're the best you ever tasted.  
Is this a good reason for shopping A&P? It's one of many.

P.S. If you're not a string bean lover, pick any A&P Brand Canned Vegetable. As we said, they're all Grade "A"... all absolutely, unconditionally guaranteed.
