

It may be dangerous to have a great amount of money, but we have decided, if the occasion presents itself, we will be brave and risk it.

**SUPERVISOR Storage Facility**  
We are seeking a qualified individual to assume responsibility for one of our smaller bulk storage and distribution facilities. Duties will involve the mechanized loading, unloading, and storage of bulk salt products.

Some basic mechanical aptitude is required. Familiarity with conveyor equipment and front end loaders is helpful, but not necessary. Salary is open, depending upon background and qualifications. Applicants should be high school graduates or possess the equivalent.

Local interviews can be arranged for qualified applicants by visiting the Henderson office of the North Carolina Employment Security Commission. Interviews will be held on Monday, 3/3, and Tuesday, 3/4.

## In Service

Norfolk, Va. (FHTNC)  
Feb. 14 - Navy Lieutenant Commander James W. Egerton, son of Mr. Weldon D. Egerton of 104 E. Noble St., Louisburg, N. C. and husband of the former Miss Helen M. Rugland of 124 River Drive, Appleton, Wis., is attending the 45th class of the Armed Forces Staff College at Norfolk, Va.

Operated under the supervision and control of the Joint Chiefs of Staff, the college conducts two five-month courses a year for students from all military services including some allied officers and civilian officials from U. S. government agencies.

The curriculum focuses on problems of national security and national and international affairs. Beginning with an intensive orientation program devoted to each military department, students later take field trips aboard Navy ships, and to Army, Air Force, and Marine Corps exercises - all aimed at broadening their appreciation for joint-service teamwork.

Thanks

I would like to express my sincere thanks and appreciation to Dr. Tommie Wheelless and the nurses on third floor at Franklin Memorial Hospital, my friends and neighbors and especially my Sunday School Class, for the lovely flowers, cards and your visits and prayers while I was a patient in the hospital. Each deed of kindness will always be remembered.

Introducing  
**Wearathon™**  
A NEW  
INDOOR OUTDOOR  
CARPET BY

Armstrong

This one really works! Armstrong Wearathon Indoor/Outdoor Carpet is more durable than many outdoor carpets because it gives you a thicker wearing surface of virgin polypropylene olefin fibers. It's stain resistant, too; won't rot or mildew; fade-resistant colors for outdoor use; a breeze to care for. Widths up to 15' give you a seamless installation in most areas of your home. And you can install Wearathon yourself; lay it loose with no adhesive, or install it with double-face tape. Wearathon lies flat; no buckling, no curling.
