

DICK GRUBAR

Grubar, Clark, Bunting, Tuttle, Brown Play Here Wednesday

Five of the University of North Carolina basketball players, who led the Tarheels to number four position in the country this year, will appear at Louisburg High School Wednesday night.

Dick Grubar, Rusty Clark, Bill Bunting, Gerald Tuttle and Joe Brown will take on an All-Star squad made up of Franklin County coaches and assorted former cagers.

Game time is 8 P.M. in the Paul Elam Gym at Louisburg and all proceeds will go to the Louisburg High School Athletic Department. The Carolina five will be available for autographs and pictures of the stars will be on sale, according to Louisburg Coach Tommy Twitty who is in charge of the event. Tickets will be on sale at the door.

LJC Golfers Win Two

The Louisburg College golf team beat COA Friday and then Mt. Olive 307-370 Monday to push their record to 6-1 with an important conference match coming up Thursday against Chowan.

These two wins up Louisburg's record in the conference to 5-0, and adds 2 more wins to an 11 match streak for conference wins over a 2 year period.

Against COA, the 'Canes beat them 319-372 with Leadbetter and Stamper pacing the team. Dwight scored 76(37-39) with Stamper came in with a 77(38-39) followed by Radford's 82 and Rick Green's 84.

In the first home match for the team, Green and Klingel led the way with 76's followed by Radford's 77 and Leadbetter's 78. It seems that this team is so balanced that when one or two of the top golfers soar to high scores, the others offset it by playing good. Klingel had trouble on the last four holes of play but held on for his 76. Rick Green played consistently shooting 38-38. Pat Radford

recorded another good score with his 77 to really boost his confidence. Dwight Leadbetter had an off-day but shot a 78 to round out Louisburg's top four. Billy Lee paced the Mt. Olive team with a 83(41-41). This is very good for the star of the basketball team who also plays a very good game of golf considering he has been playing less than 1 year.

Praise really should be sent out to Green Hills Country Club and everyone associated with it for the fine job they do in getting the course in shape for the matches. Louisburg has an atmosphere about it that makes everyone enjoy what he is doing, and the help that is given the golf team, as well as everyone associated with the college, certainly deserves praise.
