Guess Who The Boss Is At Your A&P

It's you!

Think about it. It makes sense.

All of us from the President on down work for you.

Frankly, where would we be without you and the many people like you?

We know. We'd still be in that little store on Vesey Street where we started more than 100 years ago.

That's why you're important. That's why we care so much about how we serve you . . .

about being fair, honest and dependable.

Is this kind of attitude a good reason for shopping A&P?

It's one of many.
