

Xi Chapter To Divide Membership By 1970

"Design for Action" was the topic of the program presented by Mrs. Margaret Holmes of Louisburg at the luncheon meeting of Xi Chapter of Delta Kappa Gamma Saturday at the Henderson Country Club.

This design of action presented a plan for expansion of Xi Chapter which presently has a hundred and two members. Mrs. Holmes, discussion leader for the Expansion Committee, gave reasons for expanding Xi Chapter, stated ways this could be accomplished by constitution and presented the committee's recommendation for discussion. This recommendation was that Xi Chapter divide into two chapters - one comprising Vance and Warren Counties and remaining Xi Chapter while the second or new chapter would be composed of Franklin and Granville counties. This plan received an affirmative vote of the group and the division and reorganizational plans are to be completed by May, 1970.

Mrs. Holmes told the members what had been done on a state and local level to encourage Delta Kappa Gamma Chapters to stay small enough to be able to take more key teachers into the honor society.

Mrs. Christie Holland of Henderson, president, presided. Committee reports were heard and discussion of and voting for new members

were held. Mrs. Sybil Leggett and Vance County members were hostesses.

Attending from Franklin County were: Franklinton - Mesdames J. O. Green, B. W. Honeycutt, C. Ray Pruette, T. N. Stephens, H. H. Utley; Youngsville - Mrs. J. T. Allen and Miss Beatrice Hill; Louisburg - Mesdames Gladys Bailey, H. T. Bartholomew, S. Allen deHart, C. B. Holmes, W. A. Wilder, and Misses Martha Yarborough, Gertrude Winston, and Elizabeth Johnson.

Thanks

I want to thank everyone for being so nice and kind to me, while I was a patient in Franklin Memorial Hospital, especially to Dr. T. O. Whelless and all the nurses. Hope in some way that I may help some one and in the same way as they helped me. Thank you everyone and may God bless you.

A woman was telling her doctor about her husband's delusion. "He thinks he's a steam radiator and he sits under the living room window all the time."

"You bring him in tomorrow and I'll cure him of that in no time."

"No, no, doctor, we need the heat," replied the wife: "just take the pounding out of him."

"Well," said the doctor,

In Fashion

Little boleros or weskits are quite the thing this season. A weskit of color or black which comes just below the waist over a blouse and pants or over a blouse and pleated skirt is smart. Shorter boleros with beading or chain decorations have a Mexican air.

The very bare body spaces that are seen in many of the fashion magazines and put there to attract attention rather than with the expectation of such a style being worn by the average respectable woman.

Hair continues to be straight and long for teenagers although some of them have gone in for curls.

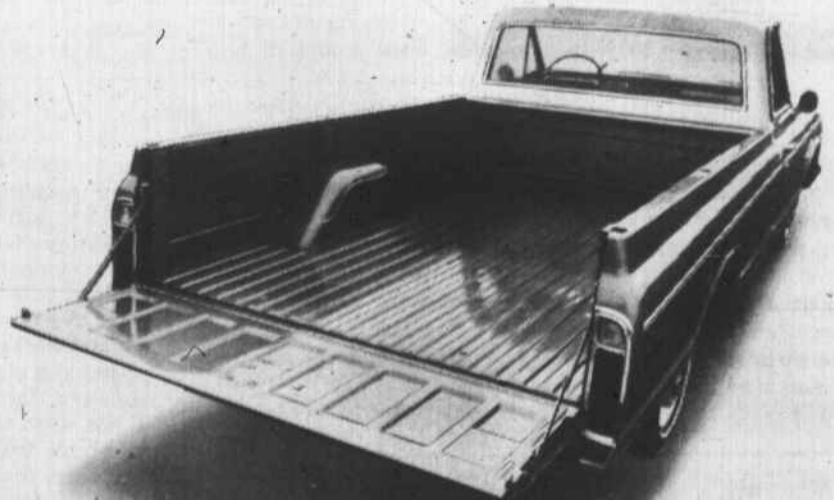

With long hair and a linen outfit of this kind a man would, no doubt, cause raised eyebrows should he appear with a short-haired girl with a mannish pants suit.
