Passengers

"All this talk about back seat drivers is bunk. I've driven a car for ten years and I've never had a word from behind."

"What sort of a car?"

"A hearse."

Wrong Question

Father - Now, son, tell me why I punished you.
Son - That does it. First you pound-the-life out of me and now you don't know why you did it?

Farm Women Of Franklin County

You Are Cordially Invited To Attend A Meeting At The Court House In Louisburg

FRIDAY NIGHT, MAY 9, 1969 At 8:00 p.m.

This Meeting Will Be Sponsored By The Franklin County Farm Bureau.

REFRESHMENTS WILL BE SERVED AND THERE WILL BE DOOR PRIZES.

It's a simple life with an electric dishwasher.

Simply wonderful.

Five minutes. That's all the time you'll spend loading an electric dishwasher. No pre-rinse. No scrub. Just load it and you're free to do other things—like spending more time with the family and managing a busy household.

Nice thing about dishwashers. They get dishes cleaner than hands can. Steamy hot water rinses. Electric heat dries. Everything comes out sparkling clean.

The electric dishwasher. Simply Wonderful! At your electric appliance store.

P. S.: It's a fact. The average price of today's feature-packed electric dishwasher is 14% less than 10 years ago. And it takes less than a penny's worth of electricity to wash a load.
