what's in a name?

Our full name is "The Great Atlantic & Pacific Tea Company." But, to most, we're "A&P" for short.

And some friends like to call us "The Tea Company."

Why? Well, in 1859, when A&P began, our first product was tea.

We bought full shiploads from the Orient and sold it at great savings to the public.

You learn a lot about tea in more than 100 years.

Today, you can savor the results of all that experience by tasting one of A&P's fine tea products: Our Own Tea Bags, for example.

Each bag contains up to 15 of the world's finest teas, from as many as 5 different countries.

It can take that many to develop our distinct blend.

So now you know why, by some, we're called "The Tea Company."

If you'd like to know why we're called "Great," shop A&P this week.
