Mr. Grad Speaks To FHS PTA

(Frk. B.W.) Mr. Carl Grad, principal of Franklinton High School, was the featured speaker at the meeting of the local Parent-Teachers Association Tuesday evening in the school auditorium.

Introduced by Mrs. R. C. Whitfield, program chairman, Mr. Grad spoke about Innovations in the high school. He referred to the plant as a new school because of the many changes. Classrooms have been moved in order to have a new atmosphere.

The high school is now comprised of grades six through twelve. Even the sixth, seventh and eighth graders change classes just like the high school students. Signs in the hall indicate the need for a pass in order to go through the halls during a class period. Students, who do not abide by the rules and regulations, are sent to Detention Hall. Mr. Grad remarked that the rules might be rigid but they work. The students have responded to the changes made at Franklinton High.

"The meals in the cafeteria have improved," remarked the principal. In closing, Mr. Grad stressed the fact that he was having less problems than he had as a teacher last year.

Mr. Howard Boling, president, presided over the meeting which opened with the praying of The Lord's Prayer.

The membership approved three meeting of the PTA during the year with meetings in September, November and April.

Mr. Boling announced that the PTA would sponsor the Halloween Carnival. Mrs. George Kearney and Mrs. Lena Daniels will serve as co-chairmen.
