THREE REASONS

Why CML Is Known As The 'Blue Chip' Company

LOW COST—The Company's exceptionally high earnings on investments result in high policy dividends and notably low net cost to policyholders.

FINANCIAL STRENGTH—CML's policies are backed by more than \$2 billion of assets.

POLICYHOLDER CONFIDENCE—about 40% of the new life insurance issued annually by CML is bought by policyholders who come back for more. Insurance in force now exceeds \$8 billion.

There are many more reasons. Call me to discuss your life insurance needs—you'll see what we mean!
