Worker Protection

NEW YORK—Most American workers today are covered by workmen's compensation insurance, notes the Insurance Information Institute. Employers in 1968 paid \$2.875 billion in premiums for this protection, designed to provide for the cost of medical care and weekly payments to injured employees or to dependents of persons killed in work-connected accidents.

13 LHS Students Installed In Beta Club

Thirteen Louisburg High School sophomores, juniors, and seniors were inducted into Beta Club in a ten-thirty o'clock ceremony Wednesday morning, November 12, in the school auditorium. Mrs. Jewel C. Bartholomew, faculty advisor of the scholastic honor society, installed the honorees, before an assembly of high school students and guests.

Cassandra Versteeg presided. Retiring president Carolyn Chadwick presented a devotional meditation concentric to the organization's motto: "Let us lead by serving others." Mrs. Bartholomew annotated the purpose and history of the National Beta Club.

In a candle-lighting ceremony, 1969-1970 officers publicly pledged active support to the leadership-service organization. Representing the membership, Anne Strickland declared cooperation and loyalty. Heading the Beta Club are Cassandra Versteeg, president; Charlie Hobbgood, vice-president; and Carolyn Chadwick, treasurer.

Vows were repeated by Jane Burrell, Patricia Freeman, Sally Griffin, Meredith Jones, Robin Kerley, Nancy Lohmueller, Gregory May, Henry Mitchell, Stella Shelton, Cynthia Shillinglaw, Jacqueline Smith, Marilyn Smith, and Maurice York. Each initiate received the National Beta Club certificate of membership and the pin insignia. Debra Burnette will be officially inducted into the organization in a private service later.

To be eligible for initiation

in the educational organization which claims a constituency of 96,191 academic achievers in twenty-one states, a student must maintain for three semesters a scholastic average of at least 90 and a conduct grade not lower than A-. His attributes should include honorable character, good mentality, creditable achievement, and commendable attitude. He must be approved by the school administrator and by the Beta Club committee. The local chapter's committee include Principal Thomas A. Riggan and two faculty members, Mrs. Jeannette Arnold and Mrs. Marjorie Leonard.

LHS senior Charlie Hobbgood is 1969-1970 president of the Franklin County Beta Club, of which Mrs. Jewel Bartholomew is sponsor.

Backfire

NEW YORK—The Insurance Information Institute notes that the destructive potential of fireworks is sharply reflected by a Fourth of July conflagration in Portland, Me. in 1866 which destroyed 1,500 buildings and caused \$10 million damage. The fire was started by a carelessly tossed firecracker.

Insurance Competition
NEW YORK—More than 5,000 companies sell some or all forms of property and liability insurance, such as fire and automobile insurance, reports the Insurance Information Institute. The majority of such insurance, however, is provided by about 900 companies which operate in all or most states.
