It is Absurd

For people to expect a cure for Indigestion, unless they refrain from eating what is unwholesome; but if anything will sharpen the appetite and give tone to the digestive organs, it is Ayer's Sarsaparilla. Thousands all over the land estify to the merits of this medicine. Mrs. Sarah Burroughs, of 248 Eighth street, South Boston, writes: "My hus-

band has taken Ayer's Sarsaparilla, for Dyspepsia and torpid liver, and has been greatly benefited." A Confirmed Dyspeptic.

C. Canterbury, of 141 Franklin st.,

Boston, Mass., writes, that, suffering for years from Indigestion, he was at last induced to try Ayer's Sarsaparilla and, by its use, was entirely cured. Mrs. Joseph Aubin, of High street, Holyoke, Mass., suffered for over a year from Dyspensia, so that she could not eat substantial food, became very weak, and was unable to care for her family. Neither the medicines prescribed by physicians, nor any of the remedies advertised for the cure of Dyspersia, helped her, until she commenced the use of Ayer's Sarsaparilla. "Three bottles of this medicine," she writes,
