In speaking to one of the amendments Mr. Buchanan, of New Jersey, branched off to the subject of the tariff, and read a memorial addressed to the committee on ways and means

signed by the workingmen and wotry that they note with alarm that a train. bill has been presented to that committee which will greatly reduce the duty on pottery and lead to a ruinous

reduction of their wages. The House insisted on retaining the clause appropriating a hundred

thousand dollars for the purpose of lengthening the dry-dock at the Traffic Manager White and General Brooklyn Navy Yard, and Messrs. Burnes, Sayes and McComas were appointed conferees.

Half a dozen bills of a private character were passed. The House then at 5 o'clock took a receess until 7.30, the evening session being for the consideration of pension bills.
