A Woman's Discovery, "Another wonderful discovery has een made and that too by a lady in this county. Disease fastemed its clutches upon her and for seven years she with-stood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking the first cose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.-Get a free trial bottle at Lee, Johnson & Co.'s Drug Store.

ADVICE TO MOTHERS. Mrs. Winslow's Sootnin Syrup should talwas be used when children are cutting teeth. It relieves the little sufferer atjonce, it produces natural, quiet sleep by relieving the children from pate, and the little cherub awakes as "bright as a button." It is very pleasant, to taste; soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for charges, whether riving from teet.
