

This powder never varies. A marvel sf purity, strength and wholesomeness.
More economical than ordinary kinds and samest be sold in competition with the multitude of low test, short weight, alum or phosphate powders, sold only in sans. ROYAL BAKING POWDER Co., 106 Wall Street, New York.
Sold by W. C. & A. B. Stronach, and J R Ferrall & Co.

DARBYS Prophylactic Fluid.

Use it in every Sick-room for Safety, Cleanliness and Comfort.

It will purify the air and render it wholesome. The removal of the effluvia which are always given off in the sick-room promotes the recovery of the patient and the safety and comfort of the physician and attendant. Persons waiting on the sick should use it freely. Water in which the sick are bathed should contain a small quantity of the Fluid—it will render the skin soft and pleasant, allay itching, preyent bed sores, scars, etc., removing all heat and irritation tegether with any unhealthy or offensive emanations from the body.

Vanderbilt University, Tenn. As a disinfectant and detergent Darbys Prophylactic Fluid is su-perior to any proparation with which I am acquainted.—H. T. LUPTON, Professor of Chemistry.

IN GENERAL ASSEMBLY AT BALTIMORE.

BE HI YEY SMITH, OF NORTH CAROLS WOODROW CONTINUED

BALTIMORE, M. D., May 25 .- The General assembly of the Southern l'resbyterian church resembled at three o'clock this afternoon Rev. Dr. records of the synod of North ('arolina as properly kept and adopted. Pending the case the complaint of Assembly on the part of the Synod. He said he had no personal feeling in the matter, but his object to ascer-tain the truth. He rehearsed Woodrow, of adopting the evolution theory, quoting from the speech mation of the body, of Adam in asserting that the body of man was derived from the lower animals. If that come by birth. The record showed bath The Synod of Georgia had voted gainst the action of the Presbytery Atlanta. The Synod of Georgia acted upon the record, and the General Assembly in voting on this case must be governed in this case by the record. Dr. Woodrow said evolution That was evolution, and Darwin and its champions, could not have said more. The point at issue is whether his assertions are countenanced by the standards of the church.

Lee S. Overman, of Rowan, for Attorney General,

Cor. of the News and Observer. The County Convention of Buncombe has done some notable things: It instructed for Mr. Stedman, for might have been expected because of the fact that Ashville is the home of one of Mr. Stedman's close relations, who is an earnest and very intetligent worker, and a most estimable gentle-

Buncombe also instructed for the present Attorney General, one of its own honored citizens. This too was very natural. But what is specially peculiar, it in-

ON THE SHOETER CATECHISM, AC. AT THE PRESUVTERIAN CHURCH

The President, who looked about the same as when here at the Constitutional celebration, was attired in black and spoke with much feeling and in a voice that was easily heard by every one. He said:

I am very much gratified by the opportunity here afforded me to meet the representatives of the Presbyterian Church.

Surely a man never should J. Henry Smith of North Carolina in lose his interest in the welfare the chair. A report was made on the of the church in which he was reared, and yet I will not find fault with any of you who deeme it a sail confession made when I acknowledged Rev. Dr. Woodrow against the Synod | that I must recall the days now long of Georgia was resumed. Rev. Dr. past to find my closest relations to Strickler, of Georgia, addressed the the grand and noble denomination which you represent. I say this because those of us who inherit fealty to our church as I did begin early to learn those things which make us charge first brought against Presbyterians all the days of our lives; and thus it is that the rigors of out early teaching by which we are grounded in our lasting allegiances are especially vivid and perhaps the best remembered. The attendance upon church service three times was the case, it could only have so each Sunday and upon Sabschool during the noon that Dr. Woodrow argued or asserted intermission may be irksome that Adam was of animal ancestry enough to a boy of ten or twelve years of age to be well fixed in his memory; but I have never known a man who regretted these things in the years of his maturity. The Shorter Catechism, though thoroughly stud ied and learned, was not, perhaps, at the time perfectly understood, and yet in the stern labors and duties of was probably true, and all the evidence before him bore out that idea. ster life those are not apt to be the worst citizens who were early taught 'What is the chief end of man?

Speading of these things, and in the presence of those here assembled. the most tender thoughts crowd upon my mind-all connected with Presbyterianism and its teachings. There are present with me now memories of a kind and affectionate father, consecrated to the cause, and called to his rest and his reward in the midday of his usefulness; a sacred recollection men whose toil lies at the foundation go to work to secure a victory for the Her name is Mrs. Luther Lutz. > I am here to greet the delegates of the two general assemblies of the Prosbyterian Church. One is called "North" and the other "South." The subject is too deep and intricate for me, but I cannot help wondering why this should be. These words, so far as they denote separation and estrangement, should be obsolete. In the counsels of the nation and in the ism. Even the soldiers who fought for the North and for the South are restored to fraternity and unity. This tion. fraternity and unity is taught and enjoined in our church. When shall she herself be united with all the added strength and usefulness that harmony

and union ensure? When the President spoke of the impression made upon him in boyhood by going to church three times on Sunday and learning the Shorter Catechism there was a very loud smile, but when a few minutes later he added that those were not the worst citizens who were early taught "the chief end of man," there were cries all over the assemblage of "Good! Good!

expressing my conviction as to the claim upon the schools of the State. reward merit and elevate him to the Art has, besides, other uses than to minister to the cultivated tastes. One of the great purposes to which it is being applied the world over in ten thousand ways is its application to ornament in industry. "There is no class of our people so deeply

system of education is good and great progress is being made, yet other sections of the country are using a system which, while it is called advanced education, fits a larger number at #2 earlier age to earn a livelihood and a more remunerative one than our ava-

tem does at present It is with just pride that we allude to Mr. Eugene G. Harrell, whose indefatigable efforts on the part of organized educational systems has done so much for the educational interest of the State. Now let every person in North Carolina engaged in art, no matter in what branch or how feeble the effort, attend or join the first Art Association ever organized in the South. Mr. Harrell has proposed this business of the country they no and success will attend it, but it is longer mean reproach and antagon the duty of press and people to give whatever aid is in their power towards establishing this Art Associa-

Strange Sensibility to Blue.

A prominent gentleman in a neighboring city is always made sick by the smell of watermelons. He can detect the odor if one is carried through his house two or three hours before he comes in When perceptible to no one else it makes him deadly sick. Speaking of this fact, the eugineer of train No. 358 on the Hudson River Railroad said: "I have had a peculiar experience in reference to poisonous substances. Poison ivy has never injured me, and no external poison that I have ever handled has done me harm except in one instance. I once wore a pair of blue overalls, and were them to go swimming. The blue color came off on my body and poisoned me. I was in such a condition that I had to be lifted from my bed on sheets. Since that time I cannot even put my hands in bluing water without unpleasant results. In cleaning my engine, if I take up any waste with blue threads in it I can tell at once from the suffering I experience that there are blue threads

in the bundle." Storekeeper and Gauger. R. Hennings has been appointed storekeeper and gauger at Mt. Airy,

Judge A. C. Avery was in town this week. We have watched with interest and pleasure the recommendations of divers and sundry Democratic county conventions in the State of this good man for Associate Justice of the Supreme Court. It seems to us that he has developed more strength than any name mentioned in that connection, we don't think there is any doubt about his nomination. The judiciary and especially the Supreme Court is the most important functionary in our body politic. It construes and expounds the law. Aside, therefore, from the legal and other requirements which Judge Avery posesses in an eminent degree, it is necessary that the duties of the high position be exercised by men of the purest character. While such men are upon the Bench justice and equity under the law will be administered McDowell is a unit for Avery for the Supreme Court Bench and we believe if nominated a large per cent of the Republicans of the county will cast

their votes for him .- Marion Bugle. ... The Republicans of Illinois are worried about a report put in circulation by the Democrats to the effect that "Private" Joe Fifer, the Republican nominee for Governor, is an infidel and thoroughly saturated with the notions and sentiments of Col-Robert G. Ingersoll. Dispatches are pouring into Bloomington, Fifer's home, from all parts of the State, inquiring as to the truth of the report. and it is said he will lose a large number of Republican votes unless a sat-

isfactory deniel is forthcoming. -The followers of the Mahdi threaten an attack on Massowah.

But Who's afraid of Chests!

New York Star The smartest thing in black underwear is the black night-dress-the effect is ghoulish Put a small women

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she with-

stood its severest tests, but her vital

organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's Ne x Discovery for Consumption first dose that she slept all night and with one bottle has been miraculously cured. write W. C. Hamrick & Co., of Shelby, N. C.-Get a free trial bottle at Lee Johnson & Co. 's Drug Store.
