A BLIZZARD.

HEAVY FALLS OF SNOW AT A NUMBER OF POINTS.

ACCUMULATED GENERALLY BY HEAVY WINDS WHICH FELL THE SNOW IN DRIFTS—OTHER NEWS.

By Telegraph to the News and Observer. CHICAGO, Dec. 27.—A gale which prevailed in this vicinity yesterday afternoon and up to midnight was very severe although it did little damage. It reached a velocity of forty six miles an hour at 10 p. m. and remained at that point until midnight, when it gradually subsided. The wind was accompanied by an occasional flurry of light snow. Quite a brisk snow-storm is in progress this morning. Dispatches from Iowa, Northern Illinois and Wisconsin indicate the prevalence of a severe storm. At Waverly, Iowa, at midnight a foot of snow had fallen and a fierce gale piled it into huge drifts. The railroads in that vicinity were badly blocked but the trains were still running. Mason City, Iowa, reports that from Emmetsburg to the Dakota line there is an average fall of one inch. Wausau and Eau Claire, Wis., report six inches fallen, which has gladdened the hearts of the loggers. From Sioux Falls, Dak., the first snow storm of the season, a heavy one, is reported, accompanied by a heavy wind which piles the snow high up. The railroads have not yet been seriously interfered with. ABOUT SPENT ITS FORCE. CHICAGO, Dec. 27.—Yesterday's blizzard seems to have about spent its force in the northwest. The Signal Service here reports that the storm centre passed here last night and is now proceeding eastward along the lower lakes. The fall of snow has ceased in the northwest and the weather is clearing. In some portions the wind continues strong with moderately low temperature.

ANOTHER DIFFICULTY.

AN OUTRAGE SUFFERED BY AN AMERICAN BRIG AT THE HANDS OF SPANISH OFFICERS.

By Telegraph to the News and Observer.

PHILADELPHIA, Dec. 27.—The brigantine Josefa, which arrived Tuesday at this port from Jamaica, brings news of an outrage suffered by that vessel at the hands of the Spanish government. While discharging cargo on her outward trip from New York at Arroyo, Porto Rico, the Spanish customs officials discovered that twenty packages of corn starch which were marked on the vessel's manifest were missing. After an extended search the goods could not be found and the vessel was seized by the Spanish authorities who held her until a fine of \$4,000 was paid, although the value of the goods in question did not exceed \$20. The master and crew were forced to suffer many indignities at the hands of the Governor of the island and the officials existing under his authority. The authorities offered to settle the matter if the captain of the vessel could satisfactorily explain the whereabouts of the missing packages. After the fine had been paid it was ascertained that the missing goods had been delivered by mistake on board the ship Josepha, which lay next to the Josefa in New York. An explanation was made to the Spanish authorities and the return of the fine was requested but was refused, and the vessel left Porto Rico to load cargo elsewhere for this city. The managing owner of the Josefa has filed a complaint against the Spanish government with Secretary Bayard and asked that his immediate attention be given to the matter. It will be urged that the warships Galena and Yantic be ordered to continue their cruise to Porto Rico and summarily secure redress for the imposition suffered by the Josefa.

A DESPERATE ROW.

ONE OF THE LEADERS SHOT DOWN BY AN OFFICER IN SELF DEFENCE.

Col. of the News and Observer.

MOUNT AIRY, Dec. 24, 1888. At a negro festival here Saturday night—about one o'clock—eight or ten negro men, among whom were some desperate characters, got into a fight in which razors, rocks, bedposts and palings were used freely. Chief of Police Thompson made his appearance about this time and attempted to arrest the leaders, whereupon one of them, George Dorse, made at him with an open razor, cutting into his coat three or four times, and when coming at him again Thompson shot him down. This quieted the row for a short while. It was then evident that the leaders were planning a more desperate game. Mayor Brown having been notified of the situation appeared promptly upon the scene and was not long in having the desperate characters arrested and locked up. At the first morning the leaders, Jordan Prenzell and Ed. Prenzell, were committed to jail. The case of Thompson was taken up and after thorough examination it was plainly shown that he was discharging his duty as an officer and did the shooting in self-defence, whereupon Mayor Brown dismissed the papers against him. THE STORY DENIED.

LONDON, Dec. 27.—The Secretary of the English East Africa Company denies the authenticity of the story from Zanzibar about an agreement between the Company and the Sultan and Arab slave-dealers. He says no such agreement has been made. He further says that the only action of Agent MacKenzie in regard to slaves has been to pay for the liberation of 1,400 slaves.

A Settlement Reached by Indian Scouts.

By Telegraph to the News and Observer.

St. Louis, Dec. 27.—A special from Puroell, Indian Territory, to the Post-Dispatch says: Indian scouts under Lieut. McComb have visited Oklahoma station and arrested all in that vicinity, compelling them to hitch up their wagons and take everything with them and go to the route's camp. The scouts disarmed the settlers and drove them like so many hogs. Many of those who were arrested were men who had been engaged in teaming for the government. Others had been railroad employees, who were temporarily without work and who had expected work soon. The people of Puroell are very indignant, supposing it to be a scheme to capture the town site. Some of those at the station have small houses built on runners. This is a new style of architecture, but it may possibly be very convenient where one has several masters.

State Evangelist Appointed.

The committee appointed by the late Presbyterian Synod of North Carolina met in this city yesterday, in the lecture room of the First Presbyterian Church at 3 p. m. and continued in session until a late hour last night. Hoge, Wilmington; Dr. E. W. McNeill, Fayetteville; Gen. Rufus Barringer, Charlotte. In the absence of the chairman, Rev. John W. Primrose, of Wilmington, Gov. Seales was elected chairman and Rev. P. H. Hoge, secretary. The committee was appointed to decide as to having a Synodical Evangelist, whose field should be the whole State of North Carolina. It was decided to have the Evangelist and a good many names were suggested. After full consideration the committee unanimously elected Rev. Geo. W. Finley, of Romney, West Virginia. Mr. Finley was formerly of North Carolina.

SLAVE-TRADE.

GOING ON BY AGREEMENT IN ZANZIBAR

AND EAST AFRICA—THE COMPLICATIONS IT HAS BROUGHT ABOUT—OTHER NEWS.

By Cable to the News and Observer.

LONDON, Dec. 27.—A Zanzibar dispatch says: It has been discovered that an agreement in relation to slave-dealing exists between the English East Africa company, the Sultan of Zanzibar and Arab slave-dealers of Manbaza. By this agreement the Arabs are authorized to carry on the trade in slaves and to flog or otherwise punish them. The company upon hiring slaves must make arrangements with the owners. The wages of slaves must be paid the owners. The English mission stations are obliged, under the agreement, to return runaway slaves to their owners. After the agreement had been signed the agents of the company, Mr. McKenzie and Gen. Matthews, accompanied by Manbaza Arabs went to Rabia church mission station and demanded the surrender of certain runaways who had taken refuge at the station. The missionaries refused to give them up. The company's agents, therefore, in order to avoid a collision, paid \$25 for each slave they were unable to return to the owners. The English Consul has issued a proclamation warning all British subjects in Zanzibar that they will be liable to seven years' imprisonment if they enter into contracts for slave labor. The British traders have made a united protest against the order. They say that the slave trade labor is the only kind of labor obtainable in Zanzibar and that if this is out of all work must be stopped. In view of this protest the Consul will suspend the enforcement of the proclamation pending investigation.

A Well-Deserved Censure.

Among the pleasant events of the Christmas-tide none were more so than happened at the R. & G. Shops on Christmas day. Mr. Joseph Butler, foreman of the machine shops, was notified unofficially that his presence was required at the reading room. Thither he repaired, only to be confronted by his fellow-workmen. Mr. Lewis Bicut, a machinist, promptly stepped forward on Mr. Butler's appearance, and in language both appropriate and feeling, presented his foreman with a gold-headed cane, appropriately engraved. To say that Joe's bald pate was bedusted with great beads of perspiration would be putting it mildly, but he recovered his breath and presence of mind sufficiently to say: FOLLOW-WORKMEN: I appreciate the fact that the intrinsic value, or the money value, of the gift is as nothing to the sentiment the gift carries with it. Coming as this does, on the day of gifts, I might accept it as a matter of form. Not so does it come to me, but as an indication that down deep beneath the upper current of our social and business relations there runs another that carries on it feelings of friendship and kindness that smooth the asperities and raspings of our official associations, and teach us that kind words "fall as honey from the lips," and that kind acts are as the dew that fall from Heaven, and that life is full of sweets when the fictitious coverings of our daily intercourse are torn off. Gentlemen, with all my heart I thank you for your gift, feeling that I little deserve it. But, in the future, my earnest endeavor shall be to show to you that your gift is not unappreciated.

The bride being yet in mourning on account of the recent death of her father, only relatives of the contracting parties were present. A wedding breakfast followed the ceremony, after which the young couple started on a bridal tour through the Northern States. They will make their home in Oswego. The bride is a daughter of the late Ed. Graham Haywood, of North Carolina, and a granddaughter of the late United States Senator William Haywood, and of the late Louis D. Henry, of the same State.
