GLORY ENOUGH.

McKinley Defeated by 244.
By Telegraph to the News and Observer.
CINCINNATI, Nov. 5.—The Times-Star has a special from Canton, O., dated 8:30 a. m., saying that the estimates made there for the 16th district show that Warwick, dem., is elected by 244. Later: There is little or no doubt of McKinley's defeat. The official count will, however, be necessary to satisfy the Republicans.

LATER.
A late dispatch from McKinley's district says: Late returns increase McKinley's gains, and show an approximate majority of 146 in the district.

Ex-President Cleveland.
By Telegraph to the News and Observer.
New York, Nov. 5.—To an Associated Press reporter, who asked for an expression of his opinion on the result of yesterday's election, Ex-President Cleveland said: "I am delighted and I challenge the right of any man in the country to rejoice more heartily than I over the results of yesterday. My gratification is that of an American proud of his fellow countrymen who though led away for the time by party prejudices and by blind confidence in cunning and selfish leaders could not be deluded to their ruin. They have demonstrated that in dealing with them it is not safe to calculate that they are stupid or heedless of the welfare of their countrymen. The necessity of tariff reform with its consequent reduction in the cost of living and the duty of the democratic party to advocate it has been fully demonstrated by the action of the people yesterday. Their decision has been deliberately made and it is all the more significant because they have voted upon their reason and judgment, and because they have proved that corruption is powerless as against their conviction. Of course there is nothing for the Democratic party to do but to push on the battle at all times and in all places on the lines which they have laid down; that is to insist upon a wise adjustment of tariff taxation to reasonable needs of the government, as opposed to the plan which enriches the favored class at the expense of the masses of the people. Until victory is won, the question of tariff reform will not be settled, nor the pledges and professions of the Democratic party to the people redeemed. Our party has made an honest and earnest fight. It has planted itself on disinterested and unselfish devotion to the interests of the people. Its absolute unity and harmony upon the question of tariff reform shows its quick recognition of true Democratic principles, and its enthusiasm in the cause which involves the popular welfare. Everywhere our people have done magnificently, and the harvest they have gathered has been nobly earned."

A Change for the Better.
By Telegraph to the News and Observer.
New York, Nov. 5.—Official returns from the Congressional districts of the State will not be known for some days. These, however, will make no change in the results as reported by the Associated Press last night unless Coombs, dem., be elected in Brooklyn.

The New York delegation in the 52d Congress, should Coombs be defeated, will consist of twenty Democrats and fourteen Republicans. This just reverses the position of the two parties as represented in the 51st Congress where the Republicans have twenty and the Democrats fourteen.

From 63 to 97 Majority in the Next House.
By Telegraph to the News and Observer.
New York, Nov. 5.—The Evening World estimates that the Democrats will have a majority in the next Congress between 63 and 97. The Mail and Express concedes a Democratic majority of "at least 50." The Evening Sun places the Democratic majority at "about 53."

Pattison's Majority 10,000.
By Telegraph to the News and Observer.
PHILADELPHIA, Nov. 5.—Revised figures from the various counties today, with some of them official, indicate that Pattison's plurality for Governor over Delameter will exceed 10,000. Waters and Stewart, reps, candidates respectively for Lieutenant Governor and Secretary of Internal Affairs, are certainly elected.

New York Assembly Democratic.
MIDLETOWN, Nov. 5.—Later returns from Sullivan county indicate the election of Beakes Democrat to the assembly. This is a Democratic gain and if it proves correct the Democrats will have a majority of two on joint ballot.

New Hampshire.
Concord, Nov. 5.—No doubt McKinley, dem., is elected to Congress in the 1st district. The Democrats claim Daniels' election in the 2d by 200 plurality, while the Republicans say Moore has over 250. The legislature is very close and its control will undoubtedly be determined by the elections held today. There is no choice of Governor by the people.

Wells' Hair Balsam.
If gray, gradually restores color; elegant tonic dressing, 50c; \$1.00. Druggist, or \$1.00 size prepaid by express for \$1.00. E. S. Wells, Jersey City.

Pattison Elected.
Philadelphia, Nov. 5.—The estimated plurality for 65 of the 67 counties in the State give Pattison for Governor a net plurality of 4,792. The two missing counties, Elk and Warren, in 1886 gave a net republican plurality of 363. The election of Pattison by over 5,000 plurality is conceded by all republican leaders and journals. The democrats have certainly gained two congressmen and the figures are so close in three other districts the official computation may show at least one additional democratic member in the delegation and possibly a democratic gain of four or five. The present delegation in congress stands 21 republicans and 7 democrats. The legislature remains strongly republican although the joint ballot majority of 103 which that party has in the present legislature is somewhat reduced.

Colcord for Governor.
Carson, Nev., Nov. 5.—The indications are that Colcord, republican, for Governor, is elected. Bartine, republican candidate for congress has carried the State by 1,000.

Legislature Republican.
Seattle, Wash., Nov. 5.—Indications are that W. L. a republican, for congress will have 5,000 majority. Both branches of the legislature are republican on the joint ballot; probably forty.

Ohio.
Columbus, O., Nov. 5.—Meagre returns received at the Republican and Democratic headquarters indicate the election of fourteen Democratic Congressmen. This estimate includes the defeat of McKinley in sixteenth district, and Foster in the eighth district. Foster concedes the election of Hare, his opponent, by 100 majority. Both parties claim the sixteenth district.

Cincinnati, Nov. 5.—Unofficial footings show Republicans carried Hamilton county by a majority ranging from 5,824 for Conover, to 9,314 for P. obate Judge. The majority for Ryan, Secretary of State, is 8,252. Bellamy Storer, Republican, for Congress first district, has a majority of 2,281. Last year Gov. Campbell carried this district by 5,187, a Republican gain of 7,468. In the second district, John A. Caldwell, Republican, was elected by a majority of 7,612. Last year Campbell carried this district by 2,066, a Republican gain of 9,678.

Cincinnati O., Nov. 5.—According to the returns so far as received at 6 o'clock this evening, the Ohio Congressmen elected are: Republicans, 7; Democrats, 14. The election of Ha e, and Warwick (who beat McKinley) is not established by complete returns, and the apparent majority in each case is so small as to make it unsafe to claim their election until the official count is made. The plurality of D. J. Ryan Republican candidate for Secretary of State, is estimated at 15,129.

West Virginia.
Wheeling, Nov. 5.—Indications are up to 4 o'clock this evening that the Democratic tidal wave has taken West Virginia in its course, and that that party has made a clean sweep. Hubbard, rep, for Congress in the 1st district, has been defeated by fully 500 majority. The district is Republican, but apathy on the part of the party in Harrison and Marshall counties, two Republican strongholds, did the business. Their showing is a surprise to both parties. Smith, rep, for Congress in the 4th district, still claims his election by a small majority.

The State Senate will probably be a tie, which will prevent a gerrymander of the State by the party having a majority in the legislature.

Mr. Scott has a Say.
By Telegraph to the News and Observer.
New York, Nov. 5.—F. M. Scott, the defeated candidate for Mayor on the fusion ticket, speaking of the election today, attributed his defeat to the anti-McKinley feeling, which, he said, was stronger in this city than in any part of the country.

Cannon Spiked.
CHICAGO, Nov. 5.—The Evening Journal's Danville, Ill., special says Congressman Cannon has received substantially the full returns from his district and concedes his defeat by 500.

Barnum & Bailey never had so many wonderful new attractions as they have this year in their Greatest Show on Earth. The show is larger, better and grander than ever, and contains a myriad of new and startling features never before seen. It will exhibit here on Thursday, the 6th of November, and the big parade takes place in the morning at nine o'clock, with two performances (afternoon and evening.)

It Looks Like a Tie.
By Telegraph to the News and Observer.
New York, Nov. 5.—Returns up to noon show the Democrats have elected 67 Assemblymen in this State and Republicans 59. Two districts still somewhat in doubt, with the probability in favor of the Republicans. To secure a majority on joint ballot the Democrats require 68, Republicans 62. As the Democrats have 13 Senators, the Republicans 19, it looks, therefore, like a tie on joint ballot.

Albany, N. Y., Nov. 5.—Governor Hill has received over one hundred telegrams from democratic leaders all over the country announcing democratic victories. The democratic leaders in the three States where the Governor made his campaign speeches kept the Governor well informed as to results in these localities.

Among the telegrams of general interest which he received from those States and which gave him special satisfaction were the following:
Lima, O., Nov. 5.—Ohio elects 14 democratic congressmen; a gain of 9.
Calvin S. Brice.

Clinton, Nov. 5.—B. Davis, Chairman Connecticut Democratic State Committee, wired: Three democratic congressmen; State ticket elected by one hundred majority; Senate democratic, House republican; majority on joint ballot eighteen republican.

T. B. Riley, Chairman of West Virginia State committee telegraphed: Democrats elect four congressmen, a majority of the legislature and carry the State from 3,000 to 5,000.

Delaware all Right.
Wilmington, Del., Nov. 5.—The election has been so close in this city and there have been such charges and counter charges of unfair dealing that the result in this county cannot yet be definitely stated. On the face of the returns, New Castle county has gone Republican by 125 to 150 on the legislative ticket, but the Democrats are still claiming the election of the whole ticket in the State. Kent county, complete, gives the Democrats a majority ranging from 257 to 428. Sussex county, with one district to hear from, gives an average Democratic majority of 500. The missing district will increase to 600 or more, so that on the face of the returns Robert J. Reynolds, dem., for Governor, and John W. Causey, dem., for Congress, are elected by about 700 majority, and the legislature is two-thirds Democratic. There is uncertainty as to whether certain districts, where fraud is charged, will be accepted by the board of canvassers of Sussex and New Castle, the former of which is Republican and the latter Democratic, so that the outcome may depend on the official count.

Wilmington, Del., Nov. 5.—Complete returns from the whole State give Reynolds, Democrat for Governor, 445 majority, and Causey, Democrat for Congress, 514 majority.

Massachusetts.
Boston, Mass., Nov. 5.—The Globe says: With only half a dozen towns to hear from in Massachusetts at 2 p. m., Russell, Democrat, is leading by over 10,000 votes. In the congressional districts the Democrats re-elect O'Neill and more than doubled Andrew's plurality of 1,500, and elected Sherman Hoar in the fifth, Moses Stephens in the eighth, Geo. F. Williams in the ninth, Fred S. Coolidge in the eleventh and John C. Crosby in the twelfth. The Democrats will probably have the largest majority on record in the lower house, having not less than one hundred members.

Nebraska Wheels Into Line.
OMAHA, Nov. 5.—Returns are still meagre but indicate the probable election of Boyd, dem, for Governor by a small plurality. The Alliance candidates are looming up strong in the interior and Republican candidates between the first and second places in the country towns. Complete returns may possibly elect either of three candidates, but large gains in Omaha and the eastern end of the State give Boyd the best chance. Democrats gain one Congressman, McKeigh, surely, and probably another, Bryan. The election of Dorsey, rep, in 3d district is not yet certain.

Virginia.
Norfolk, Va., Nov. 6.—Lawson, Democrat, is elected in this (second) district over Bowden, regular Republican, and Murdaugh, independent Republican, by 600 majority. Lawson is a member of the Farmers' Alliance.

Worcester, Va., Nov. 5.—Frederick county officials give O'Ferrall, dem., 1,054, Underwood, pro., 51. O'Ferrall's official majority in the county and city is 1,299.

Danville, Va., Nov. 5.—Lester, Democrat, has a majority in this the fifth district of at least 5,000. In the fifth North Carolina district, adjoining this district, Williams, Democrat, is elected over Brower, Republican, by 2,000, a gain of a Congressman by the Democrats.

Rhode Island.
Providence, Nov. 5.—The first district complete gives Spooner, rep, 8,616; Lapham, dem, 10,382; Richardson, pro, 758. The second district gives Arnold, rep, 8,325; Page, dem, 8,341; Trip, pro, 785. Page lacks 769 of election and Arnold 801.

The Farmers Capture Kansas.
By Telegraph to the News and Observer.
Kansas City, Mo., Nov. 5.—Additional news from Kansas received last night and today do not warrant a change in the prediction that the Farmers' Alliance has secured a victory in the State. The official count will be necessary to decide whether Willets, its candidate for Governor, or Humphrey, the republican candidate, has been elected. The vote is very close with indications in Willets' favor, with most of the western counties, where the farmers are in a majority, to hear from. The Farmers' Alliance has elected beyond doubt W. A. Baker, its candidate for Congress in the fifth district, and contributed to the election of Moonlight, democrat, in the first, whose election is conceded by something over 1,000 majority. The Farmers' Alliance seems reasonably sure of electing at least one other Congressional candidate. Simpson, in the seventh district, composed of thirty-seven counties, mostly in the western part of the State, is running Hollowell, republican, very close, and it will take the official count to determine who is successful. The fifth district is also conceded to be very close. The fight is between the Farmers' Alliance and Phillips, rep. Seven counties out of ten in that district have reported, and these Davis has carried four and Phillips three. The majorities in all cases are very small and one county may change the result as it now appears to be. The Republicans have elected Funston and Kelly beyond doubt in the 2nd and fourth districts, respectively. An element of doubt still exists in the fourth district where Clover, Farmers' Alliance, contests Perkins, rep., re-election. The fourth district, from the returns received up to noon by the Associated Press, is very doubtful. That district contains twelve counties. The returns received from five of these. Three have been carried by Otis, of the Farmers' Alliance, and two for Kelly, Rep. The third district is also in doubt. Clover, Ex-State President of the Farmers' Alliance, ran ahead of his ticket in the counties heard from. Perkins, Rep., who is up for re-election, has very small majorities in four out of seven counties heard from. Clover has carried three counties. Late returns indicate almost positive election of Ives, the Farmers' Alliance candidate for State Attorney General over Kellogg, Rep. The Democratic and Prohibitionist vote was very heavy, but not so large as was anticipated. Robinson, Democratic candidate for Governor, was scratched for Willets, and the Farmers' Alliance voted for Robertson and county officers. The Alliance will have a strong delegation in the State Legislature. The Republicans claim only twenty-four on joint ballot. The majority of the districts are still to be heard from, but Ingall's re-election is not believed to be jeopardized. Chairman Chase, of the Farmers' Alliance State Central Committee of Kansas, claims the election of Willets for Governor beyond doubt, and estimates his plurality at 25,000.

Kansas City, Nov. 5.—State returns have a decided look for Willets and the defeat of three and possibly four or five Republican Congressmen. Moonlight beats Case in the 1st district. Davis defeats Phillips in the 5th, and McNall is beaten in the 6th. In the 7th, Hollowell concedes that Simpson is elected by 3,000. The chairman of the people's party claim to have received returns from 160,000 voters, which would give Willets about 1,000 plurality. The Republican committee claim that on joint ballot in the legislature Ingalls has a majority.

Arkansas.
Little Rock, Ark., Nov. 5.—Returns received at Republican headquarters indicate the election of Langley (Union Labor) in the second district over Breckenridge, and Featherstone (Union Labor) in the first over Cate, Democrat. The Farmers' Alliance voted solidly with the Democratic party. If Langley and Featherstone are elected they owe their election to the Republican vote.

Democratic Majorities in Edgecombe.
Special to the News and Observer.
TARBORO, Nov. 5.—Nash, for treasurer, 500; Knight, 3,000; Pennington, 1,200; legislative, 400.

With a Heavy Heart.
By Telegraph to the News and Observer.
WASHINGTON, Nov. 5.—President Harrison reached Washington about 6 o'clock this evening via the Pennsylvania railroad on his return from Indianapolis.

MINNESOTA.
Minneapolis, Nov. 5.—The gubernatorial vote is very close in Minneapolis. Twenty-three counties give Merriam, rep, 22,645; Wilson, dem, 23,178, and Owen, alliance, 16,808. This does not include Hennepin county (Minneapolis) which gives 2,000 plurality for Wilson. The democrats claim the state. The alliance vote does not cut so great a figure in the counties to hear from. Snider, rep, is defeated by Castle, dem, for Congress in the 4th district; Hall, dem, defeats D. S. Hall, rep, in the 3rd district, and Harris, dem, wins over Dunnell in the 1st district. The 5th and 2nd districts are doubtful. The democrats made nearly a clean sweep in the city, county and legislative tickets in this county.

Wisconsin Democratic.
Milwaukee, Wis., Nov. 5.—From present appearances, Peck and the entire Democratic State ticket is elected. Returns from Congressional districts are not full enough to indicate with certainty the result, but the delegation probably stand six Republicans to three Democrats, a gain of one so far have wiped this out.

Secretary Steel, of the Democratic State Committee, claims the State for Democrats by 1,000. Secretary Walter, of the Republican Committee, says Carter carried it by from 200 to 500.

Chairman Payne, of the Republican State Central Committee, at 11 a. m., gives the State and Legislature to the Democrats, and says Wisconsin Congressional delegation will stand six Democrats and three Republicans.

At 1 o'clock this evening Chairman Payne conceded the State senate, as well as the assembly, to the Democrats. Thomas, rep, for Congress in the seventh district, is defeated by a small majority. LaFollette, rep., is beaten in the third district by 1,200, and it is believed that McCord has been defeated in the ninth. Advice received at noon state that Haugen is sure of re-election by a small majority. Chairman Wall, of the Democratic State Committee, claims a majority of 3,500 for Peck, and also insists on claiming six out of the nine Congressmen.

Illinois.
Chicago, Nov. 5.—With twenty-seven precincts in the city and five in the county towns to hear from, Lawler, Democrat for Sheriff, has 72,102; Gilbert, Rep., 69,812.

Chicago, Nov. 5.—The following personal message has been received here:
Danville, Ill., Nov. 5th, 1890.
Hon. Wm. Henry Smith, Chicago:
Bussey's majority is about three hundred.
J. C. CANNON.
[Bussey was Cannon's Democratic opponent.]

Chicago, Nov 5.—A Daily News dispatch from Bloomington, Ill., says: Congressman Rowell, rep., of the 14th district failed to secure re-election. His opponent carried the district by 300 votes.

ROWAN ROLLS IT UP.
A Rousing Big Majority and She Wants the Banner.
Special to the News and Observer.
SALISBURY, N. C., Nov. 5.—Where is that banner? Rowan's official Democratic majority for judges is sixteen hundred and seventy. Henderson is re-elected by at least four thousand majority.

Crawford's Majority 1,000.
Special to the News and Observer.
ASHEVILLE, Nov. 5.—Sprinkles, rep, is possibly elected over Campbell, dem, Senator in the Buncombe district. This indicates heavy gains for the Democrats in the district.

The Congressional district gives Crawford from 1,000 up. Clay, Graham, Swain, Macon, Jackson, Haywood, Transylvania, Buncombe and Yancey, west of the ridge, are Democratic. Cherokee is doubtful. Henderson, Madison and Mitchell are Republican by reduced majorities. Outside of these shoel is the only precinct known to be Republican in the United States.

CONGRESS.
Wanamaker Says There Will be no Extra Session Called.
By Telegraph to the News and Observer.
WASHINGTON, Nov. 5.—Postmaster General Wanamaker today, in answer to an inquiry by a representative of the Associated Press, said that there was no probability of an extra session on Congress. While, he said, only the President could speak authoritatively upon the subject, he (Wanamaker) did not believe that the President had any thought of calling Congress together before the regular session. Two other members of the cabinet who were unwilling to be quoted by name, said in response to similar inquiries: "There will be no extra session."
