"PUT-UP OR SHUT-UP."

We hear of some wise-acres, wagging their heads and intimating there is favoritism shown or some "graft" in the matter of furnishing the cement for the side walks now being laid in our town. We do not believe there is any favoritism of "graft" in the matter and we call upon the aforementioned wise ones to tell to the public what they know about it. The columns of the News are open to them free of charge to make any statement of facts in regard to this matter they may know. Yes, we go further and demand that they "put up or shut up." If any body knows of favoritism or "graft" it is his duty as a citizen to make it known for by keeping the matter secret he is a party to the stealing by concealing facts the public ought to know.

When there is the slightest indication of indigestion, heart burn, flatulence or any form of stomach trouble take a little Kodol occasionally and you will be afforded prompt relief. Kodol is a compound of vegetable acids and contains the juices found in a healthy stomach. Kodol digests what you eat, makes your food do you good. Sold by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

BURDEN OF BONDS.

Some designing persons are persistently saying that a bond issue of \$100,000, for water, sewerage and streets will cause a tax that will be a burden heavy to be borne. Read the act authorizing the bond issue and you will see the tax cannot be over 50 cents on the \$100 valuation of property and \$1.50 on the poll. Should the extreme limit therefore be levied, it cannot be burdensome. We feel sorry for the citizen who claims to want his town to prosper and go ahead and at the same time is not willing to pay so small a tax for these necessities of modern life.

"ONE THING THOU LACK ESTS."

Lenoir, thou art a pretty town nestled among "the everlasting hills" thy scenery is beautiful, thy climate is unsurpassed and thy citizenship is good. But "one thing thou lackests" yea three, that is to say, water and sewerage and good streets. Take these unto thyself, by doing thy duty to thyself, on August 5th and thou will be a jewel of the mountains, a place where health, peace and prosperity may dwell in unity and pleasure.

Judge Landis did not strike a gusher in John D.

The Southern to Make Material Additions at Once.

Concord Times. It is officially announced that the Southern Railway will at once purchase 50 new locomotives, 75 passenger coaches, 4 dining cars, 6 combination mail and passenger and baggage cars and 200 cabooses.

The general purpose in view of ordering this new equipment is the strengthening of the passenger and freight service of the railway. The new coaches to be of the most approved modern type. It is the purpose of the company in ordering these coaches not only to supply immediate needs, but, in a measure, to anticipate future need.

The 50 locomotives will be of the lighter type and for service on lines not now requiring the heavy type of engine now on use on some of the main lines.

The 200 cabooses are necessary to supply a need which has grown out of the rapid increase in freight train service—the cabooses now in service not being sufficient in number so properly equip freight trains.

Thirty-seven revenue officers, armed to the teeth, made another raid on Smithtown, Stokes county, the noted blockader settlement, this week, expecting to do battle. Contrary to expectation the place was practically deserted, only two men and two distilleries being found. The men were arrested and the distilleries destroyed.

"Damn the facts; send us something that will sell papers!" telegraphed a New York yellow to its Washington correspondent during the Spanish American muster. Such is the spirit that is agitating for trouble with the "bumptious, say in Kansas.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its name. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by J. E. Shell.
