GEN'L GARR WILL ERECT MONUMENT TO R.M.TUT

The following letter has been addressed to General Bennett H. Young, Louisville, Ky: My Dear General:

Some time since we discussed the question of the erection of a monument to the Rev. Romulus M. Tuttle, D. D.

Dr. Tuttle was born in Lenoir, N. C., in December, 1842. After the various appointments he became give you some of the Personals captain captain of Company F. 26th North Carolina Regiment. This regiment has a record of the highest percentage of losses in any one battle during the war. At Gettysburg it suffered a decimation of eighty-eight per cent. Company F, which was commanded by Captain Tuttle, carried into that battle eightyeight men and three officers. Thirty.one were killed or mortally wounded. A list of the names and descriptions of the wounds was prepared contemporaneously, so that there can be no question about the marvelous record. On the morning of the Fourth of July there were none of this company to answer roll call. All them were either dead or mortally wounded, or confined in hospitals on account of wounds. do not recall any instance in the of Police of the "Sixth City." history of the war where a similar thing occurred with so large a number of men.

You tell me that Dr. Tuttle afterwards became a distinguished Presbyterian minister and is buried at Lexington, Va. I think his heroism and the details of News carried an account of a this battle, in so far as it effect- man by the name of Israel Ger ed Dr. Tuttle's company, should son of Richmond, Va., being ar be preserved. He was both a rested for registering twicefaithful soldier in our great war Isreal no doubt mistook June and a faithful soldier for Christ. 5th for election day and register-What he did was an honor not ed twice from force of habit. only to North Carolina but to the Confederate States.

I would be glad if you would consult with Dr. Tuttle's family and learn if they are willing for the monument to be erected at the place of his burial. I shall claim the privilege and honor of bearing the expense of the construction of this memorial.

I am putting this labor on you because you are always active in honoring Confederate heroism because you were associated with Dr. Tuttle in the Southern Presbyterian Church.

Asking your early attention to this, I remain.

Very truly yours, JULIAN S. CARR. Durham, N. C.

SOLDIER BOYS

Soldier boys, are you ready For the fight? Go in His name and the enemy Will tremble in thy sight. . For your cause is just, This is why you must.

Boys, be faithful; we know That you can win; And will subdue and conquor The enemy of sin. For your cause is just, This is why you must.

Boys, the victory is nearer Day by day; Just go and fight, and Uncle Sam obey. For your cause is just,

This is why you must. Boys, fight the battle in His

name The victory will be won; Let peace be established And the war is done. For your cause is just, This is why you must. A. MONROE MAST. Rufus, N. C.

MEAT CAUSE OF

Take Salts to flush Kidneys if Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyses the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body waste get four ounces of jad Salts from any pharmacy here take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine, fine. This famous salts is made from the acid of grapes and lemon juice. combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys; also to neutralize the acids in urine so it is no longer irritates, thus ending bladder weak-

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, elert-vigorous and rivacious a good clear skin; a natural, rosy complexion and freedom from illness are assured only by woman and'likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of 'nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-checked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food in-

to the stomach. Those subject to sick headache, biliousness, nasty breath, rheumation, colds; and particularly those who have a pallid, sallow complexion and who are constipated, very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will Walter Sullivan reached home cost but a trifle but is sufficient to in time to enroll his name on demonstrate the quick and remarkable Uncle Sam's file of prospective change in both health and appearance awaiting those who practice internel sanitation.
