

## BARBER COLLEGE FOR WOMEN

Anniston, Alabama.

Let's Go! This College, established to offer full College Courses for young women of the Negro race, will open its second year, September 15, 1925.

It is the only Presbyterian Woman's College for colored women in the world. Like the colleges exclusively for women, it encourages the ideals of true woman and offers courses of study for young women such as the best women demand, and such as prepare them for their special work. Through the noble generosity of its founders with Presbyterian ideals, Barber College makes it easier for a girl with energy and ability to become a College Graduate, and reach her highest usefulness.

Graduates, obtaining the College Diploma, will be able to meet the increased requirements of the State Boards of Education, and be fitted for all conditions set for teaching and higher studies. With an enlarged Faculty and increased facilities, Barber College offers to capable Negro women a great opportunity for higher development, usefulness, and privilege.

With it is associated Barber Memorial Seminary which will continue to offer its secondary courses of study and also act as a Preparatory School for the College. All the advantages of the Seminary, with its able Faculty, increased facilities, and attractive surroundings, will be open to students of the College.

Located in the foot-hills of the Blue Mountains in Northeastern Alabama, the situation is unsurpassed. It would be difficult, if not impossible, to find a better school building. Large rooms. Two in a room. Steam heated. Electric lighted. Newly furnished throughout. Modern in every way. Plain, but plenty of food. Absolutely pure mountain spring water, none better. Large Faculty. Small classes. Personal supervision.

For further information, address the President, Rev. John F. Scherer.

## SCOTIA WOMEN'S COLLEGE

CONCORD, N. C.

A well-equipped School under the care of the Board of National Missions of the Presbyterian Church in the United States of America, Division for Colored People, for the Higher Education and Industrial Training of young women.

A Seminary Course or High School Academic Course for those desiring to prepare for College, and a High School Normal Course for those desiring special preparation for teaching.

There can no longer be any question among the friends of Scotia as to her being on the accredited list, inasmuch as the graduates of this year were each granted by the State Board of Public Instruction an Elementary B Certificate for three years.

An Industrial Course, including Domestic Arts and Sciences, with special instruction in Sewing and Cooking, for those desiring special preparation in these lines.

Also a course in Music, including Piano, Public School Music, and Chorus Work.

There are two large Dormitories with pleasant rooms, steam heated, electrically lighted, and pleasantly situated in a large and beautiful campus near the center of the city on Concord and convenient to the Railroad station.

For catalogue, application blanks, and any desired information, address the President,

REV. T. R. LEWIS, D. D.

### HIS FOND FAREWELL.

A minister in a certain town took permanent leave of his congregation in the following manner:

"Brothers and sisters, I come to say goodbye. I don't think God loves this church, because none of you ever die. I don't think you love each other, because I never marry any of

you. I don't think you love me, because you have not paid my salary. Your donations are moldy fruit, and by their fruits ye shall know them."

"Brothers, I am going to a better place. I have been called to be chaplain in a prison. Where I go ye cannot come, but I go to prepare a place for you. Good-bye."—Tit-Bits.

### BOYS' WEEK IN THE CALVARY PRESBYTERIAN CHURCH, WILSON.

The last week in February was designated as "Boys' Week" in the Calvary Presbyterian church of Wilson. This celebration comes about the time that the Boy Scouts are having their anniversary, and the papers carry the activities of the boys of the opposite race. The Pioneer group thought this was an opportune time to try to create a deeper interest in their work, and at the same time to try to arouse the boys to a greater activity in church and community life.

In addition to the regular character talks to the boys at the prescribed meetings, other features were added. On Saturday a group of twenty-five boys took a ten-mile hike.

On Sunday a large group of the boys attended the morning service specially arranged for them. The pastor preached from the theme, "The Lost Boy."

This celebration was brought to a close by a Father-Son Banquet. Nearly seventy-five men and boys attended. It was an interesting sight to see the men join in with the boys in their "jamboree." The program was as follows:

The Aim of the Pioneers by Herbert Odell Reid.

Recitation, "The Father Sets the Pace," by Carter Foster.

Short address by Mr. Wm. Hines, teacher of the Intermediate class of boys.

Solo by Hartford Eugene Best.

Short address by Rev. Wm. D. Burgess, of Rocky Mount.

Short address by Prof. S. H. Vick, Superintendent of the Sunday school.

Music for the occasion was furnished by the club members. The evening was an enjoyable one.

The Ladies' Missionary Society recently presented "Rev. Dayton Up To Date" in the High School auditorium at Goldsboro. The play was a success in every detail.

Huntersville was chosen as the next place at which to hold the Spring meeting, after which we adjourned.

Scattered throughout the audience were many prominent and faithful workers of our Presbyterian Church from afar and near, such as Dr. and Mrs. Rollins, of Gastonia, and Dr. L. J. Melton, of Charlotte.

One of the most interesting and enjoyable parts of the meeting was the elaborate and delicious spread, which the Westminster ladies prepared for the visiting delegates and friends. There were two tables just laden with the choicest and best delicacies of the season. We feel quite sure that those of us who attended the meeting highly appreciate the rich and rare feast tendered us by our fellow-workers.

MRS. R. L. MOORE.

### RALEIGH NEWS

By Mrs. Edith Mabry-Tillman

The work at Davie Street church is progressing slowly, but very surely. On last Sabbath morning, February 28, many of the members and several of the visitors listened attentively to an instructive sermon from the pastor. His text was the 30th verse of the 17th chapter of Acts.

Visitors from the city who worshipped with us were Miss Alleen Pitts, Mrs. R. H. Lightner, and Prof. and Mrs. Mask.

Dr. James E. Shepard, President of the State College for Negroes, Durham, preached an eloquent and timely sermon at Davie Street Presbyterian church, Sunday evening. His theme was "Life," and he handled it in a masterly way. He spoke to a large and enthusiastic congregation.

Dr. H. C. Mabry, a former

pastor of the church, was present on this occasion.

Misses Lydia Pope, Alleen Pitts and Mrs. Edith Tillman, who spent the week-end with relatives and friends in Raleigh, returned to their school work in White Oak Monday morning.

Mrs. P. L. Byrd, County Supervisor of schools, held an interesting meeting last Friday with the teachers of the Zebulon group. Final plans were made for the group center and county commencements in April.

Dr. John A. Savage, Principal of Albion Academy, is in Hot Springs, Ark., resting and recuperating from a severe attack of rheumatism. Rev. Vernon R. James, pastor of the Davie St. Presbyterian church, Raleigh, and dean of Albion Academy, is in charge of the school during the absence of the Principal. In spite of the fire which swept away the main school building, Albion has provided adequately for all the students and is still maintaining a high standard of scholarship.

### HUNTERSVILLE CHURCH NOTES

By Mrs. M. J. Phifer

On last Sunday morning after Sunday school a soul-stirring prayer meeting was conducted before the regular services began, after which our pastor, Rev. R. L. Moore, entered the pulpit and preached an interesting and forceful sermon from the text, James 1:17: "Every good gift and every perfect gift is from above and cometh down from the Father of light." He pointed out among some of the precious gifts the sunshine, the winds, the waters, health and the ability that God gives to men, and the most perfect gift that he ever gave to the world was Christ Jesus.

Every one's heart was filled with joy as we heard this sermon. The Lord's Supper was administered to a very large audience.

Sunday morning, February the 14th, the Sunday school observed Lincoln Day. The program was carried out nicely by the Superintendent and pupils. After the program the teachers received the envelopes from the children bearing their gifts for the Board. These envelopes and contributions that others gave amounted to \$5.00.

Immediately after the Sunday school hour the Woman's Missionary Society held a very interesting Missionary program. The excellent music rendered by the choir added much to the occasion. The collection was \$7.

We are glad to note that Mrs. R. L. Moore and Deacon Abernethy, who have been sick for the past week, are able to be out again. Mrs. Minnie Potts is also sick, but is improving.

Mr. Tom Pharr, of Huntersville, and Miss Lily Caldwell were quietly married at the home of the bride near Huntersville, Saturday evening, March 3, at 8 P. M.

### DOING HIS BEST.

"I am not satisfied with your references, my man," said the apartment house superintendent.

"Neither am I," replied the applicant for an elevator boy's job. "But they are the best I could get."
