BARBER COLLEGE FOR WOMEN

Anniston, Alabama.

Let's Gol This College, established to offer full College Courses for young women of the Negro race, opened its third year, September 14, 1926.

It is the only Presbyterian Woman's College for colored women in the world. Like the colleges exclusively for women, it encourages the ideals of true women and offers courses of study for young women such as the best women demand, and such as prepare them for their special work. Through the noble generosity of its founders with Presbyterian ideals, Barber College makes it easier for a girl with energy and ability to become a College Graduate, and reach her highest usefulness.

Graduates, obtaining the College Diploma, will be able to meet the increased requirements of the State Boards of Education, and be fitted for all conditions set for teaching and higher studies. With an enlarged Faculty and increased facilities, Barber College offers to capable Negro women a great opportunity

for higher development, usefulness, and privilege.

With it is associated Barber Memorial Seminary which will continue to offer its secondary courses of study and also act as a Preparatory School for the College. All the advantages of the Seminary, with its able Faculty, increased facilities, and attractive surroundings, will be open to students of the College.

Located in the foot-hills of the Blue Mountains in Northeastern Alabama, the situation is unsurpassed. It would be difficult, if not impossible, to find a better school building. Large rooms. Two in a room. Steam heated. Electric lighted. Newly furnished throughout. Modern in every way. Plain, but plenty of food. Absolutely pure mountain spring water, none better. Large Faculty. Small classes. Personal supervision.

For further information, address the President, Rev. John F. Scherer.
