VALUABLE PREMIUMS.

SEWING MACHINES FREE!

The Publisher of OUR WEEKLY will give away, in Premiums to Subscribers, one-fourth of all money received for subscription to the paper; and in order to give all Subscribers a fair and equal chance to receive Premiums, has adopted the following

Plan for Distributing Premiums

The name and value of each Premium is printed on cards, and these cards (one hundred in number) are placed in envelopes and sealed. Then four hundred blank cards, of the same size and quality are placed in similar envelopes and sealed. The one hundred Premium envelopes and the four hundred blanks are then placed in a box together and thoroughly mixed. When a subscription is received, an envelope is drawn from the box and given or sent to the subscriber, with the subscription receipt. If the envelope contains a blank card, the subscriber will receive no premium but if it contains a printed one, he will recieve the premium named thereon, at the Distribution of Premiums, which will take place as soon as all the five hundred envelopes are drawn out. The names of subscribers and number of envelopes remaining in premium box will be published each week, so that all may know when the five hundred are made up.

By the above plan it will be seen that all have a fair and equal chance to get a premium, and that there is one premium in every five envelopes.

Our Cash Premiums are in sums of one, two, five, ten and twenty dollars in Greenbacks, with from two to ten Premiums of each denomination. All other Premiums consist of useful articles, such as Sewing Machines, Bleached Domestic, Pens, Paper and Envelopes, &c., &c., ranging in value from twenty-five cents to twenty-five dollars. The Home Shuttle Sewing Machine is sold at the Sewing Machine Emporium in this City for twenty-five dollars. These Machines are considered, by all who have used them; to be equal to any, and superior to many sixty dollar Machines. Every Machine we give as a Premium is warranted new and in perfect running order. All our Promiums, even those valued at only twenty-five cents, are serviceable, and all are valued at lowest cash prices. Nothing we offer can be bought at any store for less than we value it at. We give no brass jewelry.

This is no lottery scheme, but is a plan gotten up solely for the benefit of our subscribers, and for the purpose of increasing the Subscription Lists of OUR WEEKLY. Therefore, no Premium Envelopes will be sold to any except actual Subscribers, and no name will be entered on our books until the subscription is paid, when a receipt and a Premium Envelope will be given. Send in your names and money at once. One hundred out of every five hundred will be certain to get premiums, which is better than any lottery you ever trick or ever will try. And even those who get blanks will lose nothing, for we are sure they will consider OUE WEEKLY worth more than one dollar and fifty cents a year.

Fersons at a distance may send mone, by Registered Letter, F. O. Money Order, or Express, at our risk. When cent i-1 any other way, it will be at the risk of the sender.
