[From our Traveling Correspondent.] Since my last, I have taken a trip The road from Wilson to Snow Hill, finest gentlemen in our State. He is or in that direction, is the best I ever a Cape Fear gentlemen and has all traveled. The crops in Wilson and those superior traits of character that Green are prodigiously promising.

The cotton is high and has a healthful, vigorous appearance. The corn too is looking capitally and the prospect for an abundant yield is excellent. The farms lying along this road are among the best I have seen. Indeed, I have but rarely seen in any
State a finer farming county than gant society. It is now as Sam Weller would say, "to the contrary, quite the reverse." The distinguished ex-judge this portion of North Carolina. A said, "it was an eagle nest filled with few words more, and I take leave of

WILSON. I over-estimated the inhabitants. I suppose about 1,500 would be the ville, Va. It is a machine for making maximum. The appearance of the tobacco lumps of the equalest size town, altogether, is pleasing. It has It will do the work of a dozen or more which I believe is fleurishing. I did is the same person who invented the not meet the editor, Mr. McDaniel, engraving machine that attracted conacquaintance of Maj. J. W. Dunham, ed a very ingenious rat-catcher which a gallant Contederate, who still limps from the effect of a severe wound in the leg. Maj. D. was the associate of Maj. Hearne is the conduct of the iffication meeting, but it is liable to be North Carolinias, formerly published interrupted by the sudden intrusion at Wilson and afterwards at Raleigh. of other members. He was the main writer and achieved a fine reputation as a skilful journalist. He is now practicing law in brave Confederate who won honors upon many floody fields. I must not It is used as a dye and supersedes some Turkish importation. The proffor young sadies located here, under its are represented as very great and the management of the Messrs. Hooper the two most competent gentlemen at the head of any female institution in the State. The veneragain from other points. able Rev. W. Hooper, D. D. L. L. D. was absent. He reminds me of the poet Cowper, and is master of the purest English of any living North Warrenton Female College, Carofinian. His humor is as good as Washington Irving's, whilst his style is as pure and fresh as Goldsmith's. THIS INSTITUTION will be opened on the He is a man of very rare learning and Rev. T. M. Jones, formerly President of the is now an ornament to our State. His associate, J. DeBernier Hooper, was for a long time Professor of Latin in our University. He is an excellent gentleman, scholarly, intellectual and capable. They ought the long time are excellent gentleman, scholarly, intellectual and capable. They ought then the large and commedious, and will be put in thorough repair and well fitted up for school purposes.

Before I give my impressions, would par parenthese say, that I am not informed whether the spelling of the name of this town has been settled or not. Some years ago, there was quite a discussion whether the correct orthography was Tawborough, or as spelt above. Neither is very euphonious, and it is to be recial. Students prepared for any profession
gretted that so handsome a place reor occupation in life. Science illustrated is not pretty, but the place is. It Board, \$12 to \$14 per month. Tunton, \$15, \$23 and \$30 per term. No extras. Recovers a vast area considering its fer in Fayetteville to M. J. McSween and Dr. population which is, as I learn, only B. W. Robinson. Address for circulars, C. B. DENSON, Principal. is long and level. There are many beautiful residences on this street, some of them as handsome as are to be found in any Southern town of Male and Female, the same size. I had heard Tarboro' so often praised, that I confess to some disappointment. The "dead level" of the town detracts somewhat from its beauty. It is perhaps of August, and continue 20 weeks.

Tuition, \$12, \$15, \$20, and \$25. Music and attractiveness, but is scarcely as handsome as Oxford was before the war. Business is considerably overdone here, if one may judge, com- July 15.

paring the size of the place with the number of stores. There are twenty six dry goods and grocery stores, be-sides a large number of other estab-

lishments. There is, strange to say, but one hotel, and that is tolerably well kept by the ubiquitous John Smith, a fat, large, sociable landlord. There is one newspaper here, the Southerner. The editor, Capt Biggs, was absent, and I did not meet him. There is a monument in front of the Court House (a rather ordinary building for so rich a county as Edgecombe), erested by the citize of the county to the memory of

Vera Cruz on his way to join the American army during the war with Mexico. The monument as to taste, will do, but it is falling to piecesone of the slabs having already fallen

20 00 out. 50 00 THE CROPS IN EDGECOMBE 75 00 are superb. Corn is excellent and the cotton as good as the farmers could well desire. The seasons have been frequent and good—rains falling every day or two. If no drought comes to cut off the corn, and no worm to destroy the cotton, an abundant yield of both may be well anticipated.

THE SCHOOLS. There are quite a number of schools here. The best is under the superinto the upper portion of Green. vision of Rev. Mr. Owen, one of the
