STATE OF NORTH CAROLINA,
EXECUTIVE DEPARTMENT,
Raleigh, March 14, 1870.
To the Senators and Representatives in the Congress of the United States from North Carolina:
GENTLEMEN: I have been compelled to declare the County of Alamance in a state of insurrection. I have called on the President for aid. But he is restricted by the right of the writ of *habeas corpus*. We want military tribunals, by which assassins and murderers can be summarily tried and shot; but we cannot have these tribunals unless the President is authorized to suspend the *habeas corpus* in certain localities. Please aid in conferring this power on the President, as the only effectual mode of protecting life and property in Alamance and other localities in this State.
Very respectfully,
W. W. HOLDEN,
Governor.

[The President to Gov. Holden.]
LONG BRANCH, N. J.,
July 22d, 1870,
HON. W. W. HOLDEN,
Governor of North Carolina:
DEAR SIR: Your favor of the 20th inst., detailing the unsettled and threatening condition of affairs of North Carolina, is just received, and I will telegraph to the Secretary of War immediately to send more troops to the State. They may be used to suppress violence and to maintain the laws, if other means should fail.
With great respect,
Your obedient servant,
U. S. GRANT.

[Gov. Holden to Colonel Kirk.]
STATE OF NORTH CAROLINA,
EXECUTIVE OFFICE,
Raleigh, August 3d, 1870.
Col. Geo. W. Kirk, Yanceyville:
DEAR SIR: This will be handed you by Col R T Berry, Brigade Quartermaster.
You have done well in sending troops to various points to preserve the peace on the day of election. As there is no civil law at present in Caswell which can take hold of and punish offenders, it will be your duty to hold in camp for the present all persons charged with having broken the law. I will inquire more fully into the matter and forward instructions on the subject.
It is to be regretted that the farmers and others in Caswell are turning off their hands and refusing to pay them their wages. I know of no remedy for this but in the act of Congress to enforce the fifteenth amendment. As soon as the election is over, I will request the Marshal to send a deputy to Caswell to inquire into this grievance and take the necessary steps to remedy it.
It is reported that Lieut-Col. Burgen put a rope around the neck of William Patton, one of the prisoners, to force him to confess. Evidence obtained in this way is useless. All prisoners, no matter how guilty they may be supposed to be, should be treated humanely. From my knowledge of your character, I am sure it is only necessary to call your attention to this matter.
No prisoner should be paroled or released without authority from headquarters.
I should like to have the names of officers in your Regiment who would be suitable to compose a part of the military. The pending election and the necessity for some of the officers to be absent on duty have prevented the meeting of the court as early as I wished it. It will meet one day next week. It is important to have all the evidence that can be procured. The following officers, besides those of your Regiment, will compose the court: Maj-Gen W D Jones, Brig-Gen C S Moring, Brig-Gen W R Albright, Col I M Ray, Maj J W Hardin, Capt Robt Hancock, and another officer probably from Alamance. This will leave six to be supplied by your regiment, and the court will consist of thirteen.

ment to the duties of their office.
VI. To aid in settling accounts, Detectives will furnish vouchers for all expenses that are to be charged to the State, stating each item in full.
VII. Detectives will not employ assistants, except as hereinbefore stated, to aid in making arrests, unless specially authorized by the Governor.
By direction of Governor Holden:
A. W. FISHER,
Chief D. F.

Col Berry will report to you and will supply you with what you may need. You will inform him whether you require more horses for the service.
Respectfully,
W. W. HOLDEN,
Gov. and Commander-in-Chief.
[Gov. Holden to the President.]
(TELEGRAM.)
STATE OF NORTH CAROLINA,
EXECUTIVE DEPARTMENT,
Raleigh, Aug. 7, 1870.
To the President of the United States:
SIR: The Chief Justice of the Supreme Court of this State, sustained by his Associate Justices, has decided that I have a right to declare Counties in a state of insurrection and to arrest and hold all suspected persons in such Counties. This I have done.
But the District Judge, Brooks, relying on the fourteenth amendment and the act of Congress of 1867, page 385, chapter 28, has issued a writ of *habeas corpus*, commanding the officer, Kirk, to produce before him the bodies of certain prisoners detained by my order.
I deny this right to interfere with the local laws in murder cases. I hold these persons under our State laws and under the decision of our Supreme Court Judges who have jurisdiction of the whole matter, and it is not known to Judge Brooks in what manner or by what tribunal the prisoners will be examined and tried.
The officer will be directed to reply to the writ that he holds the prisoners under my order and that he refuses to obey the writ. If the Marshal shall then call on the *pross committus* there may be a conflict; but if he should call first on the Federal troops it will be for you to say whether the troops shall be used to take the prisoners out of my hands.
It is my purpose to detain the prisoners unless the army of the United States, under your orders, shall demand them.
An early answer is respectfully requested.
W. W. HOLDEN, Governor.

[Reply.]

WASHINGTON, 1870.
GOV. W. W. HOLDEN:
In connection with your telegram Aug 7th, to the President, the Attorney General submitted the following:
ATTORNEY GENERAL'S OFFICE,
Washington, Aug. 8, 1870.
I do not see how the United States District Judge can refuse to issue the writ if the petition makes out a case for it under the *habeas corpus* act of 1867, 14 statute, 385. If the return uncontroverted, or the facts appearing on proof to the Judge after a denial by the petitioner, show the arrests to have been made under lawful State authority, he will remand the prisoners. In determining whether the laws of the State authorize the first he will respect the decisions of the State Judge. I advise that the State authorities yield to the United States Judiciary.
(Signed) A. T. ACKERMAN,
Attorney General.
The President directs me to communicate to you the foregoing opinion of the Attorney General.
WM. W. BELKNAP,
Secretary of War.

The Grand Lodge of Masons of North Carolina having determined to celebrate the centennial anniversary of the date of its Charter, on the 14th day of January next, all Master Masons in regular standing are fraternally invited to take part in the ceremonies of that occasion.

The following resolution was adopted at the late Annual Communication of the Grand Lodge.
RESOLVED, "That all the Subordinate Lodges in the State be requested to celebrate the one hundredth anniversary of this Grand Lodge on the 14th day of January next."
Notwithstanding the action of the Grand Lodge as set forth in the foregoing resolution, it is desired that the Lodges generally throughout the jurisdiction be represented in this city on the day designated, in order to secure a demonstration creditable to the Grand Lodge and com-

EXCHANGE HOTEL,
HILLSBORO STREET,
RALPHIGH, N. C.
DEAR SIR:—My connection with the Yancey House ceased on the 10th of July last. I feel now that I owe the State, and more especially her good and great men, a debt of gratitude, that I can only repay by returning them my sincere and warmest thanks for all their kind and liberal patronage bestowed upon me. I am now placed in circumstances where I need their friendship and patronage more than I have ever done since I came to Raleigh. I take pleasure in informing my friends throughout the State, that I have concluded to remain in the "Good Old North," and have now opened the above Hotel, and will keep, in every department, a First-Class House. To those who are traveling, and do not know me, I will pledge myself that it will compare with the best Hotels in the State. My expenses will be much less than they were while paying heavy rents, so that I can now afford to keep the transient people for \$2.50 per day. I will have my omnibus to meet every mail train, and also to meet every party passing to the "Excelsior" from Charlotte. I shall devote my time and attention to the interests and comfort of my guests. Hoping to have the pleasure of seeing my old friends, with a large increase of new ones, at the "Exchange." I am, very respectfully,

the people. We know that the centralization of power at Paris has ruined France. We see what consolidation is doing for our own Republic, so called. As to Italy, here is what Gibbon wrote many years ago:
"Italy, Italy, while I write your skies are over me, your seas flow beneath my feet—listen not to the blind policy which would unite all your created cities, mourning for their republics into one empire. False, pernicious delusion! your only hope of regeneration is in division. Florence, Milan, Venice, Genoa, may be free once more, if each is free, but dream not of freedom for the whole while you enslave the parts; the heart must be the centre of the system, the blood must circulate freely everywhere; and in vast communities you hold not a bloated and feeble giant, whose brain is imbecile, whose limbs are lead, and who pays in disease and weakness the penalty of transcending the natural proportions of health and vigor."

The Macon and Augusta Railroad has been opened to travelers. The first through passenger train left Macon for Augusta Dec. 20. This new road greatly shortens the distance.
