Cary to visit our State, and spend about one month in delivering lectures on the vital subject of Temperance. Let crowds flock out to hear this distinguished apostle of Temperance, whose attractive eloquence combines the thunderbolt logic of Demosthenes, the finished rhetoric of Cicero, and the burning fervor of Patrick Henry.

**FROM WEST VIRGINIA.**—Charleston, West Va., February 14.—In Convention yesterday, after several days' warm discussion upon the subject embodying the words "white citizen" in the proposed new Constitution on the definition of qualified electors, the report of the committee was adopted, giving all citizens the right of suffrage. An effort was made to attach the capitation tax as necessary for qualification to vote, but failed. The ballot system of voting was adopted.

VOL. IV. [No. 29.] FAYETTEVILLE, N. C., THURSDAY, FEBRUARY 22, 1872. [Whole No. 185.]

## THE EAGLE.

MONDAY, FEBRUARY 19, 1872.

**THE CAPE FEAR RIVER** is still high, though the freshet has abated. Four boats, *The Wave, North State, Governor Worth* and *Cumberland*, have been up to Averasboro, 26 miles above here, and have brought down all the produce and naval stores ready for shipment in that section. An immense quantity of rosin is thus thrown into market that has been awaiting shipment. We still hear of much loss from timber floating away. Persons from here have gone down the river to tide water region and near Wilmington to gather saw timber that has floated off. There is said to be much profit very often in recovering rafts and parts of rafts of timber that thus get scattered along the banks and swamps in the low country.

**NORFOLK HOUSES.**—We would call the attention of our people to the card of Millar, Grandy & Roberts, wholesale dealers in dry goods and notions, Norfolk, Va. Also to the card of Berkeley, Yancey & Hodges, wholesale dealers in hats, boots and shoes, Norfolk, Va., both in Eagle for some time past. After inquiry on the subject, we are satisfied that our dealers can have many of their orders filled as well in Norfolk as further North. We can get goods in one day from Norfolk and the rates of freight are now cheap. Let our people change trade with Norfolk.

**STOLEN ROBBER.**—A few nights ago the store of W. A. Whitehead & Co., large grocers on market square in this town, was entered by some one and robbed of \$100 or more in money and some other valuables. It seems the entrance was effected from an upper window and the robber passed out through a door in rear. Some of the police saw the robber as he came out of the store and hailed him to which he replied with a laugh, "I am Whitehead and walked away. Still suspecting wrong the police went to the door and found it unlocked, but the robber had got out of sight and they could not again find him. There had been light in the store a few minutes before but all was dark then. On examination they found that some one had been plundering, and drawers, desks, &c., were broken open. The robbery was by some one well acquainted with the store and its contents, and also well able to imitate Mr. Whitehead in appearance and voice. Suspicion indicates the thief though he is not yet definitely known.

**THE EAGLE** is the only paper in the state that is sent to disabled Confederate soldiers at half price. All teachers of schools and preachers in regular charge can get the EAGLE at half price.

W. T. Rhodes, Esq., has resigned his position of County Commissioner for this county and Robert Williams, of Flea Hill township, has been elected in his place by the Board.

The Shakespeare Club meets this week at the residence of D. A. Ray, Esq., on Thursday night.

SOMETHING less than a million of old newspapers for sale at the EAGLE OFFICE. Will sell them at \$1.00 per hundred, and if we can't get that we will take fifty cents.  
It is estimated that over \$60,000 worth of horses and mules have been purchased in the town of Fayetteville since Dec. 1st.  
For the month of January last it is estimated that 15,000 bushels of corn came to Fayetteville by railroad and 10,000 bushels by boats, making 25,000; and of hay, 1,000 bales by railroad and 500 by boats, 1,500 in all; and some 150,000 lbs. or more bacon, and near 1,300 bbls. of flour. This is carrying off our money at a rapid rate for what we ought to have at home. And only a part of our necessary expenses is included.

100,000 INDESTRUCTIBLE TAGS, to go as labels or cards with package of goods, printed and furnished at this office by the hundred or the thousand. Has your name and business printed and place left for you to the direction for the bundle. Proof against water and rough handling. Every merchant ought to be supplied with a few thousand. We supply 300 for \$3 and 1,000 for \$5. Call soon.

**THE GREAT SOUTHERN PIANO MANUFACTORY.**—We refer with special pleasure to the advertisement of the Great Southern Piano Manufactory of Messrs. Wm. Knabe & Co., of Baltimore.

This factory is now one of the largest in the world; it is a magnificent five story structure, fronting an entire block on Eutaw st., and covering, together with the Lumber Yards attached, some two and one-half acres of ground. Three hundred and fifty men are constantly employed turning out over forty instruments per week. Among the thousand and one pianos offered to the public, are many of the desirable qualities sought for as the Knabe Piano. It is a matter of some difficulty and perplexity to inexperienced persons to select a good instrument of any capacity. We too often rely upon the judgement of friends in the selection of a piano, and are thus frequently disappointed. The only sure way, in our opinion, is to go to the best maker. For this reason, we recommend to our readers to purchase Pianos of Wm. Knabe & Co's manufacture. This will relieve them of the vexatious necessity of wasting time in a long search. The reputation of the Knabe Pianos is an inflexible guarantee of excellence. For durability we would specially recommend them; as being made in a Southern City, with special view to the trying changes of a Southern climate.
