#### Affecting Incident

A very affecting incident occurred is. Connecticut town the other day. The lergvinn, whose salary was four hou fred dollars, was waited apon by a del-gation. One of the elders made a litle speech, in which he saked the misster to accept from the congregation an addition of one hundred dullars to is salary. When the venrable old was teard this request his aged eyes filled with tears, and for a few moments be lowed his snow-white head upon bi ands. Then in a voice that was tremb ing with emotion, he said: "Gentle-neu, I can't see it! The hardest work have to do now is to collect my salary, and if I should undertake to collect mouldering in the sitest grave in less than a week!" The elder was so deeply affected by this remark, and his conscience was so stang with remorse, that it immediately offered to lend the minister two hundred dollars at two per cent, a month interest and firsta hundred dollars more I would be rate collateral security. So powerful sometimes is even a little word to stir no in the buman breast a sense of Christian daty!
