PHILADELPHIA, Sept. 27, 1874 THE BUSINESS OUTLOOK. .

I did not guess upon the subject when I stated in my letter, bearing date August 1, that the "facts do not justify the inference of any notable tended by the President of the United revival of business during the coming fall." That observation was not made until I had obtained the views of many of the conservative business men of the city, and it was made in the face of editorial articles in almost every one of the eighteen dailies pubhe most brilliant the- lished in this city, which asserted out of place for a while, most positively that there would be a busy and prosperous fall trade done

ats, Civil Rights, &c., are inferior Neither do I give a mere opinion to the price of cotton and the arrange- based upon theory when I state-as I ment of our private debts and busi- new do-that a lively and profitable ness. We must build up and go ahead trade will not be reached until the ness. We must build up and go ahead bursting of the buds in the spring of in enterprise, and, as far as we can, 1875. Everything must "touch botforget the dark, bloody, corrupt past. tom" before there will be an upward THE EAGLE will be a ready and turn in the tide; everything that has faithful advocate of all reform and of not yet reached lowest prices is rapsound government. In all our efforts labor, freights and fuel are the last to for public good we must not forget succumb. Our property-owners are our Railroad to Shoe Heel. That one reducing rents 25 per cent., for the enterprise will add more to Fayette- reason that the unemployed tenant cannot possibly pay more; labor ville and the Upper Cape Fear counwages have fallen rapidly within the try than a thousand amendments to past few months, because there is litthe Constitution or a hundred sessions | raily nothing doing and an over supply of willing hands to perform of the Legislature. All these political the little there is to do; fuel keeps up measures and elections of officers are because the English stockholders of very important to our interests, but the Reading Railroad Company want the time has come, and almost passed, 12 per cent. dividend upon their infor Fayetteville people and North vestment and Americans are fools enough to uncomplainingly gratify Carolina people to do something great them, and freights are not being reand profitable. We can do it and duced because rich stockholders don't choose to recognize the fact that one dollar to day purchases as much farm produce and wearing apparel as twice that amount did three years ago. FALL RIVER, Mass., Sept. 26.—The manufacturers' board of trade decided to-day to

Exorbitantly high rents are mainained because the annual expenditure cut down working hours to three days next week and four days in every subsequent of \$25,000,000 for municipal purposes. squandering and stealing, requires the imposition of a 21 per cent. tax rate Cotton Manufacturing Interests to meet it. As our municipal elections occur in February and have no bearof the cotton manufacturing interests was held in Boston to-day, at which two million ing whatever upon the State or na tional elections which take place in s were represented. It was agreed to duction of cotton mills one-November, I imagine the present state of affairs will continue just as long the from October 1. A nanufacturers of New as tax-payers and people rally under the party call and elect only professional politicians to administer our city government

I cannot more forcibly portray the distress existing in this city among those who labor for their daily bread, ban by instancing the case of Barnum, who, when he trought his Hippodrome here, advertised for a great amber of men to parade at each perce; a great many more than mired presented themselves, hough their services were steen hours each day, they pted the pittance of \$4 a profit of \$70,000 while

eeting adjourned the expected resoluination of Chambertral Railway, that that road would be com-

Railroad, the Carolina Central might be the purcherous. The purchase if this road would ville kailroad have been surveyed and the estimate made for grading, bridgeing and masonry. The estimate of the line from Asheville to Spartanburg by the way of Columbus, is 1,00,756. The estimate of cost by Warrior and North Pacolet line, is \$967,-There is every indication that this road will be speedily constructed, whaetver may be its River, Mess., caused by the burning of one of the principal cotton factories, resulting in twenty killed, thirty-six wounded and three missing. The corporation is severely cen-

THE CENTENNIAL. The erection of buildings for the International Exhibition of 1876 is progressing with marvellous rapidity. In the meantime the invitation ex

make such exhibit at the great exhibition of 1876, of their arts and industry as will serve to illustrate the dvances attained and the successes achieved in the interest and progress of civilization during the century which will then have closed, has been formally accepted by the Netherlands, Sandwich Islands, Sweden and Norway, Switzerland, Spain, Peru, Mexico, Liberia, Japan, Hayti, Gautemala, Ecuador, Chili, Brazil, Argentine Coufederation, Belgium, France and

Germany. The last named nation thus writes: The German Empire accepts with sincerest thanks the invitation of the government of the United States of America to take part in the International Exhibition of 1876. The appointment of a special commission for the Exhibition, as also a plenipotentiary residing in Philadelphia, will therefore be made in time. The Chancellor of the Empire,

BISMARCK." (Signed) Commissioners have been appointed y the nations named, and a number ave already presented their credenials and are now here to look after the interest of the government and people they represent. In this respect it occurs to me that these foreign gov ernments are far in advance of the States and Territories of our own nation, which, as such, have done but ii the towards promoting the interests of the people of the different States of the Union.

Some idea may be formed of the feeling now existing in reference to this matter of exhibiting skilled workmanship by my saying that the Franklin Institute Scientific Exhibi tion which opens here next month, has about two acres of space under oof, and that every available foot is ilready taken and applications made for space covering not less than six teres. It is my intention to note the most important improvements in mechanism placed on exhibition be-

fore this Institute. The second annual report of Mayor Stokley - a large and instructive volume of 900 pages-has been issued. Butter is retailing at 50 cents per bound; apples 15 cents half peck; potatoes 20 cents; tomatoes 12 cents; eggs 35 cents the dozen; sweet potatoes 30 cents half peck; chickens 25

cents a pound; corn 20 cents a dezen. A general meeting of the stockholders of the Pennsylvania Railroad will be held here at noon on the 3d the report of the Investigating glary; the negro county Treasurer Committee. The creditors of Jay Cooke & Co.
