TO OUR PATHONS!

Thos: indebted to us for advertising or subscription, are requested to settle at once. The amount due from each is small, and will seriously inconvenience no one to pay; but the aggregate is large, and if paid would enable as to pay every dollar we owe. Our outlays for paper, printing material and to our employes, are all cash, and must be paid. We therefore request, as a favor, that each one who reads this paragraph will ask himself the question, "Am I in the de to Tue Escare Correr ?" And if so, let him resolve TO PAT AT ONCE! Don't wait for a dun on a postal card. Who'll be first?

THE SNOW-SHRIEK.

When the snow-shriek rings scross he plains and prairies of the great Vest, folks who have a love for their fe don't care to camp out. The Inians strike their lodges at the sound ad make the best of their way to helter among the bluffs, or in a wooded tract. As for the settlers, ney take wagons and hurry off to the earest town, leaving everything be ind to its fate.

My story is of the far West. Alberic Parnell was a tall, maril, oung fellow, with a bronzed face and lark bair, strong, indeed, and of a innutless courage, as was reported at not, like Caryl Winthrop, a musi ian, a sketcher and a poet, to whom reign languages and art talk were

amiliar Both loved, and, as is often the ase with young men, both loved the sme person-handsome, lovely Me-

din Stewart. There was this advantage on the art of young Winthrop-be had sed not in val: . An int male friend I e parents of the young lady, is was believed by all that he was enuged to her, and would make her

Alberte finding that his said was in ard, had prepared to leave the vilare, and we had bits one evening adding adieu to Mosella, preparatory Lis goreg.

As o'll friend of hers, she wishes to to at with him kindly; out he, near, the ear, it is the best of wall constitute parties to in tall c. stories as saca a parcing migh-· zpect to be.

As Alberic bade acitea and rode off, the loud wail of the snow-shrick was neard moaning bitterly over the

rairies. Thirty-six hours later the sad, monotonous sound of the snow-shrick bad swelled into a menacing rour, as of augry fieuds let loose to ravage and destroy, and a tilmy veil drawn over the western sky, had darkened from white to orange, and from orange to sable, and then, borne on the mighty wings of an icy wind, there broke upon the Territory the force of such a suow-storm as the bardiest farmer there had never pictured. came the whirling flakes, thick, Leavy, pitiless; accompanied by a crael cold like death's own touch, that pierced through fors and buffalo-robes, and numbed the limbs and chilled the marrow, while still the blinding snow iell and fell, and swept along before The above table includes the votes tue furious gale, like so many white Pool a majority of 14,036 over Pornell. from the lately subjugated land that ad been so recently won from the wilderness.
