A FRAGMENT FOR THE

YOUNG.

Are there any among you

my young friends, who desire to

preserve health and cheerfulness

through life, and at length reach

a good old age? If so, listen to

read in one of the newspapers of

the day, that a man had died

near London at advanced age of

110 years, that he had never been ill, and that he had main-

tained through life a cheerful.

happy temperament. I wrote

immediately to London, begging

to know if, in the old man's treat-

ment of himself, there had been

so lengthened and so happy, and

the answer I recived was as fol-

was ill and was of a contented,

what means this old woman had

used for preservin her health, and

liness and in the dayly habbit of

washing her face, feet, and hands

in cold water and as often as op-

portunity offered, she bathed in

the same; she never ate or drank any delicacios or sweetmeat : seldom coffee, seldom tea, and never

that near St. Petersburg a man

died who had enjoyed good health

till he was 120 years old. Again

I took my pen and wrote to St.

Petersburg, and here is the an-

time; he never was idle; he work-

ed and employed himself chiefly

in his garden. Whether he walked

or sat in his chair, he never per-

mited himself to set away, or in a

dent posture, but always perfect-

ly straight The luxurious effem-

inate habbit of citizens he held

After having read all this in

my little book, I said to myself

"You will be a foolish man in-

deed not to profit by the exam-

ple and experience of these old

in great contempt."

"He was an early riser, and ne-
