POETRY.

THE BALLAD OF BOSS BILLEE.

It was four pirates of Gotham City,
They we e a-sailing out to sea,
In a long, low, black, brass-mounted schooner,
Which carried the name of Tammanee;
There was Rueful Richard and Cunning Peter,
And Joky Oakey and Boss Billee.

Now, when they had been some years a-sailing
It homed a regular jumbo crew;
And over-board fell Rueful Richard,
A-hunting whales with his harpoon,
Push'd in a dinghy Joky Oakey,
"It takes all our craft to carry three."

Now, when the third mate's little farmer
There were only Cunning Peter
And the cabin-boy (for Cunning Peter
Could not abide to have no boy),
Then Cunning Peter, scrap'd his fingers;

When Joky Oakey, rueful Peter,
He fell a-weeping bitterly:
"Ah, were I back in my native village,
O, sooner would I be a peddler,
Alas, there is no Joky Oakey
Against the Cunning Peter."

So Joky Oakey, and Cunning Peter—
"With your cape steer a course for home,
Joky Oakey, for cunning Peter
Will go and seek for Rueful Richard
That was so much in Widow Watkins's pocket,
To forge a letter to his mother."

And when it to Widow Charles O'Connor,
Whenever the skipper shall agree,
From a sinking ship do master the ground,
And cunning skill of navigation
To look me up, on county court-house,
Or admiralty Admiralty?"

"Do as I tell you," said Cunning Peter,
"Or else the room in our boat, you see;
Let us surrender to Richard O'Gorman,
And not risk ourselves as murderers!
Better to swing at O'Connor's main cross-trees,
Than swing at O'Connor's main cross-trees."

CHARLES LELAND FROST PICTURES.

Winter came on, and the Frost went down
O'er field and forest, and flood and town.

It found the windows clear at night,
But when morning came with its golden light,

They were all like silver, fair to see,
Chased in wonderful imagery.

"A New Year's gift to the world," said the Frost,
"Rich lace of curtains which nothing cost.

And over the wide world he went his way,
Till he passed a cell where a prisoner lay.

Then he worked the windows thickly and white,
And went freezing, freezing, on through the night.

The prisoner woke ere the rising ray,
And saw that the frost had been that way.

Then he wrote on the silvery, crispy wall
The thought that ever was on his mind—

"O carra mi Jesu, nunc libera me!"
(Dear Lord, from this prison please let me free.)

Then lighted his taper, and all along
Read in the silence till morning shone.

* * * * *

The Lord in the castle sleepless lay;
Long were the hours and he wished for day.

When full at once on his chamber wall
He saw these letters, bright, flickering, tall.

"O carra mi Jesu, nunc libera me!"
(Dear Lord, from this prison please let me free.)

Borne through the night from the prison cell,
The frost and the taper had carried them well.

Up started the Lord, amazed I wean,
For a stranger sight he never had seen.

And sought till he found what had drawn out the letters,
And then set the prisoner fairly free.

Who had writ on the window pathetically,
"O carra mi Jesu, nunc libera me!"

GREATEST Discovery F MEDICAL of the Age

Dr. Fowler's Compound Extract.

FOR THE CURE OF

Scrofula, Syphilis, Liver Complaint, Constipation, Chronic Rheumatism, Diseases of the Kidneys and Bladder, and all Blood Impurities.

We offer the above valuable and reliable remedy for the above mentioned diseases. Fowler's Compound Extract is composed of the best medicines known to Materia Medica. It is perfectly pure in its ingredients, being composed of natural vegetable extracts unmixed with any of the base Poisonous mineral which, in combination, so often ruin the blood and destroy health. Scrofula, Syphilis, in combination, scrofulous affections, and all diseases of the Blood, are thoroughly eradicated by the use of this Compound, which is the result of patient investigation, during many years, and is offered to the public as a genuine article, which may confidently be relied on in place of the worthless and poisonous Patent Medicines flooding the country, and cheerfully commended to warrant Fowler's Extract and Syphilis to be the most effectual remedy for those diseases ever discovered.

SCROFULA.

Scrofula is a constant suffering and a terrible scourge. Hardly any disease is more common, with less attention to its cure. Many think it hereditary, and that nothing can be done. In this they are mistaken. Fowler's Extract of Sarsaparilla will cure the most inveterate case of Scrofula, and restore health and happiness will soon return. Dr. Fowler's Compound is especially recommended in the treatment of Scrofula, and by its use many have been saved from the grave, and restored to the enjoyment of their best blessing, health and vigor. On the first appearance of the disease, the clear and sparkling and the whole system becomes purified.

SCROFULA.

Of all diseases which flesh is heir to none being so much to be dreaded, in relation to its effects, as Syphilis. That I can and will cure any case, no matter how long standing, or of how many years' growth, I do not say; but I do say that this remedy will help you. I have testimonials, of unquestionable character, to the truth of these statements, in the hands of the Proprietors, which I will show to any one. Dr. Fowler's Compound Extract of Sarsaparilla is a powerful, searching remedy, and, by using it faithfully, it will cure you.

We speak with much confidence of Dr. Fowler's Compound, because we know what it is composed of, and what it will do. We refer Dr. Fowler well, who is a physician of known repute, standing second to none in the country, of long experience, an honorable man, who has by a reputation for character as well as ourselves, would never allow a medicine to go before the public without its merit. And so say of this Compound, if taken according to directions, after a fair trial, it will do all we claim for it.

We offer it as a new discovery, which it certainly is, a positive article for Scrofula, Syphilis, and all blood impurities, and knowing the genuineness of it, as such, we send it forth saying "Go, Heal the Suffering!"

MESSRS. HERRING, FARREL & SHERMAN—GENT: On the morning of the 27th inst. we were fortunate enough to have one of your Herrings Patent Champion safes, which fell into the cellar among burning mass of ruins. On the 28th, to our utter surprise, we found the contents of valuable papers, money, &c., in the safe all in good order. Had it not been for your safe we would have lost everything.
