

The Pee Dee Herald.

NATHANIEL KNIGHT, EDITOR. W. J. COVINGTON, ASSISTANT EDITOR.

Wadesboro, Wednesday, May 15, 1872.

LOCAL AND STATE.

THE Rutherford Star (Radical) has busted.

A RAILROAD is to be built between Lancaster, S. C., and Monroe, N. C.

It is said that over 6,000 negro voters have left the State since the last election.

REMEMBER that the Radical State Convention has endorsed Holden's war upon the people of North Carolina.

ONE MORE VOTER.—Mars Tod has pardoned out of the penitentiary, Jas. F. Hunnicutt, of Rowan.—Southern Home.

Mrs. HORACE GREELEY is a native of North Carolina. Her maiden name was Miss Cheney. They were married at Warrenton, N. C., in 1836.

HON. J. C. HARPER, Conservative, announces himself a candidate for reelection to Congress from the 8th district.

THE Wilmington Star and Charlotte Dispatch raise to their mast heads the names of Horace Greeley and B. Gratz Brown, for President and Vice-President.

WADESBORO COTTON MARKET.—There were 36 bales of cotton sold in this market for the week ending Tuesday, May 7th, at prices ranging from 20 to 21 1/2 cents.

MR. JOHN SPELLMAN has withdrawn from the associate-editorship of the Raleigh Sentinel, and Mr. T. B. Kingsbury takes his place.

Mr. Spellman intends establishing a campaign paper at Raleigh. He is a forcible writer, and his paper will be an able champion in the coming contest.

THE American Farmer's Advocate, a large sixteen page paper, is, in every respect, worthy the patronage of the farming community, being especially valuable as the official organ of the Agricultural Congress. Its price is only \$1 00 per year. It is published by the Advocate Publishing Company, Jackson, Tenn.

NEW TELEGRAPH LINE.—The Western Union Telegraph Company have at length commenced the work of constructing a telegraph line along the Wilmington, Charlotte & Rutherford Railroad. The first hundred miles is now under contract and will be completed by the first of July. We presume the remainder of the line to Charlotte will also be put under contract without delay so that the whole line may be completed in a very few months.—Wilmington Journal.

CONSERVATIVE VICTORIES.—The news from municipal elections in towns throughout the State is of the most cheering nature, and well indicates the course of the wind that is blowing for August next.

Charlotte elects a Conservative Mayor and Commissioners.

Henderson elects a full Conservative ticket.

Fayetteville elects eight out of nine Conservative Commissioners.

Warrenton elects a Conservative Mayor and a majority of the Board of Commissioners.

Salisbury makes a clean sweep for the Conservative ticket.—Ral News.

At the recent election in Wilmington the Radicals elected six and the Conservatives elected four Aldermen. Cumulative suffrage was tied for the first time.

We had the pleasure on the 10th inst. of attending the exercises at the Lüneville School, in our county, which was mainly a continuance of May Day culminating at the crowning of Miss Lula Polk as Queen of May. "All the world is a stage and all the men and women are but players," is as true of children and youth as of maturer life. The exercises opened with the salutatory from Master Isaac Williams, delivered in a calm and measured tone, with a style which would have become even riper years, then followed the coronation proper of Miss Lula Polk, in the order set forth in the schedule below. The addresses of those who presented the sceptre and discharged their part, were appropriate, and well timed, and were original, and prepared expressly for the occasion. We are bold to say that every exercise on the whole round of the entertainment was discharged in most becoming styles. The audience was composed of the good people representing many sections of our county who were delighted with the telling points and beautiful completeness of the occasion.

It would be invidious to single out one or more instances of the talent and promise of the students who belong to the school.

But we think it but just to say that Miss Mittie Covington, who, in one scene personated a young lady (she being but about 13 or 14 years old) and in another scene personated an old lady of at least 50 years, exhibited more than ordinary ability and versatility of character.

We think that the human seed corn in that part of Anson county as good as in any part of North Carolina, and we feel that the public of that section, and the patrons of the school, in particular, ought to congratulate themselves, first, on their promising children, secondly, on the most excellent school which they have secured in their midst.

There is every mark of thrift and improvement in the immediate neighborhood of the school. We notice a large steam saw mill well advanced towards completion. And a new store belonging to Messrs. Polk & Gaddy, at which they dispense bargains to their many customers.

The mystery is solved; it wasn't Booth that killed President Lincoln, but, according to the personal organ of the Administration at Washington, the pestilent Liberals, led on by Schurz, Greeley, & Co. They were responsible for the President's taking off. A trifle premature this. These atrocious Liberals are bent on a President's "taking off" whose political funeral will cause the country neither crape nor tears—unless Thomas Murphy and his kind are minded to mourn the "hopes that leave them."—N. Y. Tribune.

Newbern will decorate the graves of the Confederate dead on Friday, and at night Prof. Daves will deliver a lecture, the proceeds of which will be devoted to erecting a monument over the Confederate vault.

In a Sad Condition.

The Radical household in Florida is in a most deplorable condition. There is a fight among the thieves over the plunder, and the contest is a sharp one. The lower branch of the legislature impeached Governor Reed, a Wisconsin carpet-bagger, some months ago. The charges against him only included bribery, swindling and rascality in all its phases and forms. The Constitution of the State provides that impeachment shall suspend the impeached party from office. As a consequence the Wisconsin carpet-bagger had to take his hat and retire. The Lieutenant-Governor was made Governor, and entered upon the discharge of his duties—the principal one of which appears to have been the removal of Reed's friends from office, and the appointment of his own in their places. The House managers appeared before the Senate to prosecute the impeachment. The Senate took to its heels and left—adjoining sine die. The Governor claims that this movement of the Senate is equivalent to an acquittal, and he assumes to again be Governor of the State.—Free Press.

A handsome young gentleman walked into the Adams Express office the other day, desired to express a package of letters to a lady, to whom he desired to return them. "What are they worth?" asked the clerk, who in making out his account desired to know what was the risk. The young gentleman hesitated a moment, then clearing his throat from a certain huskiness, replied, "Well I can't say exactly; but a few weeks ago I thought they were worth about four hundred thousand dollars."

Newbern elected the whole Republican ticket on Monday with the exception of two Councilmen.

SPECIAL NOTICES.

A NEW BEAUTIFYING AGENT.—All Dentifrices had their drawbacks, until the salubrious Bark of the Soap Tree, was brought from the Chilian Valleys to perfect the fragrant Tooth-paste, the most delightful article for the teeth that a brush was ever dipped into.

"CHILDREN'S LIVES SAVED FOR 50 CENTS."—Every case of Croup can be cured when first taken, by Dr. Tobias' Venetian Liniment, warranted for 24 years, and never a bottle returned. It also cures Diarrhoea, Dysentery, Colic, Sore Throat, Cuts, Burns, and External Pains. Sold by the Druggists. Depot, 10 Park Place, New York.

VENUS herself would not have been beautiful if her complexion had been bad. If beauty is skin deep, it is necessary to secure and retain that part of it; and ladies, instead of resorting to paints and powders, should remember that an impure, blotchy, or sallow skin is the proof of feeble digestion, torpid liver, or vitiated blood, for which Dr. Walker's California Vinegar Bitters is a safe, sure, and effectual remedy.

BURNETT'S COCAINE.—No oils, neither pomades or alcoholic washes—foreign or domestic—can compare with Cocaine as a hair dressing. It anchors the hair firmly in the scalp—gives it new life and lustre—and renders it the "crowning glory" of both sexes, old and young.

PRATT'S ASTRAL OIL.—More accidents occur from using unsafe oils than from steam-boats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents directly or indirectly have occurred from burning, storing or handling it. Oil House of Chas. Pratt, established 1770, New York. T. D. Clancy & Co., Charleston, agents for South Carolina.

A BEAUTIFUL white, soft, smooth and clear skin is produced by using G. W. Laird's "Bloom of Youth." It removes tan, freckles, sunburns, and all other discolorations from the skin, leaving the complexion brilliant and beautiful. Sold at all druggists. This preparation is entirely free from any material detrimental to health.

JUST THE REMEDY NEEDED.—Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights of painful watching with poor, suffering, teething children.

FOR DYSPEPSIA, Indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague and other intermittent fever. The Ferro-Phosphate Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

RISLEY'S GENUINE GOLDEN BELL COLOGNE WATER according to the original formula of Provost, Paris, sold and favorably known to the customers of Haviland, Harrah and Risley and their branches, for its fine permanent fragrance, is now made by H. W. Risley and the trade supplied by his successors, Morgan & Risley, Wholesale Druggists, N. Y.

THURSTON'S IVORY PEARL TOOTH POWDER—the best article known for cleansing and preserving the teeth and gums. Sold by all Druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

CARBOLIC SALVE unequalled as a healing compound. Physicians recommend it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, Sole Proprietor, 8 College Place, New York.

CHRISTADORO'S HAIR DYE.—This magnificent compound is beyond contingency, the safest and most reliable Dye in existence! never failing to impart to the Hair, uniformity of color, nourishment and elasticity.—Manufactory, 68 Maiden Lane, New York.

SVAPNIA is Opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of bowels, as is the case with other preparations of opium. John Farr Chemist, N. Y.

G. C. MILLS, WATCH-MAKER and JEWELER, Wadesboro, N. C.
