Every Dayunds medt picion rested po him Atheyagot Oh, trifling tasks, so often done, Yet ever to be done anew! Oh, cares, which come with every sun, Morn after morn, the long years

through! We shrink beneath their paltry sway The irksome calls of every day,

The restless sense of wasted power, The tiresome round of little things,"

By tide and tempest lashed in vain, Obeys the wave-whirled pebble's force, And yields its substance grain by

grain ; ' So cramble strongest lives away Beneath the wear of every day

Who finds the lion in his lair; Who tracks the tiger for his life, May wound them ere they are aware, Or conquerthem in desperate strife,

Yet powerless he to scathe or slay

The vexing gnats of every day.

The steady strain that never stops Is mightier than the fiercest shock : alone direct gross

The constant fall of water-drops Will groove the adamantine rock We feel our hoblest powers decay, In feeble wars with every day.

We rise to meet a heavy blow-Our souls a sudden bravery fills But we endure not always so The drop by drop of little ills; We still deplore and still obey

The hard behests of every day.

The heart which boldly faces death Upon the battle-field, and dares Cannon and bayonet, faints beneath The needle points of frets and

The stoutest spirits they dismay-The tiny stings of every day

And even saints of holy fame, Whose souls by faith have over

Who wore amid the cruel flame The moulten crown of martyrdom, Bore not without complaint alway The petty pains of yesterday.

Ah, more than martyr's aureole, And more than hero's heart of fire, We need the humble strength of soul Which daily toils and ills require; Sweet Patience, grant us, if you may,
