Oh! chide me not for loving them, The old friends and the true: One smile of theirs is worth to me A world of friendship new.

They've laughed with me in joyous hours, Ere sorrow caused a tear; They've whispered me, when I've been sad,

Sweet words of "bonnie" cheer.

In every changing scene of life, In sorrest and in mirth; They've been the same, those changeless ones,

Those loving ones of earth. New friends may do for sunny days, When winds and waves are still,

But when the winter-time of grief Comes o'er us, drear and chill-We pine for kindly sympathy From hearts that know us well:

We would not to a stranger-friend Our thoughts of sadness te'l. Not much care I for friendship new, I've ever found it chill;

From mine an answering thrill, Then chide me not for loving them, The old friends and the tried Believe me, they are dearer far

The hearts I trust alone can win

Than all the world beside. Washington, May 1, 1859.

THE OLD POMESCHICK'S STORW. TRANSLATED FOR THE NEW ORLEANS PICAYUNE, FROM

thousand silver roubles a year. easy, for they were no longer strangers. The with a lion in his cage than with that man in his old man was a well preserved person, of five chamber. per cent. of ROME PHOSPHATE OF LIME. It is put up in good bags, weighing about 150 fbs. each.

Purchasers will please notice that the name, "F. ROBINSON," is branded on each bag—none other is

been for two years an ensign in Pauloski's registed and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of tensor in the purpose;' and the purpose in the purpose of the came in the purpose.' As we show that the onus of whatever observed that the onus of the came in the purpose o to abandon a gay party of my comrades who which was nothing but disgust. He went to his almost the only officer of my grade left in the folded it, placed it in an envelope, scaled the en- joined us. barracks. I went to bed early and soon fell velope-not with the imperial seal but with a asleep. I was awakened from my sound slum ring on his finger. Then he came to me 'Rewhispering into my ear: Dmitri Alexandroviten, among a thousand to execute my orders, because whispering into my ear: Dmitri Alexandrovites, what gross wake up! I opened my eyes, and I saw a man I believe that you will faithfully execute them. I believe were we going? I cannot tell you. What do you I where we going to do? I had not the four soldiers got into disregard of truth to say the "onas of whatever extravegance has characterized into of this Government for the personnel for the personnel of this Government for the personnel of low you? where?" 'I cannot teil you. Know it is the Emperor's order.' A cold chill ran through me. 'The Emperor's order! what could he want with me, a poor ensign, of good family it is true, but too far removed from the throne it is true, but too far removed from the throne for it to be possible my name should ever have the farmed by which I entered; my guide was waiting there were cold. The old man was almost stark maked, is full of the most stupendous and unblushing reached his car. I remembered the terrible for me. The Emperor closed the door, saying: but the Governor did not offer him even a bina. Remotardes, and we are sure the people are too ket to cover him. I thought for a moment of intelligent to be misled by florm for a moment. Russian proverb which arose in the reign of 'Dust, dust, dust, remember!' Russian proverb which arose in the reign of Ivan the Terrible, 'Near the Czar, close to Death.' Nevertheless I could not hesitate. I seen and heard, until my guide said to me, 'Come Governor read my thought and said; 'It is not jumped up and began to dress. Then I closely on!' We walked on, but by a different path worth while.' So I kept on my cloak. We examined the man who had come to wake my.

The Democratic party, the organized party, the organized said to me, 'Come Governor read my thought and said; 'It is not when the Richmond Enquirer said some time from that I had come by. A sleigh waited for drove towards the River Neva. When we the Buchanan Administration, had "run up Hid as he was in his furs, I thought I recognized an old Turkish slave, who rose from being a barber to be the Czar's favorite. This being a parper to be the Caar's lavorite. This pus Martius, and crossed the Neva on the ice. cut our faces; it was one of those terrible drift by their affectation of a viring which they do would perhaps have been dingerous had it. The night was as dark as pitch, and the wind olew ing snow stories such as are never-seen except not possess, but to hold them to a just accountabeen too long. I am ready at last, said I, buckling my sword around my waist to be ready
for any contingency.

My uneasiness increased

The digit was as pitch, and the wind elevations dark as pitch, and the wind elevation in a violent and lugubrious manner. We were
in the Gulf of Finland. Accustomed as we billity for their reckless disregard of public inwere to the darkness, we could not see ten paces

My uneasiness increased

My uneasiness increased

My uneasiness increased when I saw my guide go down a small stair case sleigh was before the Governor's house. The land on the river the drifting snow storm burst - per Dr. Abbot, the collector of the valuable leading into the cellars of the immense barracks, password was given, we entered the Governor's upon us in all its violence. You cannot congallery of the Egyptian antiquities, died near instead of carrying me out by the main door. house as we had entered the fortress. The ceive what a terrible thing is this tarnado of wind Cairo, Egypt, in March last. He had spent instead of earrying me out by the main door.

by salling at High Mount Tannery, four miles west of Wadesbore', they will find a large stock of LEATHER of all kinds BOOTS, SHOES, HARNESS and SADDLES, nearly and substantially put up, which will and shall be sold to be sold as the stantially put up, which will and shall be sold as the stantially put up, which will be to crue the stantially put up, which will be to crue the stantially put up, which will be to crue the stantially put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, which will be to crue the stantial put up, w thousand silver roubles a year. Although this me, and as he was very low of stature, he stood of man was said to be very inhospitable, my friend did not hesitate to ask permission to spend was the same person he had selected that morn-the night in his house. A place at the stove no ing. for he nodded his head approximally, and the walls of the fortress, for the diagram was to the field that the country and the walls of the fortress, for the diagram was to the field that the country and the walls of the fortress, for the diagram was to the field that the country and the walls of the fortress, for the diagram was to the field that the country are the field that the country ar Russian peasant ever refuses to the stranger, turning on his heel, said, abruptly, to my guide, The old man invited him in, and my friend found 'You may no.' My guide howed and went seated at the table with his host a near neighbor out, and left me alone with the Emperor I do of my friend. Conversation was consequently declare to you. I had rather have been left alone

The passage where we sign of secret orders. He bowed, made an almost forever. I thought we might rest one of these were was evidently a subterrancan vault, some imporceptible sign of the cross, and opened it air holes and disappear in their unfathom-seven or eight feet wide; the humidity of the He read the order once, looked at me, read it a able abyss. Good Heavens: What a night; I We now reached another door still; a sential paced before it. My guide laid his hand on my shoulder, saying, 'Take care, you will be in the Emperor's presence in a minute.' He whispered steps, twenty five steps in all. Here we stop was in all as the restrict of the fatter stood on one side, ped. The doors were all numbered. This fact which is the fatter stood on one side, ped. The doors were all numbered. This fact which is the fatter stood on one side, ped. The doors were all numbered. This fact which is the fatter stood on one side, ped. The doors were all numbered. This fact which is the fatter stood on one side, ped. The doors were all numbered. This fact which is the fatter stood on the sential before a door marked. No. 11, then an order, and the above the returned to the TRANSLATED FOR THE NEW ORLEANS PICATURE, FROM OPENED UNAS.

One of my friends was hunting about a hundred worsts from Moscow, September, 1855.

The noise we made in entering the room made speech as well as the dead. It was a made in the form sold degrees below zero out of doors. In the distribution of the form sold degrees below zero out of doors. In the distribution of the form of the sold man sold may expect a way. It is made a sign to the turnkey, it is made as in the dead, it was a made in the form sold man sold man sold made a sign to the turnkey. It is made as in the dead, it was a made in the form sold degrees below zero out of doors. In the distribution of the form of the doors which came had a sign to the turnkey. It is made as in the dead, it was a made in the form of the doors which came had been as well as the dead. It was a made in the form of the doors which came had a sign to the turnkey. It is not the dead in the form of the doors which came had been as the dead. It was a made in the doors which came had been as the dead. It was a made in the doors which came the doors which came had been the doors with the degree as well as the dead. It was a made in the doors which came the doors which came had been the doors with the degree as well as the dead. It was a made in the doors which the doors which came the doors which the doors which the doors which the doors will be the doors which the doors which as the doors which the doors which as the doors which the doors which as the doors which the doors which the doors which the doors which as the doors which the do to think of returning home that evening. He was near a small bouse which belonged to an aged man of noble birth, who had lived there for seven and fifty years. This old man had taken possession of the house in his twentieth year; this man to tarn around. I recognized the Em.

THIS UNEQUALED FERTILIZER, COMPOSED of one-half best PERUVIAN GUANO, one-half fine GROUND BONE and the best PHOSPHATIC GUANO, is in condition for immediate use, being prepared by new and improved machinery, by which means the most perfect combination is effected, reduc-most be most perfect combination is effected present. The most perfect person, of five chamber. The Emperor did not seem to pay the least of the flower work has been it? you have seen it? you have see ling all to a uniform fine powder; and for application by DRILL or otherwise, it is in the most perfect order.

And I have no hesitation in saying, that for ALL CROPS it is equal to any fertilizer ever offered to the wind from how for the window of pine, poplar, walnut or mahog-farming community. The Quality will be gentled and the community of the quality will be good to describe the perfect order.

Bilinds, Doors, Sash, Shelving, or any other work with large folds; gray frock coat and cap, where his souff box was lying and take a pinch. The conversation turned to make the window of his bed chamber, where shivering, bony body. Perhaps (it was the window of his bed chamber, where shivering, bony body. Perhaps (it was the window of his bed chamber, where shivering, bony body. Perhaps (it was the window of his bed chamber, where shivering, bony body. Perhaps (it was the window of his bed chamber, where the was afterwards killed. I have heard it has no subjects of cotemporary interest. They talked the was afterwards killed. I have heard it has never been opened since his death. I had time of the repair foolied at the control of the repair fool and thirty years. The Czar Nicholas had died furniture, every chair. Near one of the windows that famine worn breast. Now he was nothing again, so long as you live, ske you ever set your

and air and liberty.

"But how did it happen that a man of your birth should have quitted St. Petersburg in your eighteenth year, and bury yourself in this obscure ashes. I do not know how I managed to reply:

Surely he could not (it is impossible!) have re-livered and which first appeared in the charge of neighborhood for fifty-seven years?" asked my friend, encouraged by the tone of the old man's arbiter of men's destiny. Ah, ha! said he, as ernor, passing in front of me as he went out. I and the Demogratic party by the Opposition, and conversation to put so indiscreet a question.

"I was destiny to the delete of Heven, the great gretted any thing there? He followed the Government of men's destiny by the Opposition, and he turned his back on me, and walked up and shall never forget the glance he gave me as he is a tremendous Restaucher. As evidence of its Restaucher, then, as you say, eighteen years old. I had pane of glass, and took another pinch of souff, he conveyed in that silent glance! 'So young,' roud the following which is next to the last senbeen for two years an ensign in Pauleski's regis and came up to me a second time: 'You know,' he seemed to say, 'and already the slave of ten or in the pumphier:
