

in the premises. It is expected, therefore, that you will abstain from collecting taxes in the old issues until the action of the Legislature shall be known.

In the mean time there should be no panic among the people on this subject. All have an opportunity to fund till the 1st of August, and to pay the large tax to the Confederate government in these notes; and if the General Assembly should decide to continue to receive the issues of the second class, which will continue to be nearly as good as those of the third class, after the 1st of August, the people will not be incommoded materially, in paying the State and County taxes; and it is hoped that the issues of the first class will be nearly all absorbed by funding, and in paying the Confederate tax.

This full explanation is made to enable you clearly to understand the subject, and to explain it to others.

Until you receive further instructions, you are, therefore, advised to receive only in payment of State and County taxes, the Treasury notes of this State, the notes of all the Banks of this State, gold and silver coin, and Confederate Treasury notes dated on and after 6th of April, 1863, and the interest bearing Treasury notes of the Confederate States.

Very Respectfully,
JOHNATHAN WORTH,
Public Treasurer.

THE WEST.—According to some theological writers, who have undertaken to unravel the mysteries of prophecy, the combined hosts of Gog and Magog are to meet in the Great Valley of the Mississippi some time between the years 1860-1878, when the great battle of Armageddon shall be fought. At this battle, the blood is to flow until it reaches the bridle bits of the horsemen, and a "stink" is to arise from the carcases of the slain that will scatter pestilence and mourning through the whole land. It is to be the greatest and last battle on earth, the final contest between liberty and despotism; it is to decide not only the fate and shape the future political character of the Western Continent, but is likewise to produce a revolution in all the great monarchies of Europe. The cause of liberty is to make its final triumph; the ancient monarchies of the Old World are to give in before the conquering hosts, Israel is to be restored, a democratic theocracy is to become the recognized Government not only in North America, but throughout all Europe; Poland is to be restored to her ancient liberties, demagogism is to have its funeral obsequies, the Millennial Reign of a thousand years is to set in and (it is hoped) the Puritan Round Heads and Yankee politicians are, like their great Chief in the lower world, to be put into close custody where they may no longer disturb the public peace by a system of intermeddling with affairs that do not concern them.

The sanguinary conflict which has been progressing at Vicksburg during the past ten days, the disposition of the Yankee Government to hazard everything in the contest, the continued flow of reinforcements to both armies for several weeks past, the dreadful carnage of the Yankee troops and offensive stench arising from their rotting carcases; the locality of the hostile armies, their great and increasing numbers, and the period of time in which these events are transpiring, serve to remind us of Dr. Baldwin's "United States in Prophecy," and his theories of the great Armageddon. It cannot be claimed as a verification of his "Prophecies," however, since the character and material of both armies lack many of the essentials specified in his prophecy.—*Columbus Sun.*

The New York Herald wants the negroes to be crucified—says "we have no need of negroes at the North. Let the whole race be sent South. If they will not fight, they will do well enough to run away, but we hope they will be caught by the enemy and never exchanged. The country will have a good riddance of them."

GEN. KIRBY SMITH'S MOTHER BANISHED.—The Savannah Republican of the 11th says a flag of truce, via Hilton Head and Pocolago, brought to that city several families banished from St. Augustine, Fla., by the Yankees—among them the mother of General E. Kirby Smith.

How eloquent is "the old, homely word, Fall! The flowers fall in the garden, the fruits fall in the orchards, the nuts fall in the woods, the stars fall from the sky, the rain falls from the clouds, the mercury falls in the tubes, the leaves fall everywhere, and man falls into eternity!

ONLY WOUNDED.—During the battle of Murrefreesboro' two men, a Tennessean and Arkansian, fell in with each other, and made

that got wounded should be taken off by the other. Pretty soon the Arkansian man called out to the Tennessean that he was wounded and to take him off. According to contract, true to his word, the Tennessean shouldered him and carried him away to the rear. While going along a cannon ball came along and took off the head of the wounded man, but the bearer did not observe it. When he arrived where the surgeon was he laid him down and said: "Doctor, here is a friend of mine; can't you do something for him?" The doctor, in surprise, wanted to know why he brought that dead man to him? The Tennessean turned and looked at him, and very coolly remarked, "Why, blast him, he told me he was only wounded."

RANAWAY FROM THE SUBSCRIBER, ON MONDAY the 16th of March, my negro boy SAM. He is dark complected, medium height, 18 or 20 years old, and supposed to weigh about 140 pounds. He answers impertinently when spoken too, and has a down look. He was raised by Mr. Lemuel D. Bennett. Also, on the 27th of April, my negro woman LIZ. She is yellow complected, 18 or 20 years old, weighs about 125 pounds and has an impudent look. She will probably be found about the premises of Mr. Henry Deberry; he owns her relations. A boy named Ben, hired of Mr. John Spencer, left with the woman. He is of a black color, thick liped, medium height and size. He has a wife at Mr. Mial Wall's and is probably about there.
The woman and man, last mentioned, took with them a bundle of clothing each.
I will pay the above reward for said negroes delivered at High Mount, or confined in jail so I can get them, or \$20 for either.
