### [Editorial Correspondence ] DEAR AROUS :- Why is it that the press of North Carolina has been silent under a recent order from the P. O. Department in reference to a distribution of mail matter at way stations on the Railroads / It has been

the custom ever since the war for the route agents on the C. C. R. W. to throw off at all way atations the mail matter for that place, thereby saving a" great many persons living remote from regular postoffices, the necessity of sending several miles for their papers and letters. The regalar postoffices on the C. are from seven to ten miles apart Ad heretofore the route agents have been in the habit of making up the mail matter for prominet way stations between the regular offices, and throw-Why it off to some responsible party when the train passed these points .--You can very readily conceive that this was a great convenience to a great nany

ersons. But about a month ago buie ignitary in the Postoffice Department sines an order to the route agents forbidding this accommodation to the people, and at one fell swoop we are all ent off from our daily intercourse with the world, unless we seud from three o ten miles to a postoffice for our mail. here is the engle-eyed Bernard, who ready to resist any encroachthe rights and privileges of Where is the veteran teches when

Y., a venerable and gray-head- til she died. She was led, suffering ed old gentleman, made a very laugh- greatly from her worn out feet, into a the appropriation, while Tucker, of ter, which she drank fiercely. A Va., and Cook, of Georgia, made able more terrible sufferer from hunger, and telling speeches against the measure, as being both unconstitutional poor thing was provided for and reand unjustifiable at this time. Cook, turned to the Infirmary. How long especially, urged that the refunding of she had remained in the condition in the cotton tax, levied and collected by which she was found is unknown,the government, when the South was Albany (N. Y.) Argus. without representation in Congress, would be at least a measure of greater justice, and one more beneficial, at least to us of the South.

The defeat of the amnosty bill, if it be defeated, will no doubt influence many members to vote against the appropriation, who otherwise might vote in its favor.

The Centennial is urged as a great ational jubilee and necessity to cethe different sections of the country together, and, if the Congress refuse to pass the general amnesty hill it will be too apparent to many that the fraternal feelings that ought to subsist between the members of the various sections of the country is wanting, and that the Hendrix. At last accounts the murderer \$1,500,000 is only wanted to make a great demonstration which will inure

only to the benefit of only one section pon long esof the country at the expense of the e in poising other. LATER .- The news brings intelligence

of the passage of the Centennial Approprisation Bill by a vote of 146 to 130.

## STATE NEWS.

Capt. O. H. Blocker has presented the editors of the Fayetteville Gazette with a bunch of strawberries, grown in the open air at this season.

A ticket for 500 miles can now be bought at any of the stations along the W. N. C. Railroad for \$12.50. This is only 24 cents per mile.

Stephen Young will be hanged in Chester on the 28th instant for the murder at Blackstock of George Mercer both colored.

Governor Brogden has received intelligence from Mockville, Davie county, of the killing of Robert Seford by W. A. Printin had not been arrested.

The Toisnot Transcript says: Mr. W. R. Carter, of Nash, made 35 bales of cotton on 30 acres and on 54 scres worked by himself and tenants, over 53 bales were made, his whole farm of 81 acres making 88 bales.

The Sentinel says that fifty penitentiary convicts left Raleigh on Wednesday evening to work on the Spartanburg & Asheville railrousi, and 50 more leave in a short time to shavel dirt on the Western North Carolina road.

Negroes migrating. Goldsboro Messenger, There seems to be a large exodus of negroes southward. Trains pass here daily with large num-bors of able-bodied laborers.
