STATESVILLE, N. C., WILL practice in the counties of Iredell, Wilkes, Catawba, Burke, Alexander and L'neeln, sho in the Supreme Court of North Carolina, and the District and Circuit Court of

CHARLOTTE ADVERTS.

To Merchants Every where, the Wholesale House of Wittkowsky & Rintels Send Greeting :

Too well and favorably known in North and stead and tull exemption to the petition on South Carolina, parts of Tennessee and Virgin-old debts. proprietors devm it unnecessary in again coming before the public and soliciting their patronage to go into a long flourish as to their immense stock and commensurate Will and abillity to sell Goods Low.

We therefore content ourselves by simply announcing that our business having increased \$200,000 in one year, and Charlotte having additional Railroad facilties watrants us in still We shall have in store by the 10th of Sept., class of goods that go to make a complete as-3-1y sortment for a Store, which we offer to the trade at competing prices with any Jobbing

House from New York to New Orleans. All Merchants in North Carolina have the

additional advantage, that by buying in the State, they have no purchase Tax to pay. We also have a retail department, where we

keep everything from common to the very best. Also, have a Carpet and Milliner department. WITTKOWSKY & RINTELS. Charlotte, N. C., Aug. 6, 1873.

LIFE. The sky doth hardly brighten Till clouds begin to rise,

The heart is searcely gladdened When tear drops fill our eyes No blessing even comes to us But soon again departs. No sooner dawns a pleasure

Than sorrow fills our hearts : And hope may seem the brightest Just when a storm is pror, And all may look the darkest When joy is almost here.

Tis thus this whole life seemeth. A constant changing scene Of happiness and sadness, With grief and joy bet deen." A place of care and trouble,

Of sickness and of pain-No sooner rest we from them Than they return again, But when we've crossed the river And reached the Other Shore, Then changes, fears and sadness

> -----COOING IN VAIN.

Shall fill our hearts no more.

"I don't see why it would be wrong for me to know what is in that will." The speaker was a bright, handsome girl of seventeen-Rena Crocker-the

grand-daughter of rich old Steven 6 if Crocker, whose death a day or two before had brought sorrow to few hearts. Two grandchildren-Horace Warton and Rena-were his only relatives, and constituted his family. Horace was as mean of act and disposition as the old man himself. Rena was a beauty nd an amiable girl when she chose.oung as she was, Rena was a worldly ninded coquette to the very core aleady. She had resolved to get mar ied-She had resolved to get well narried-that is to say, to some peron of wealth and station-both togethr if possible, but the former preferale, and then to enjoy herself at the tmost swing of fashionable dissipaion and luxury for the remainder of er existence. "I don't see how it would be any arm," continued Rena, "as I wouldn't lo anything but read it, and there's no mowing how it might be tampered with by that rascally cousin of mine before it is read next Saturday.] imagine grandfather left the bulk of is property for me, but there's no elling what notion the old fool may nave got into his head. Rena was alone in her chamber .--To think was to act with her. She knew the will drawn up and signed by the old man a year before his death was in the desk in the dingy old library. She had often seen it, and wondered what were the contents so closely sealed from her eyes. It was dusk. and as she stole along through the dreary hall she half relented, and finally paused on the threshold of the room she was seeking. Then chiding herself for her weakness, she stole in. got the key of her grandfather's desk, and sealed as she had often seen it. "But I'm no better off than before, she muttered. I can't-open it." It was useless to peep into its folds

enough, yes." "Would two humbred consince you ?" "No." "Five hundred "

Intelligencer

"Yes. Horace counter out the sum from Horace counter out the sum from his pocket-book, which he had filled for exactly this continuency, and the law yer took it, carefully counted it, and transferred it to his own pocket. "Now," he said." you may prepare yourself for the warst possible news. You are, by this will, cut off from eve-ry dollar of your gradiather's estate."

happiness, we are given the power to To which the beauty assented, and work. Every goal that we have reached Horace kissed her. She didn't recent is not only pleasant for the prize obhis impudence. On the contrary her tained, but for the long days spent in three, twenty four, twenty five, twenty the hunt more than the vension. It is not the possession, but the act of acquiring that gives the charm. Refusal of usual labor drives a man to folly. Paul says there are men that do nothing, but are busybodies. Adam was put into the Garden of Eden to dress and labor in it. Indolence is the fool's paradise. If this was the law for Ad am, it is the law for Adam's posterity. In the New Testament we are commanded to be diligent in business. We speak of the activity of nature, but it is really the activity of the God of Nature. When Deity became incarnate He spoke of his father as working, and He himself was always going about

There is work of mind

to need no argument or illustration. honor. When we see the plowman

Anger and Enumeration.

A Danbury man, named Reubens, recently saw a statement that counting one hundred when tempted to speak an angry word would save a man a great deal of trouble. This statement the more he read it over the more fa vorably he became impressed with it. and finally concluded to adopt it. Next door to Reubens lives a man

who has made five distinct attempts in the past fortnight to secure a dinner of green peas, by the first of July, and every time has been retarded by Ren bens hens. The next morning after Reubens made his resolution this man found his fifth attempt to have mis-

carried. Then he called on Reubens "What in the thunder do you mean

by letting your hens tear up my gar

Reubens was prompted to call him a mud-snoot, a new name just coming in general use, but he remembered his resolution, put down his rage, and meekly observed-"Ong, two, three, four, five six, sev

en. eight -Then the mad neighbor who had

been eveing this answer with a great deal of suspicion, broke in again

"Why don't you answer my question, you rascal !

But still Renbens maintained has equanimity, and went on with his test. "Nine, ten, eleven, twelve, thirteen, fourteen, fifteen, sixteen-The mad neighbor starred harder

than ever. "Seventeen, eighteen, nineteen, twen

ty, twenty one-"You're a mean skunk, said the mad neighbor, backing toward the fence Reubens' face flashed at this charge. but he only said-"Twenty two, twenty

house, and entering it, violently slam or allusions that you think she herself med the door behind him ; but Ren would blush to hear bens did not dare let up on the ena When you meet with men who do

meration, and so he stood out there not scrupie to make use of a woman's alone in his own yard, and kept on name in a reckless and unprincipled counting, while his burning cheeks and manner, shun them-they are the very flashing eyes eloquently affirmed his worst members of the community. judgment. When he got up into the men lost to every sense of honor, eve

shrick, told us that one of our best men, Bradley, was wounded Heave claimed his agony with a loud voice. turning over on his back, and com menced kicking so vigorously that the surgeon had difficulty in getting in reach of him. "Poor fellow," said the doctor, as he saw a whitish liquid oor ing out, shot in the bladder; I and afraid its fatal, and he commenced sounded a little singular at first, but opening his coat - Oh, me, said Brad ley, 'I'm a dead man : I'll never get over it. 'Keep. up your spirits, my boy; never say die, said Captain

> Johnson, kneeling kindly over him Doctor, asked the wounded soldier feebly, will you write to my mother and tell her that I died bravely doing my duty, with my face to the foe, and that I thought of her when L was dy ing

Yes, yes, said the doctor, with dim eyes and a husky voice, 'I will write to her and tell her, too, but suddenly springing to his feet with an indigrant and angry voice added-

Why, counfound it, man, you are not hurt a bit ; it a only your canteen that's shot, and that a the water from it : get up, will you.

Bradley raised up slowly, felt him self all over, and with an exceedingly foolish countenance, crawled back to his position, amid the uproarious laughter of the whole regiment.

For months after that, on the march or in camp, and some times in the stillness of the night, you would hear a voice in one direction demanding what shall I tell your mother ? And perhaps a half dozen responses would be heard. Tell her I died with my face to the foe, and then Canteen Bradley would come out and angr ly hunt for the man, that said it. He seldom found him, but when he did there was certain to be a fight.

AN IYEM WHICH EVERY MAN SHOPLE READ -- We have probably all of us met with instances in which a word heedlessly spoken against the reputa tion of a female has been magnified by malicious minds until the cloud has on the fence in some haste, but sud been dark enough to overshadow her denly thinking of his peas, he opened whole existence. To those who are accustomed, not necessarily from had "You mean, low live rascal ; for two motives, but from thoughtlessness-to these hints as worthy of consideration: Never use a lady's name in improp

er places at an improper time or in mixed company. Never make an asser Here the neighbor broke for the tion about her that you think untrue.
