OUR Cumberland friends are wide awake and doing noble service. The gallant young orator, Guthrie, is dealing some telling blows.

WE have received cheering news from the Sixth Congressional District. It will be a grand success for our noble Dockery to overcome that tremendous ku klux majority.

ACCIDENT.—A freight train on the W. & W. Railroad ran off the track a short distance from the depot yesterday, which prevented the inward bound passenger train from running into the depot. Nobody hurt.

At a meeting of the delegates to the Republican convention from the various Wards in the city, held last evening, Geo. L. Mabson, E. R. Brink and Jos. C. Hill were elected as delegates to represent the township of Wilmington in said convention.

At a meeting of Clarendon Lodge No. 2, K. of P., held last evening, Mr. Jno. London was elected W. C. and John Dudley, Esq., V. C. These officers, together with the G. I. S. and L. S., who will be appointed by the newly elected W. C., at the time, will be installed on next Wednesday evening.

OAKDALE CEMETERY.—In our columns to-day will be found an advertisement of this company, relative to breaking or removing any tree, shrub or plant. ## THE TOWN CRIER.

—Gold 113 1/2.  
—Variagated day.  
—The air is mighty thin.

—Rail road cars rapidly rush through the dust.

—Judges may look cool and comfortable, but they would rather be catching soft shells.

—A heterogeneous mass of sweltering humanity—the crowd of attendants at the court house.

—Lieut. E. Biondi has returned from among the Yankees and gone to his regular "biz" on the SEWARD.

—The SEWARD again showeth its cheerful figure-head. Ye officers gallantly glide about the streets.

—The straightest man mentioned in the Bible was Joseph—he was so straight that Pharo wanted to make a Ruler of him.

—The comic little horsefly trips the light fantastic toe up and down the backbone of sensitive horses, and nets are in great demand among equines.

—Henry Ward Beecher, endorsed by all who have out-door business to attend to. Said H. W. B. having spoken of the weather as being d—d hot.

—Witnesses in court want God to strike them dead as He did Mr. and Mrs. Annanias, of old, if they speak not the truth. Whereat the hearers smile audibly and the Sheriff sternly calls out silence.

Dr. H. E. Brown is in the city from Washington, getting up the statistics of diseases in this city for the past twenty years, in order to establish a better quarantine system.

ADVICE.—Some of our merchants have been in the habit of purchasing witness tickets of impetuous witnesses and have often been severely bitten. We earnestly advise all speculators to be very cautious how they purchase, for under the present law, every new ticket, paid by the county will only draw half rates. The Clerk of the Court will always be happy to afford any information in his power, in relation to tickets.

"TRAIN LIGUE."—We have received several copies of this paper, published in 1871, together with circulars and cards and profane political poetry in abundance. The "Ligue" wants subscribers who advocate George Francis Train for the Presidency. We fear his editor will fail to realize a large profit from this vicinity. The people are not yet tired of GRANT. George Francis is about the most dangerous Train on which a man could embark at this time.

REPUBLICANS do not forget that the nominating Convention will be held at Rocky Point on Saturday, the 29th of the present month. Be sure to have every township and ward represented. Come prepared to make wise selections of candidates to fill the various offices to be voted for on the first Thursday in August. Be up and doing, and success is sure. All things are favorable for a grand Republican victory in August, if we but do our duty.

YOUNG MEN'S CHRISTIAN ASSOCIATION.—The Young Men's Christian Association of Wilmington, N. C., hope, through the liberality of our citizens, to be able to enter their new rooms, on Princess street, on the first of September, with a good library, and will call on the public through their General Business Agent, Mr. W. R. Kennan, for contributions for this purpose.

The organization and objects of the Association are known to our citizens, as well as the successful operation of similar societies elsewhere; and we trust they will not lose this opportunity of contributing liberally to a cause which so liberally commends itself to all good men.

B. B. HALL, Ch'mn.  
J. W. HINSON,  
F. G. ROBINSON,  
R. W. HICKS,  
Finance Committee.

We heartily commend the object above and hope it will receive liberal aid.

[Signed] J. C. Hiden, Pastor First Baptist Church; A. F. Dickson, Pastor First Presbyterian Church; G. D. Bernheim, Pastor St. Paul's Evangelical Lutheran Church; A. A. Boshamer, Pastor Fifth Street M. E. Church; H. B. Burr, Chaplain Seamen's Aid Society.

## STATE ITEMS.

PLENTY of green corn and other garden stuff in Raleigh.

MURKINSBORO has a curiosity in the shape of a horned frog, brought from Texas.

SUBURBAN cities do a big trade in the blackberry line this year, and opposition runs high.

SCHOOL examinations and closing exercises are the order of the day throughout the State.

The Weldon News complains of an excess of rats, flies and such like cusses in that sweet town.

A LUMP of gold, weighing half a pound, is said to have been recently found in Union county.

It is expected that the cuts on the W. C. & R. R. will be running to Wadesboro by the middle of July.

SMALL POX and the fever for vaccination have made a simultaneous appearance in Warren county.

HARD luck, but good—the finding of an iron mine in Gaston county, and preparations are being made to work it.

THEY have whip snakes in Rockingham county twelve feet long, with their tails platted like the lash of wagon whips.

JUDGE LOGAN has granted an injunction against the bondholders, restraining the proceedings to take possession of the W. C. & R. R. R.

RIDGEWAY, N. C., is shipping peaches in large quantities, constructing fruit drying establishments, extending nurseries and going ahead generally.

Gov. CALDWELL has issued a requisition on the Governor of Virginia for the delivery of Lewis Jordan, charged with crime in Granville county.

THE Magnolia Monitor tells of swine in its little town who get drunk and make themselves ridiculous. He says they are quadruped animals, not bipeds.

THE Raleigh Sentinel complains of little darkies whistling on the streets, and the Observer puts Charlotte against the world for that kind of music. Wilmington is some in that line. She is.

SWAMP ANGELS in Lumberton. The beautiful face of the Angel Queen was lately seen in the office of the Sheriff and Clerk of Robeson county, asking pecuniary assistance for several orphan H. B. L.'s of hers. Look out for your laurels, Agostini!
