The Election takes place on Thursday the first day of August.

I. O. of M.—A meeting of North Carolina Lodge No. 1, will be held this evening at 8 o'clock.

The hot boxes are all ready, and all we have to do is to fill them with straight Republican votes.

SICKNESS.—We learn with regret of the quite serious illness of Capt. Fitzgerald of the City Police. Hurry up and get well Capt., we can't do without you!

PUBLIC SPEAKING.—Hon. F. L. CORDAZA, Secretary of State, from South Carolina, will address the voters from the steps of the City Hall to-morrow (Wednesday) night at 8 o'clock.

WISHART and MCKAY, the men who killed Tom Lowery, were in town last evening and left on the seven o'clock train for Lumberton this morning. They are fine specimens of our country yeomanry.

The Election takes place on Thursday the first day of August.

WATCH THEM.—One vile scheme of the Democrats, is to steal the registration books in precincts where the Republicans have large majorities, thinking thus to defeat voting. In such cases it is the duty of the poll holders to proceed without registration books.

JUDGE CANTWELL brings us cheering news from Bladen County, and assures us that the Republicans are confident of success, and that everything looks promising for an overwhelming victory. He reports that the Republican majority will be greater than ever before. We hope so, but in the meantime don't stop working.

FINE GRAPES.—We have received from the vineyard of J. B. Stanley, Esq., some fine specimens of a grape called the "J. B. Stanley Hybrid," which has been developed by the proprietor after several years of difficult labor. It ripens by the first of July, is of exquisite flavor, large size and commands itself to the attention of all lovers of this most delightful fruit.

NO DISORDER.—We would entreat our colored citizens who are to participate in the election on Thursday, to do all in their power to prevent disorder before and upon that day. The eyes of your Democratic opponents are upon you, and any breach of decorum will be seized on by them as great political capital. Let us show them that we can have a quiet election.

ONLY ONE DAY'S RESIDENCE IN A PRECINCT IS REQUIRED!

REMEMBER a vote for Merrimon is a vote against the Constitution. It is known to every one that the Democratic Legislature attempted to call a Convention and the people repudiated it. They are now trying the same dodge again. Do we need our Constitution changed now any more than we did a few months ago? All persons in favor of stability and good government, will vote for the Republican nominations and save the HOMESTEAD and MECHANICS LIEN LAW. A vote for Democracy is a vote against them.

THE TOWN CRIER.

—Gold 114½.
—Thermometer 90.
—Carriage business brisk.
—Two runaways yesterday.
—More people leaving town.
—Town full of country people.
—Registering begins to look up.
—Every one at the barbecue day.
—The Sounds are the coolest place during this weather.
—All whiskey mills to be closed on the day of election.

YOU CANNOT REGISTER ON ELECTION DAY!

To the Voters of New Hanover County.

The apparent dissatisfaction existing among the people to the candidates now appealing for the suffrages of the voters of New Hanover county, for the office of Register of Deeds, and the earnest solicitation of numerous friends induce me to announce myself as a candidate for that office. My long experience in the duties of the office will be a sufficient guarantee of my capacity. I give the assurance of a faithful discharge of duty of an office that in my opinion should know no party.

July 29-4f Wm. M. HARRISS.

DEVOTE TUESDAY, WEDNESDAY AND THURSDAY TO YOUR COUNTRY.

Register! Register!!

The attention of voters is again called to the fact, that an entire new registration is required in said Ward, in consequence of its having been divided into two election precincts.

All persons living north of centre of Bladen and Moore streets will register and vote at Thornton's cart house.

All South of Bladen and Moore streets will register and vote at Brooklyn Engine house.

Every one is required to register before election day, as there can be no registering done on that day.

LET EVERY REPUBLICAN DO HIS DUTY.

Do not be intimidated. Stand up for your full rights. The Democrats are trying all sorts of devices to prevent a full Republican vote. Be sure and register properly and then be sure and vote the Republican ticket. If we can have a fair election, we can carry the State. Shall we do it? Do not engage in riotous conduct. Be cool and use temperate language, but stand up for your just rights. If you are entitled to vote, do so, and vote in accordance with your conscience. If you will consult that, you will be sure to vote the regular Republican ticket without a scratch or mark. Mutilated tickets annoy the judges of election, and if you have any regard for them you will vote a clean ticket.

A VOTE FOR CALDWELL IS A VOTE FOR GRANT.

ENTHUSIASTIC MEETINGS.—We have received from Harnett and Federal Point Townships the most cheering news. Both meetings were largely attended and remarkably orderly. If the tenets set forth in the following resolutions are strictly carried out we need have no fear of defeat. From Federal Point we have the following resolutions:

Resolved, That we, the Republicans of Federal Point township, believe in adhering strictly to the nominees of our party, and that we cheerfully and willingly pledge ourselves to stand by and support the nominations made at the Rocky Point convention on the 29th of June last.

Resolved, That we ignore and discountenance the action of all men who are trying to split the Republican party and that we deprecate the actions of all men who attempt to run as independent candidates.

J. R. SNEEDEN, Chm'd.
W. H. MONTGOMERY, Sec'y.

From Harnett the following was sent:

Resolved, That we, the Republican voters of Harnett township earnestly believe in adhering strictly to the nominations of our party and that we pledge ourselves to a man to stand by the regular Republican ticket as nominated at Rocky Point on the 29th of June last.

Resolved, That we ignore and discountenance the action of all men who are striving to cause discord and disaffection in the ranks of the Republican party.

EDWARD McCABE, Chm'n.
HENRY NIXON, Sec'y.

WATCH THEM AGAIN.—There is a plot on the part of the Democrats to challenge voters in all the places where the Republicans have large majorities, and thus prevent a full vote. Every man who enters into this conspiracy must be spotted, and at once reported and brought before the United States Court. Look out for the scoundrels and get their names!

The Election takes place on Thursday the first day of August.

DIDN'T SCORE.—Many threats of violence were made in Onslow county to our Republican speakers, but they persisted in speaking and have done much good. Onslow is a Democratic stronghold, and they have had their own way there so long, they think they own every one to it, but we are happy to state that they labor under a mistake. Clubs, knives and similar arguments, may quiet, but they don't convince. This time, they didn't even silence the Republicans who went there to speak—and spoke.

Mayor's Court.

His Honor JAMES WILSON, Mayor, presiding.

THERE was two cases on the Mayor's Court Docket this morning. One for disorder and one for lost riding.

BENJAMIN LIPSCOMB, disorderly conduct was bound over to the Superior Court in the sum of \$200.

THOMAS JONES for fast riding had his case continued. Too much care cannot be taken to avoid frightening children and ladies who are passing the streets by driving or riding at a pace unusual. There is a city ordinance to prevent this nuisance and it should be rigidly enforced.

ONLY TWO MORE DAYS TO REGISTER!

ABSALUT.—A murderous assault was made on EPHRAIM HOWE, one of the Township Board of Caswell Township, by a party of democrats last Monday, while on the Board attending to his official duties. His head and arms are badly bruised, so that he carries one arm in a sling and was covered with blood. He took out a warrant before Wm. McLaurin, Esq., and we expect the parties will be arrested and brought down for trial when all the facts will be developed.

It seems there is a discussion as to the dividing line of the Township, and the Democrats had challenged many of the colored men living along the line. Howe believing it to be his duty, as a member of the Board and a citizen, challenged the balance of the residents along the line, comprising three white and two colored voters. For this he was assaulted. The parties will be arrested and if found guilty will be punished. This kind of argument has got to cease.

YOU MUST REGISTER BEFORE THURSDAY!

The Swiss Times in giving further particulars of the proceedings of the Board of Arbitration, says: "The Board has disallowed the claims of the American government arising out of the depredations of the Boston, Jeff Davis, and several other smaller confederate cruisers."
