LOCAL ITEMS.

Just received at VanOrsdell's another lot of those Beautiful Walnut Mouldings.

Republican Jubilee August 14!
All sorts of blanks printed and for sale by S. G. Hall, Office on Princess st.

PLENTY of shrimps and fish in market.

CANTELOPES are becoming scarce and not very good.

HENRY ANDERSON was committed to the guard house for contempt of court.

THERE was a meeting of the Cape Fear Building Association to-day.

MR. W. H. GERKEN, who has been seriously ill for the past four days, is recovering.

HON. Silas N. Martin has returned from Maine and will remain in town for a few days.

THE grand Republican jubilee will take place on Wednesday. We must have a successful celebration.

ALL the printers have bought tickets in the Charity Hospital Lottery. We hope to see big prizes drawn in our office.

We hope that the trouble between the questionable women has at last settled down. Both parties have been held in bond for the Superior Court.

W. COWAN GREEN has just received a new invoice of drugs and toilet articles. He has also on hand a fresh lot of the incomparable ink eraser.

A SLIGHT difficulty occurred on Front street this morning caused by the resistance of a colored man to the proper authorities. The disturbance created quite an excitement.

THE sale of lottery tickets, to-day, has been very brisk. Dr. Norcum reports that his sales to-day have amounted to \$66 00. We wish that every seller could be as successful.

REMARKABLE.—Dr. H. E. Scott, while repairing a fence on his grounds recently, stepped accidentally into an old well and fell a distance of twenty feet, and escaped uninjured.

REV. J. C. HIGDEN, Pastor of the First Baptist Church, leaves to-day for White Sulphur Springs. He will be absent about two months. His family accompany him.

We would call attention to the filthy condition of Market street on Sunday morning. The sidewalks are covered with melon rinds and other debris and seriously discommodes the church goers.

GEORGE W. PRICE, Jr., has been removed from his position in the Custom House in this city. Mr. Price followed his own judgment in the election matter, and has no one to censure for his misfortune.

MAJOR J. C. MANN, the managing Editor of the Post, was suddenly called to New York on Saturday. He will be absent a week or ten days.

If any one feels riled at the eccentricities of the junior he can be found where the woodbine twined.

THE TOWN CRIER.

Sultry.
—Gold 115.
—Repair the streets.
—Lottery drawing to-morrow.
—Figs twenty-five cents a peck.
—Why can't printers keep sober.
—Another drunken man in town.
—More trouble among the demimondes.

—The Republican Jubilee comes off Wednesday.

—We are not carrying water so much as we used to.

Thermometer at Mebane & James Drug store 12 M. 85.

—We sent in a petition for less rain but see that it has been disregarded.

—If our senior devil keeps on growing we shall have to remodel our office.

To-morrow evening the drawing for the Charity Hospital scheme will come off. The tickets have been selling pretty well for the past four days, but we would impress an all who intend to purchase to buy early. The drawing will take place surely on the day advertised.

Mayor's Court.

His Honor JAMES WILSON, Mayor, presiding.

SUNDAY as usual was an orderly day. Four cases in Court of new date and one very old.

FANNIE TURNER for assault was bound in the sum of \$200 to appear at the Superior Court.

G. HALL, disorderly conduct, \$2 25.

J. P. BROWN, disorder, \$2 25.

GEORGE DAVIS, disorderly conduct, \$2 25.

JESSE KING, for insulting a policeman had his case continued.

ONE of the morning papers made occasion to notice the disgraceful row that occurred on Front street on Saturday evening last, in terms not at all complimentary to the police force. We can say in regard to this, that the policeman on that beat were promptly on the spot, but the birds had flown. The loud talking in which the parties indulged previous to the muss was probably mistaken for brawling.

MEDICAL COLLEGE FOR WOMEN.—We have received the tenth annual announcement of the New York Medical College for women. Though not in the slightest degree favoring the education of women to the medical profession, we cannot but favorably notice the good work which this college has done, and is doing. It educates women to be nurses and it educates women to be physicians, but we are happy to note that the classes for nurses appear to be the most complete.

The college is under the management of several of the most noted liberal medical men, and the various committees are composed of ladies of excellent reputation.

ILLEGAL REGISTRATION.—The Journal of Sunday morning contained a card, published in the Post, Aug. 1st, signed by Col. Brink, which was written in reply to an article in the Star of July 31st.

We republish the Star article, and the card of Col. Brink, and leave the public to judge of the amount of fraud intended in the advice given to the registrar.

"ANOTHER NEW DODGE.—We have it on the best of authority that the two Registrars of the First Ward were ordered yesterday evening, by Marshal Canaday and Alderman Brink, to keep the books open until 9 o'clock at night."

"A new Dodge."—Marshal Canaday and myself did not advise the Registrars to keep the books open until 9 o'clock. This was for the purpose of giving opportunity to those who had not registered to do so. This the Star called "another new dodge." But it is simply a matter of business, a matter of right and justice within the law. If the Star wants to find a new dodge, let him refer to the "pasting process."—E. R. BRINK.

By reference to the law it will be seen that Registrars are not forbidden to keep the books of registration open after certain hours; but it does seem desirable to keep them open between certain hours. The advice given by Col. Brink

could certainly give no undue advantage to either party, and was intended simply to give the laboring class of men an opportunity to register and vote, regardless of politics. If there is anything wrong in this we fail to see it.

SOUTHERN CLAIMS COMMISSION.—The following are the names of the special commissioners of the Southern Claims Commission in North and South Carolina. These commissioners are authorized to take the testimony of claimants and witnesses in support of any claim not exceeding five thousand dollars in amount, on direct application made to themselves; but where testimony is to be taken in any case over five thousand dollars, in all, it is necessary to apply first to the commissioners at Washington. These special commissioners are the only persons authorized to take testimony for the Claims Commission in their respective States, but in Florida and Texas, and other States where they have no sub-commissioners of their own, the commissioners at Washington permit the commissioners of the United States circuit courts to officiate, provided they follow the rules laid down for the regular sub-commissioners.

Where claimants who have filed claims exceeding \$10,000 in amount desire to reduce them below that sum, in order to escape the requirement of the late act of Congress that all claims above \$10,000 should be heard orally before the Commissioners, and not otherwise, they are to be permitted to file an amended account of items to effect the desired reduction, accompanying it by an express relinquishment of so much of the original account as exceeds \$10,000. This amendment to the original claim is to be personally subscribed and verified by the claimant in every case, and not by the attorney.

North Carolina—John Minor, Fayetteville, Cumberland county; Joseph Dixon, Hookerton, Greene county; Elmore W. Woods, Chapel Hill, Orange county; K. R. Pendleton, Woodville, Perquimans county; E. R. Hampton, Webster, Jackson county; W. B. Glenn, Red Plains, Yadkin county; S. H. Wiley Salisbury, Rowan county; J. N. Snelson, Asheville, Buncombe county.

South Carolina—Theodore W. Parme, Columbia, Richland county.

More brick buildings in Charlotte.

FAYETTEVILLE expects to have a new steam engine in about two weeks.

LAST Friday was the day appointed for the hanging of Newton Chandler in Charlotte, for the crime of rape.

WILLIAM RUSSELL committed suicide at Stokes Ferry last week by shooting himself through the head with a rifle.

THE Newberne Courier has a complete picture gallery in its issue of the 10th and all owing to its joyousness over the election.

A frail creature fell into an old well in Raleigh the other night, and the News says fortunately for her, but not so for the community, she escaped uninjured.

At Clinton Mills, Franklyn county, on the day of the late election, just as Hal Young, was leaving the polls, having deposited his ballot. Tom Spiney plunged a pitch-fork through his body, killing him instantly. The parties are colored people, and the culprit is now in the County jail at Louisburg.

On Everybody's Tongue.—Eulogiums of the great National Regenerator of Health, PLANTATION BITTERS, are everywhere. This gratuitous *via de* advertising is better than all the paid for puffing to which the owners of bogus bitters are obliged to resort. It has a spontaneous heartiness about it which carries conviction to the mind of the auditor. But it is a well known fact that the proprietors of the PLANTATION BITTERS have never relied upon newspaper bolstering to establish the success of a preparation which owes its astonishing popularity mainly to the oral testimony of the thousands have either experienced or been the eye witness of the immense physical good it has wrought throughout the length and breadth of the land.

DON'T HAWK, HAWK, SPIT, SPIT, BLOW, BLOW, and disgust everybody with your Catarrh and its offensive odor, wash Dr. Sage's Catarrh Remedy will speedily destroy all odor, arrest the discharge and cure you.

The chivalrous Arkansian pitcher forks his enemy across the bloody chasm.

"Will you shake across the bloody?" is the St. Louis invitation to drink.

Dan Voorhees is shaking with the ague, and looks ruefully across the bloody chasm.

George W. Julian stretches his long bony fingers across the bloody chasm, waiting for a clasp.
